10 miles east of Edmonton - *Directions from Hwy 16*, turn north on Rge. Rd 214. After 3/4 mile, farm is on the left. (53258 Range Road 214)

PARKING

As farm yard space is very limited, ALL parking will be in the marked lot south of Codiak Acres. Shuttles will run back and forth.

Welcome

We are extremely excited to invite you to Codiak Acres on October 6th. This elite female sale has been in the works for a couple of years. We knew if we were going to do it, we needed to do it right! This sale is the largest female offering of Speckle Park genetics in North America. The offering in the following pages represents our very best. The genetics here are some of the most influential in the breed but more importantly, they are proven.

We have teamed up again with our Summit 3 partners, Colgan's Cattle Company and River Hill Farm. The offering they have made available to this sale is certainly impressive.

We take great pride in our herds and are pleased to present this tremendous opportunity to access the heart of our programs. We would like to personally invite you to come out any time leading up to the sale and come early on sale day to enjoy brunch and Mimosas.

Preg checking had not been completed prior to this catalogue going to print. Please inquire about specific lots you are interested in regarding breeding information. If you require any assistance or additional information, please feel free to give myself a call, any of the consignors or the sales staff.

Regards,

Gary Kiziak

TERMS & CONDITIONS

The terms of the sale are cash or cheque payable sale day, October 6, 2018, in Canadian Dollars. All settlements must be made with the sale clerk before the animals will be released, unless there has been an agreement made between the seller and purchaser prior to the sale.

DISPUTES

In case of disputes the bidding will be reopened between the parties. If there are no further bids, the buyer will be the person the auctioneer accepted the last bid from. The auctioneer's decision in such matters will be final.

INSURANCE

Each animal becomes the risk of the purchaser at the time of sale. If the animals are not taken home by the new owner sale day, arrangements must be made with the seller on October 6, 2018 for delivery. Animals returning to the seller's farm must be insured.

HEALTH GUARANTEES

All females are guaranteed breeders and in good breeding condition. Each animal becomes the responsibility of the purchaser as soon as sold.

DELIVERY

We will assist in arranging delivery as quickly as possible after the sale. Many reliable truckers are based in the Edmonton area. All deliveries are the purchaser's risk. We recommend that you insure all purchases.

LIABILITIES

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for accidents that occur.

ANNOUNCEMENTS

All announcements made from the auctioneer's stand take priority over printed or catalogued material.

U.S. BUYERS

All females that sell are guaranteed exportable to the US. Export costs are the responsibility of the purchaser. The rate of exchange will be announced sale day from the block. The closest international airport is Edmonton, Alberta.

EMBRYO & SEMEN LOTS

Proper settlement must be made in order for embryos/semen to be released. Shipping arrangements and costs are

the responsibility of the buyer. Contact the consignor directly within 30 days of the sale to make shipping arrangements. Consignors cannot be expected to store embryos/semen for you longer than 30 days unless you have personally made arrangements with them.

Embryo guarantees are between buyer and consignor. Contact the seller directly to inquire. If a guarantee is offered by the consignor, embryos must be implanted within one year of this sale.

ON LINE BIDDING

Visit www.dlms.ca to fill out and submit the registration form under "Registration". Click on "Downloads" and follow the four-step instructions located on the screen. Click "Test" and you will see the Test Video and Bid Control Box.

To be approved as a bidder, please email mshologan@dlms.ca or call (780) 699-5082.

PHONE BIDS

To bid by phone and pre-register as a buyer, contact any Sales Representative listed on page 2 of the catalogue.

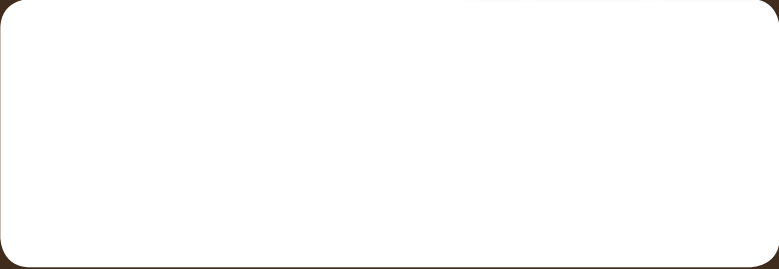

GENETIC TESTING

Please contact the consignors regarding their respective lots if you are interested in test results for genetic markers.
