Reward is very unique. This may be an oxymoron, but he is a rugged stock bull with style and eye appeal. A small injury prevented us from using him this spring, but he was given a clean bill of health soon after. We love his calves and believe he is a bull that a lot of modern Angus cows need. Reward is truly an individual who will be missed around here.

Preference was the high seller at the 49th Parallel Bull Sale in Mankota, SK. Very low birth to very high growth is what attracted us to this bull. Coming out of the no nonsense Breed Creek herd, you know he is as honest as they come. We worked this bull hard this year and he was breeding cows naturally at 12 1/2 months of age. Don't overlook this guy. He very well could be the next great breed changer. Preference has a super set of numbers as well.

Norseman Cows

Welcome everyone, from the Dyrland Family to our portion of the Southland Angus Complete Herd Dispersal Sale. We are very pleased to offer these cows from our herd for sale today. This group of females is definitely hard to part with. They came to be at Southland two years ago when our herd size at home exceeded our pasture area. Southland Angus agreed to take some of our cows on lease.

Now that Shane and Lexi have decided to disperse their herd and our grazing area hasn't increased these cows have to find a new home. Some of these cows come from the very best cow families at Norseman Farms. In particular Norseman Eula 11'05 who raised an outstanding bull calf this year who will be selling in the sale as well.

The cows are in excellent condition and are very sound. As this is not part of the dispersal, all of them are guaranteed. We know they will be a tremendous addition to any herd.

We look forward to seeing you in Swift Current on December 1st.

Bidders may phone the sale manager, auctioneer or special representatives, or use DLMS internet system for their bids. Bids must be received in sufficient time prior to the sale.

DISPUTES— In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.
