I found Expedition in Creek Edge Land & Cattle Co.'s show string at Agribition in 2015, and the good thing was they were selling the pick of their bull calves at the sale that week where I was fortunate to purchase him. Expedition is a smooth power bull with super length of body, tied in with sound feet and legs. We are welcoming our third calf crop now and loving what he doing for us. 22 SONS SELL

Mel was the high selling bull calf out of the Charhead dispersal in 2012. This rugged, tan, bull calf had a big hip, deep side, with easy doing temperament and I had to have him. As you can see in his sons, he is a performance bull and still calves easy. 10 SONS SELL

Ty Cobb was the high-selling bull at Cedarlea's 2016 sale at \$28,000. I was looking for a herd sire for my Kingston daughters, and thought this Circle Cee Legend son out of a CSS Show Boat daughter would fit into my program. He has super EPDs and performance, while still offering calving ability, a big hoof and good temperament. For the most part his first calves were very small calves with lots of vigour, but still came on tremendously over the summer. 2 SONS SELL
