Chittick Family Bull Sale

Friday, February 28, 2014
Video Sale Time 1:00 PM
At the Diamond Center,
Mayerthorpe, AB

Bulls On Display at the
Mayerthorpe Ag Barn

Welcome to the Chittick Family Bull Sale

Welcome to the 3rd Annual Chittick Family Bull Sale. We are pleased to offer our Multi Breed Bull Sale once again. On offer are - Simmental - Red and Black, Fullblood, Red & Black Angus and Hereford.

We have three generations farming together and raising these Cattle. Our Cattle are "ranch raised" with the Beef Farmer and Rancher in mind.

These Bulls are selected from over 500 registered cows and are very pleased with the Bulls in this Sale. Whether it be a Heifer Bull or a Bull for Mature Cows, we feel there is a Bull for everyone.

This is a very exciting time in the Cattle Business when 500 pound calves are finally bringing over \$2.00/lb.

We feel with the cattle on display at the three Ag. Barns and the video sale at the Diamond Centre; this set up is very comfortable and there is less stress on the Bulls.

We would like to thank everyone who has attended our past Sales and especially those who have supported us and purchased a Bull(s).

Please come inspect the Bulls and join us for Dinner at 12 noon and once again - You be the Judge!

This is the bull we used on all our Heifers last year and couldn't be happier. His calves average birth weight was 79lbs. They are coming out super easy and up and sucking as soon as they hit the ground. His bull calves are stamped all the same, thick and meaty with great performance. We expect 19Y's Sons to leave the same stamp.

This is the Black Simmental bull we have used for the past 3 years. His calves have been just like him loaded with performance and muscle. With a 924lb 205 day weight and 1498lb yearling weight it's not hard to see where his calves get their performance from. His daughters are calving now with really nice udders. If you want heavier calves to sell in the fall buy one of his sons.

Poker Face was bought by Kin Kin Cattle Co. and Rachido Ranch at Lewis Farms sale last year. He was one of the high sellers at \$17,500. We purchased him to breed our heifers to, as he is loaded with calving ease in his pedigree. Poker Face had a 80lb birth weight and 1480lb yearling weight. Along with his stout confirmation, homo polled and black blaze faced makes him very desirable. We are very excited about the calves we are getting out of him this year. Watch for these bull calves in our sale next year, we feel they will be just what the ranchers are looking for - performance and calving ease.

Here is a big time performance bull, born Jan 11, 2013 with a 1165 lb weaning weight. A polled bull that is full of natural muscling. His mother is a big black cow with a nice udder, sound legs and feet that never need trimming. She raises the biggest calf every year. We kept her bull calf last year to use ourselves and we are getting some really nice calves out of him. Halter broke and super quiet. If you want to add some pounds to your calves he's the bull for the job.

This bull is very quiet out of a very good cow that raises one of my top calves year after year. A maternal brother was the high selling Hereford bull at our first sale that sold to David Baudin. This bull is in the top 1% for weaning weight, top 5% for yearly weight and top 10% for total maternal in the breed. This is Crimson's pick.
