

JONOMN

Hereford Ranch Bull Sale
with Guest Tanga Herefords

February 13, 2013

At the Farm - Clyde, AB

Welcome to our Spring Bull Sale

Welcome to our Spring Bull & Female Sale. Once again right here in the yard. Better for the bulls, better for you to view and look them over. Bulls and heifers will be displayed in large pens for your appraisal. Come & be prepared to inspect the cattle outside in their natural environment. Then we move inside at 1:00pm for a video sale in a very warm and comfortable sale barn. This was very well received last year and with a few minor changes it should be even better this year. We were very glad to hear all the positive comments on how well the cattle worked and adapted to their new environments for all our customers.

At JNHR, as always, extra efforts in selecting sound, natural working, cattle from similar managed herds trumps electronically generated and manufactured animals. Basic performance data is collected and reported under a very modest & natural feeding program. We want our animals to remain sound and perform in your breeding pastures not your feed yards. We have bulls working on all types of cows and positive reports of good vigor, top end performance hybrid calves that are very easy to handle. The Baldy cows produced are exceptional.

Cattle have been our livelihood. We have open mindedly observed all –But when pursuing Full Spectrum Performance these Herefords have met and surpassed all expectations.

- Maternal –Ability to produce big burly, bulky, and thrifty calves.
- Manageability –Docile and pleasant to work with
- Maintenance- Thick hided with great hair coats. The Herefords inherent ability and adaptability to adverse weather and environment.
- Withstanding the test of time –Competing in all aspects of profitable beef production. These Hereford cattle have excelled.

Objectives to be competitive with a quality product in natural condition in what can be a demanding environment has been our priority.

The cattle offered in this sale are managed, pictured and will be presented and sold in a very natural manner. ALL Bulls offered are from very sound productive, good footed, problem free Mama cows.

Again this year, we would like to introduce you to the Suetter's Gary-Ruth-Tanner-Tyler and family. Tanga Herefords of Millet, AB. Their cattle and program is very similar to ours utilizing hay, lake flats and flood plain. Customers –friends and good stockmen. Gary has never spared the horses when buying good cattle. Bought top cattle from Blume Ranches sale and dispersal –St Arnaud Farms dispersal as well as other sales. The majority of Tanga's bulls are sired by JNHR Silver Standard 5S purchased out of Calgary Bull Sale and he is a good one. Happy to have these folks –Get to know them –Good People –Good Friends.

We will be happy to help and assist with selection to best meet your objectives. Our sales management staff from NBI and all of us here at JNHR will be happy to help in any way. Come see our new shop & sale barn. It's been a busy year. We look forward to sharing time with you. Come and visit with old friends –Make new ones and have a pleasant day.

Norm & Crew.

Sale Manager

Comments

On Behalf of Nilsson Bros Clyde we would like to welcome you to the Jonomn Hereford Ranch Bull Sale.

It's a great pleasure for us at NBI to be working with the Parent family on their bull sale. They have built their program with you the customer in mind. The bulls in the offering are bred extremely well building on the tremendous cow family's in the Jonomn herd. The bulls are fed and developed to last in your pasture. The Tanga Hereford herd is very well matched to the Jonomn herd and their bulls have been developed in the same manner with you the customer in mind.

Our team at NBI are very familiar with the Jonomn & Tanga herds and the bulls in the offering. If in any way our professional team can be of assistance please feel free to call and we can discuss the sale with you. See you on Wednesday February 13, 2013.

Garth Rogers & The NBI Team

Directions to Farm:

East of Clyde on Hwy 18 to Range Road 244. South 2 1/2 miles to yard. OR From Hwy 2 go east on TWP Road 594 to Range Road 244 and south 1/2 mile.

About the Bulls

Weaned generally late Oct. to Mid Nov. with no creep – weighed off truck, backgrounded on high roughage growing rations. Off to grass in the spring, introduced to cut hay oats and sup as the grass hardens off. Started on 10% grain cut hay silage ration early Nov. Bumped up to 20% oat grain hay silage ration mid Dec. and remain there until sale time. Soundness and performance for you is a must.

What would have been our entire Calgary Bull Sale string sells here. As well as many moderate to low birth weight heifer bulls from our heifer program sired by 101T, 537T & 128U.

We are very proud of our polled program. These bulls are thick, burly, full of hair and pigment. Rugged and deep with loads of volume and capacity. Bulls that are fairly unique to JNHR line bred to what I believe in.

Gary's offering are unpampered sound bulls managed very similar to ours.

Targeted to peak in your Breeding Pastures.

Health & Fertility

All bulls are part of our full herd health program and have been health and fertility examined by the Westlock Veterinary Clinic / Leduc Veterinary Clinic prior to the sale.

All bulls are guaranteed to pass CHA Genetic Tests.

Delivery

Delivery of the bulls and board until delivery or pick up will be at minimal cost. We will combine or cooperate in any shipments where possible or keep for a reasonable amount of time until pick up. Insurance agents will be available sale day and it is recommended that all purchases be insured as cattle are the buyers risk as soon as sold.

- Please Note Video Sale -

This is a video sale in a Heated Sale Barn. No live animals will entering the ring; the bulls will be penned outside the sale barn with pre-recorded videos played on large TV Screens during the sale.

Therefore, we encourage you to come early on Sale Day or stop by prior to the sale day to inspect the sale offering. View Video Clips on Each Lot Online at www.cattlevids.ca

In a never ending search for Herd Bulls and Good isn't Good enough. You owe it to yourself to come and analyze 680Y. Herd Bull from the ground up: red, correct feet, wide based, nice bone & leg set, thick, muscular, waste free, eye set, pigment, and very gentle. He should have been shown this summer but thought he was of more value breeding cows. Sensible breeder -Fed back well- and is strong, bold, and proud. We will sell this bull in his entirety and watch for a really good son and add another good cow family into the mix. Full brother to last year's feature and high seller at \$10,300 to Leonard & Leslie Conlon, Llyodminister -680Y Ex-citing Bull Putting it All Together.

Unique Herd Sire Prospect by our 715W Bull. Dam is a polled daughter of a maternal sister to our 435M Horned Herd Sire. 115Y is this heifers first calf that always takes your eye. Nice smooth head, good eye. Solid from the ground up. A true herd bull.

Welcome From Tanga Herefords

Welcome to all fellow cattlemen to the 2012 Jonomn Hereford Ranch Bull Sale. We are most appreciative and honored to be a part of this special day and thank Norm, Joanne and Family for inviting us to participate.

The Tanga Hereford Purebred cow herd is a low maintenance hands off herd that is run with our commercial cows under rugged range conditions.

The bull calves are back grounded on a growing ration (no barley) for the first year and then on pasture until November 1 of their yearling year.

Look forward to seeing you on sale day!

Sincerely,

The Seutter Family

Tanga Herefords

TERMS & CONDITIONS

TERMS - The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made previous to the sale with sale manager. The right of property & Delivery shall not pass until after settlement is made.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable time.

ANNOUNCEMENTS from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - The proper Registration paper, will be duly transferred and furnished to the buyer for each animal after settlement has been made upon the Buyer Request.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

GUARANTEE - All animals will carry standard breeding guarantee as specified by the Canadian Hereford Association. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, or Jonomn Hereford Ranch and or the Parent Family assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.
