Bulls On Display at the
Mayerthorpe Ag Barn

Welcome to the Chittick Family Bull Sale

We are pleased to offer once again a truly unique Bull Sale, as we have three breeds to offer Horned and Polled Hereford, Simmental – Fullblood, Red & Black as well as Red & Black Angus.

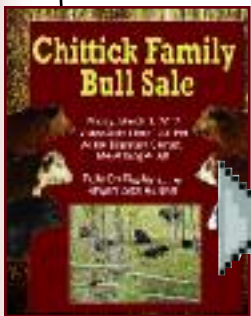

We are a third generation farming family and have been in the Beef Business for over 50 years raising cattle and farming together in the Mayerthorpe Area. We are raising Bulls for Farmers and Ranchers and they are "Ranch Raised". We are breeding cattle for mothering, milk and growth – Cattle that can be raised on grass.

We would like to "Thank" everyone who came to our sale last year and we are sorry for it being so crowded and difficult to have lunch. So this year we are doing things differently. The Bulls will be on display in the two Ag Barns and we will be serving coffee and doughnuts there. Then it is a short walk past the Arena to the Diamond Centre where lunch and refreshments will be served at 12 noon. The Auction will be conducted via Video Sale. The bulls will be shown on 3 big screen T.V.'s commencing at 1pm.

The Bulls have been selected out of 450 registered cows. We feel that we have a powerful selection of Bulls representing each of our three breeds and feel that there is a Bull that will do the job for you whether it be for mature cows or heifers.

Come out and inspect the Bulls -- We think we have a fine group of Bulls -- So you be the Judge!! They can be viewed any time on the farm prior to Sale Day. Come out and buy with confidence as we stand behind all of our Bulls. We look forward seeing you on Sale Day!

This is my favourite bull in the sale. He is a super quiet, easy-doing bull. He has pigment on both eyes, loads of hair and good muscle. He has a great set of numbers and he rates in the top 1% for weaning weight, yearling weight, and total maternal for the breed. We showed him at Farmfair this year and he was second in class to the champion bull calf. My favourite thing about this bull is his mother- she is a very easy fleshing cow with a large volume of milk in a perfectly attached udder. The father of this bull won his division last year in Denver and was champion over all breeds at the Mayerthorpe fair last summer.

Chittick Family Hereford Ranch will retain an in-herd semen interest on 6Z.

Another Highroller son with great numbers. He ranks in the top 1% for weaning weight and top 5% for yearling weight and total maternal. He is out of a good milking, second calver that had one of the top selling bulls last year that sold to Daniel Hoy. This bull has a great style, with good muscle shape and great markings and is also easy fleshing. This bull should make great females.
