

Direct Livestock Marketing Systems or DLMS is an internet based, online cattle auction. This interactive market place provides a link between producers from Western Canada to buyers all across North America.

DLMS is currently looking for:

- Full Time Purebred Sales Representative position
- Sale day contractor positions

Positions require considerable travel. Depending on position the successful individuals will be responsible for coordinating, organizing and facilitating the broadcast of live & video auctions via the internet and at sale sites across Canada.

Duties for this position include but are not limited to:

- Interact with buyers, sellers and cattle producers throughout the North American cattle market
- Solicit purebred sales broadcasts
- Set-up and operate audio, video, TV and computer equipment at remote sites
- Assist in pre sale Videoing and picturing of cattle as part of a team with Cattlevids.ca
- Provide end users with appropriate sales support

Specific skill set:

- Strong written and oral communication skills with an ability to adapt to the needs of specific audiences
- Attention to detail
- Solid customer service skills
- Time management, problem solving, planning and prioritizing skills, with a strong ability to multi-task
- Resilience, with the ability to adapt under changing business priorities

The ideal candidate should have a working knowledge in Windows and web-based applications and understand audio/video equipment. A candidate with purebred livestock industry background is considered an asset and would be preferred.
