After selling by private treaty for many years we decided to switch gears and start the

## PINNACLES ALL IN 12A REFERENCE SIRE OF LOTS 1,2

We purchased ALL IN from the Combest Limousin dispersal sale. We used ALL IN for a couple years until he was injured. He was a heavy muscled, small boned, calving ease bull that worked well on our second calvers. His progeny are moderate framed and heavy muscled. The heifers have nice udders with quality milk.

We purchased BRAVEHEART from Diamond C Limousin as a 2 year old for \$20,000 half interest in 2016 and absolutely love how he turned out. Braveheart is really something special. He is heavy muscled, has great depth, super docile, tons of performance and has a ton of hair. This year is the first year we have milking females off Braveheart and they do not disappoint. They are all very docile, have tons of depth and rib, awesome shape, great muscle and have beautiful udders with lots of milk. Braveheart's bull calves also have not disappointed. They are heavy muscled, deep, thick and super docile. We are excited to be calving his 3rd set of calves this year and know they will continue to perform.

## SIRLOIN BULLS EYE

BULLS EYE is a home raised bull sired by HILLVIEW YOUR PICK. His dam SIRLOIN POLKA DOT is a farm favourite and still is producing some of the best calves every year (Lot 28). BULLS EYE was very heavy muscled, long bodied bull. He was injured early on in breeding season so unfortunately, we had very few calves sired by him. REFERENCE SIRE OF LOT 42

## ROMN CADILLAC JACK 101C

CADILLAC JACK has big scrotal, heavy muscle, and is a homo polled Wulfs Apostle son. We purchased Jack semen from Excel Ranches hoping to bring in some quality new bloodlines and that is what we got. We only had one calf this year from him, but he is a good one! Tons of calving ease, super docile and awesome muscle shape. We can't wait to have more Cadillac Jack calves in the future.

## EXCEL POLLED BARN BURNER

BARN BURNER is a bull that was raised by Excel Ranches and sold to a commercial producer near Westlock. Excel thought so much of him that they used him on some of their own cows. We ended up buying a few of those cows. Barn Burner is heavy muscled, deep bodied and super docile. His heifers are well built and have beautiful udders with lots of quality milk.
