LIMOUSIN

BULL & FEMALE SALE

MARCH 2, 2019

2:00 PM MST | AT THE RANCH | MORINVILLE, ALBERTA

On offer

21 Two Year Old Bulls 21 Yearling Bulls

5 Open Purebred Heifers

Welcome... Please accept this as your invitation to join us at the ranch on March 2nd for our bull and female sale. We have been raising registered Limousin cattle for 42 years and we are proud to be one of the largest purebred Limousin herds in Canada. As our sale offering is selected from nearly 200 mother cows, you can be assured we are only offering the top end. We are strong believers in the Limousin breed and the value Limousin has for the commercial producer. We strive to raise docile, sound, easy calving, high performing seedstock that work for us and our customers under the current demands of the beef industry.

You will find our 2019 offering to be a consistent set of high quality two year old and yearling bulls representing a variety of sought after Limousin genetics. Our two year old bulls were on grass all summer, and both two year old and yearling bull groups have been developed with the goal in mind of becoming sound breeding bulls. Please contact us or any of the sale staff to assist you in finding the right bull for your operation. This year we are once again offering a selection of open purebred heifers from the very top of our replacement pen. We feel they will make front pasture females in any herd.

We extend our sincere thanks to both our long standing repeat customers and new buyers. We are very grateful for your friendship and trust in our program. Please come early sale day to view the cattle on site, join us for a beef lunch and stay afterwards for hospitality! We look forward to visiting with you.

Sincerely,
The Verbeek's
