Welcome

Welcome from the CCYA National Board

On behalf of the Canadian Charolais Youth Association National Board, I am very excited to welcome everyone to the 2019 CCYA National Show and Conference in Weyburn, Saskatchewan. For myself and many others, CCYA is a summer highlight, and we hope this year's conference will be one of your best summer memories.

The Saskatchewan organizing committee has lined up a very exciting week. As always, the first night of the conference will be a fun-filled chance to get to meet the other members, but this year it will be in the form of the "Barnyard Olympics". The schedule has slightly changed from other years, as the educational seminar has been moved later into the week providing us with an exciting opportunity to judge a group of steers that we will later see on the rail.

The Canadian Charolais Youth Association is very excited and honoured to once again host the Charolais International Youth Program and welcome youth members from across the globe. To all of the Charolais youth members attending our conference from around the world, we are very excited to meet you and look forward to not only teaching you our "Canadian ways" but to also learn how you do things back home!

On behalf of all CCYA members, I would like to thank the Saskatchewan organizing committee for all of the hard work and time that they have put into planning this year's conference. A huge thank you also goes out to all of the sponsors, as this week would not be able to happen without your support of the Charolais breed and our youth.

If you have any questions or need a hand during the week, make sure to find a National Board member or someone on the organizing committee and we will gladly help you out!

Hopefully everyone has a great week making memories at "White Out in Weyburn"!

Shelby Evans,

National Board President

Welcome from the CCA General Manager and the CCA

On Behalf of the Canadian Charolais Association Board of Directors and staff, I would like to welcome all the participants, parents, sponsors and charolais enthusiasts to the 2019 Canadian Charolais Youth Association Conference and Show, "White Out in Weyburn".

Best of luck to all CCYA participants. Have a great time and be sure to thank your parents and families for the time and money they invest for you to be here. We hope you leave with life long friends and memories!

Thank you to the many sponsors who make this show possible and for their help in buiding today's youth into tomorrow's leaders.

We would also like to congratulate the Organizing Committee for continuing to put on the best Junior Show in our nation! The CCA is extremely proud to be part of this great event and we are thankful for the many hours you have volunteered to make this the best experience for our Junior Members.

We are proud of all of you and the way you showcase our great breed.

Sincerely,

Craig Scott, General Manager

Canadian Charolais Association

Welcome from the Planning Committee

Hello Juniors! On behalf of the CCYA Planning Committee, I would like to welcome you all to Weyburn, Saskatchewan for the 2019 Canadian Charolais Youth Conference and Show! Our planning committee has been working hard to put together a fun filled week of events and competitions. CCYA has been a summer favorite for many, and I hope you enjoy the conference as much as I do! We are excited to have many new members attending this year, and we once again welcome and appreciate the support of our returning members. We are humbled to be hosting the international youth members once again. We are welcoming youth from Australia, Estonia, Hungary, Ireland, New Zealand, and the United States. We hope you have a great week at this year's conference and are able to have an enjoyable learning experience!

To this year's sponsors, we can't thank you enough! It is with your generosity and support toward the youth program that we are able to keep this conference going year after year and continue to bring youth together from across Canada to participate in such an excellent event. This conference is a way for the CCYA program to continue to provide the skills that strengthen youth involvement within our association and the cattle industry in Canada, and it is important that we recognize our sponsors for their continued support!

To the 2019 organizing committee, it has been a pleasure working with you all to plan this event. There have been countless hours spent planning, having conference calls, and putting everything together in order to organize an event such as this, and once it's all said and done, it will be worth it! Thank you for all of the time and effort you have dedicated toward this conference!

To the parents, family, friends and youth attending the conference, we are so looking forward to being your hosts at this year's CCYA and cannot wait to spend the week to share our passion for the Charolais breed! We wish you all safe travels to the 2019 Whiteout in Weyburn!

Sincerely,

Dale Weinbender, SCYA President

Team Judging

9:00 am

Judge: Riley Lafrentz & Justin VanDeWoestyne

The hosting province has the authority to choose if one or two classes will be judged. If expected to judge two classes, in the first class one team member will be responsible for the ring-person duties and the other will place the class and give a set of oral reasons to the audience. If there is time for a second class, the team members will alternate positions. This is encouraged.

Team Marketing

9:00 am

Judge: Brennan & Mandy Archdekin

Each team will have approximately 5-7 minutes to sell an animal, embryo, semen or related product to a prospective buyer. Teams will be judged on knowledge, enthusiasm, group cooperation/involvement and overall ability to convince and sell.

Team Grooming

1:00 pm

Judge: Michael Hunter

The team grooming competition will be twenty minutes in length. Teams of two or three members from the same age group will be arbitrarily made prior to the show. Yearling heifers will be used exclusively for the competition. Junior members will be allowed to use calves. Heifers are to be washed and clipped prior to the competition but dressing prior to commencement will result in disqualification. Teams will be evaluated on the use of equipment, knowledge, skill, involvement, final appearance and presentation of the heifer. The use of unethical or artificial fitting practices will result in immediate disqualification and under no circumstances will be tolerated. Details can be decided at the discretion of the organizing committee.

A set of questions will be provided as a template for the plan, as well as necessary background information. Forty-five (45) minutes will be given for individuals to prepare their marketing plan.
