Saturday, November 24

9:00 AM Canadian Junior Beef
Extreme, ITC Show Arena
4:00 PM RBC Beef Supreme
Challenge, ITC Show Arena

Welcome to the 2018 National Gelbvieh sale! To say that the year has been a challenge is an understatement. From extremely dry conditions and shortage of feed to early snow and very wet conditions with the crop in the field, the West sure has seen it all.

But one thing has stayed true, and that is the positivity of the people. Livestock producers have been rewarded with a strong feeder cattle market, which will help carry us through these trying times.

This year's sale is full of great opportunities, first a great selection of calendar-year heifer calves with fresh new genetics, some of which will be the pick of the show string. Secondly, a powerful bred heifer from a great program, she will be a highlight! Also, we have been offered the opportunity to go into three separate breed-leading herds to select the heifer calf of your choosing. And finally, two frozen lots: one is an exclusive semen package on a proven herd sire, and the other will be a fantastic opportunity to buy embryos on one of the premier cows in the business!

I once again welcome you to the sale and remind you that these cattle have been parent-verified and that these come from the heart of the breeders' programs. We are very excited to offer them up for your appraisal.

Sincerely,

Ian Thackeray, Man/SK Gelbvieh President

THE SWEETHEART GELBIEH CLASSIC

The Man/Sask Gelbvieh Association is pleased to present the 20th Sweetheart Gelbvieh Classic, a people's choice female futurity to be part of the Canadian Western Agribition Gelbvieh Show in November 2018. The Sweetheart Classic is open to any age of Gelbvieh female entered in the regular Canadian Western Agribition Gelbvieh show. Four finalists will be brought to the sale where the winners will be announced. Futurity members may enter their females until noon on November 19. The futurity entry fee is \$100 per head, with a maximum of two (2) entries per membership. Memberships to the futurity will be sold for \$300.00 which entitles the member to judge (one ballot) the Sweetheart Classic. Members must be present to vote. No proxy vote allowed. Members will also be entered into a draw to win the proceeds from the sale of the Sweetheart Classic Champion or the Futurity Champion, whichever is lesser. 50% of this prize will be given as cash and the remaining 50% will be a sale credit. The sale credit can be used at the 2018 Agribition Gelbvieh Sale.

The people's choice judging of the Sweetheart Classic will take place immediately following the Gelbvieh bull show. The female Gelbvieh show will commence upon the completion of this portion of the futurity. At the end of the Gelbvieh female show, the top four (4) females as selected by the futurity members will be announced in random order. The following day, at the Canadian Western Agribition sale, the Sweetheart Classic Champion will be announced and then auctioned off as the feature lot. The consignor of the Champion Female will retain the right to one flush at their expense and the new owner's convenience. The second place Sweetheart winner will receive a \$500 Agribition sale voucher.

To vote on-line and view the females, or for more information, contact Dean 306 227 0719 or Cynthia at 204 886 7683.

SA Birch's Centre Ice 139C Sire of 130F

Thackeray Land and Cattle are pleased to offer this fancy female. Fara 130F is sired by Birch's Centre Ice, who has worked very well here. His females definitely stand out. Fara's mother, Wanda 29W (a T-Bone daughter), has been a steady producer with loads of volume and substance. I believe that 130F will go on to be one hard working and productive female.

This bold ribbed, fancy, black Balancer will be sure to catch your attention. She flows with elegance as she moves with the unmistakable ability to grab your attention while doing so. She was raised by a very complete Patron daughter that was the high-seller in the Wilbar Farms Spring Sale, accompanied by the great Lucy cow family. On the sire side we have gone to the well again and allowed another Chief daughter to sell. This will be the last chance to own a direct Chief daughter, as we are retaining the rest. *We would like to retain a flush interest in this up-and-coming donor female. Terms to be negotiated.*

Love Song has caught our eye all year, and we are pleased to offer this Macon daughter at the 2018 CWA Gelbvieh Sale. She has a moderate frame-size, a very modest birthweight, and is feminine and functional. Her dam, a Cruise daughter, is a first-calf heifer that did a great job raising her and is bred up early again. Love Song is a practical and pretty heifer that will benefit anyone's breeding program.

Twin View Livestock, with our great friends at JSJ Livestock, are pleased to share this embryo offering, which combines two of the most talked about individuals of 2017 in Canadian Gelbvieh circles. JSJ Baha 35B is a truly elite individual, who has been admired by countless producers for her exceptional power and mass with soundness of structure and ideal design. She was declared Champion Female at Brandon last fall, before becoming Reserve Champion Female at Agribition. She has gone on to prove herself as a high capacity donor who's destined to make a great impact for many. Combining this outstanding individual with the \$66,000 phenom, SLC Viper 7E, is sure to be a slam dunk! Viper was widely admired on both sides of the border, and this will be among your first opportunities to acquire his influence. We believe this pairing to be highly complementary and are extremely excited about this mating!

We are offering five #1 exportable embryos with a guarantee of two 60-day pregnancies, providing they are implanted by a licensed embryologist. Embryos are stored at Bow Valley Genetics.

CONSIGNED BY JSJ LIVESTOCK AND TWIN VIEW LIVESTOCK

PICK OF THREE HEIFERS FROM TWIN VIEW LIVESTOCK

It is with great pride and excitement that we offer the choice of these elite individuals, sired by the widely admired AWB Birch's The Boxer 21D. The Boxer first made a splash as a calf when he was declared Reserve National Champion Bull, followed by topping our annual bull sale. He then continued his successful show career by being named Champion Bull in Brandon and Reserve Champion at Agribition, as a yearling. At each and every test, he has surpassed our expectations, the most important being the quality he has sired in his first calf crop. Whether you choose sheer cow power or elegance and grace or maternal prowess, you really cannot go wrong in your selection. We simply could not choose which of these great females to offer even after a hotly contested vote during our Field Day, where they were virtually tied. As a result, we decided to let the winning bidder make their selection during the National Gelbvieh Sale.

Each female has been mothered by a powerful and functional mother cow, and each one offers a great deal to the advancement of the Gelbvieh breed. We firmly believe each of these heifers are donor quality, and we would be happy to assist you in making your selection. Only one sells, the others will remain with us, where we are certain their story is just beginning.

PICK OF THREE HEIFERS FROM JSJ LIVESTOCK

JSJ Livestock is proud to offer the pick of the heifer calves in our show string. We have brought two purebred females from the very core of our program and a solid Balancer female that has a unique pedigree. JSJ Faith 14F is the Balancer female in our string. We used Angus sires on some of our purebreds last year and are happy with the results. Out of a solid Thackeray female that raised a bull calf for our sale on her first try and now this heifer. JSJ Farrah 104F is out of an up-and-coming cow. Her first calf was a heifer retained for our own use. Her second calf saw herd sire duties at Fladeland Livestock this summer, and now this. Farrah is sired by JSJ Crush 8C, who stood as the RBC Beef Supreme a couple years ago. Her granddam, JSJ 27U, will be in our donor program next year, and her FLAD Boogeyman bull calf is in our string, as well. JSJ Flashy 70F is a dark red female out of one of our matriarch cows. At 11 years of age, she is still cranking out the good ones. Sound feet, great udders, and longevity run deep in this pedigree.

Observed bred April 21 to BLB 35E. Pasture exposed April 9-May 4 to BLB 35E. May 5-June 24 to BLB 112D.

This young female is a daughter of the 2012 National Champion, SLC Outback 142X - a bull that has produced many top-end females in our herd, as well as herd sires that are working for many breeders and commercial herds. 740E is a very structurally correct female, with a lot eye appeal. She is very deep in maternal traits, with her dam's sire being Masterplan 512T, a bull that has left his mark in the breed. We've loved this girl since she was just a calf. We wanted to offer a bred female from the top of our replacements, and I'm sure when you see her you will love her. She is pasture exposed to BLB35E, a dark red bull we are excited to be using in our heifer field. His dam is the daughter of RWG Yikes and Jewel 57P, a cow Prairie Hills Gelbvieh have in their donor program. This mating is sure to be exciting.

Ston Black Adder 42B Sire of 212F

HL212F is a purebred heifer that Dean is really proud of. With her extra length of body and smooth front end, she will definitely catch your eye. 212F's dam is a model Gelbvieh cow with excellent feet and udder, and with a power-packed pedigree. Her sire has really impressed us with calving ease and performance. He has sired a great set of purebred and commercial cattle for Dean. Mark 212F in your sale catalogue. You can find her in the Thackeray Gelbvieh stall.

SLC Road Trip 103B Sire of 20F

HL20F is a 75% Balancer heifer. We have been really impressed with the SLC Road Trip calves, and 20F is no exception. All of our first-calving heifers were bred to SLC Road Trip with great results on the Purebred Gelbvieh, Balancer, and Purebred Angus heifers. We were impressed with his calving ease and growth of the calves. 20F's dam goes back to a foundation cow family. We feel 20F will follow in her dam and granddam's footseteps. When breeding time comes around, there are lots of options for this heifer - purebred or balancer. If you have any questions give us a call. She will be in the Thackeray Gelbvieh stall.

Selling one exclusive semen package of 20 units. This will be the only semen to sell on Velocity 14C. Velocity is homo-polled and hetero-black. He is very good footed and stems from our Charla cow family. His dam is responsible for three high-sellers in our bull sale. The Charlas are very productive, with tremendous longevity. He also sired the Denver high-seller, SLC Viper 7E, who sold for \$66,000 at the National Western Sale to Little Windy Farms in Virginia. His calves have extra muscle and are very cleanly made. He is co-owned with Jace Cattle Company.

WADE DAVIDSON PICK OF 2018 HEIFER CALVES

"Gelbvieh Country: Home of the Davidsons" are very pleased to be part of the National Gelbvieh Sale.

We are offering a pick of our 2018 purebred Gelbvieh replacement heifers. We became excited about Gelbvieh many years ago, and we have been building our purebred Gelbvieh herd for well over 25 years. Our tattoo letters run deep into our pedigrees. Many of our females are sired by such bulls as DVE Davidson Superman 100J and WDE Davidson Showtime 10U. The replacement heifers are sired by a couple of outstanding herd sires - DVE Davidson McBride 146U and WDE Davidson Mcleod 12D.

We invite you to take a look at our website, www.gelbviehcounrty.com, where you will find many pictures of our cattle. Make sure to check out our video on the site. You are welcome to look at the heifers at the ranch before the sale. Thank you for your interest.

MAPLE GROVE GELBVIEW PICK OF 2018 HEIFER CALVES

Maple Grove Gelbvieh is offering a pick of a purebred or percentage heifer from our 2018 calf crop.

Heifer must be selected by Feb. 1, 2019. Pay for half at time of sale, and remainder at pickup. Sires of these heifers include:

- JM Arrow 1A (Herd sire purchased from Jace Cattle Company. Black, polled calves.)
- FRL Benn 126B (Herd sire purchased from Fir River Livestock)
- HKY Destroyer 86D (High-selling bull sold at Lundar Bull Sale)
- BMGF Wheeler 26A (Astro x Miss Legacy 5L daughter)
- BMGF Stomping Tom 23A (McCoy Wrangler x Miss Legacy 5L. Unfortunately, we lost Tom last year, so this is the last chance to purchase one of his calves.)
- MGF Wrangler 56A (This has been our heifer bull with T-Mack. Resource and Felisha in the pedigree.)

We even have some splashy percentage calves. Great 4-H projects or replacement heifers. Something to please anyone!!

Selling 2 CHOICES. High seller gets first choice.

TERMS & CONDITIONS

TERMS The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION Each purebred animal will carry papers issued by the Gelbvieh Association of Canada or United States. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH All animals in the sale have met all necessary health requirements.

GUARANTEE Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Gelbvieh Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be use only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that the Man/Sask Gelbvieh Association is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does the Man/Sask Gelbvieh Association assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. The Man/Sask Gelbvieh Association assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE We strongly recommend that insurance is purchased for full value.

ERRORS All announcements at sale time, written or oral, supersede any written material in the catalogue.
