Exhibitor Biography: Lance & Shari Leachman are the 4th generation to operate Big Gully Farm at Maidstone, SK with Herefords since 1967. The farm comprises 180 polled and horned females focused on coupling visual merit and progressive breeding values. Measurements on 11 traits are reported, along with genomic testing on the entire cowherd. Their upcoming bull sale on Thursday, December 12th will feature bull calves, long-yearlings and commercial heifer calves. Each bull features genomic enhanced EPD's and carcass ultrasound with free wintering, late spring delivery and incentives for volume and repeat buyers. They also welcome you to view their bulls in the Hereford barn.

Exhibitor Biography: LV Farms is a mixed farm owned and operated by the Martinson family at Midale, SK. They run 400 cows including purebred Hereford and Angus, as well as commercial cattle. They sell bulls and females privately off the farm and consign bulls to the Red, White and Black Bull Sale every March in Moose Jaw. The focus at LV Farms is on low maintenance cattle that can thrive in less than ideal conditions. We invite you to stop by the stall for some hospitality or come to the farm anytime.

Exhibitor Biography: Broken Triangle Ranch. Roger & Dana Meyers. Minton, Sask. Started with Red Angus in 2014 with the purchase of the entire red herd from McNeely Land & Cattle at Wawota, Sask. We continue to build on the very powerful maternal base of the herd by utilizing short gestation Sires. This is highly heritable in both male & female progeny, allowing for even greater calving ease, even when incorporating high growth genetics.

Exhibitor Biography: Eastondale Angus is a 4th generation Black Angus cattle operation near Wawota, SK. Eastondale Angus is owned and operated by Dale, Shelly and Erika Easton, along with herdsman Nolan Glover. We have been breeding Angus cattle for approximately 70 years now. We run 180 cows and breed approximately 225 females very spring. We do believe in a balance approach to breeding trying to find genetics that are proven and non-trend oriented. We value our walking bulls highly but do use some AI sires. We hold an annual spring bull and select female sale annually on the first Monday of April. This year's sale date will be on April 6th with approximately 45 yearling bulls and 10 open females on offer. Check out our program on our website at eastondaleangus.com and follow us on Facebook.

Exhibitor Biography: Double 'F' Cattle Co. (prefix DFCC) is owned and operated by Kelly, Angie, Garret and Jacob Feige. The farm is located near Parkside, SK 40 miles west of Prince Albert and was established in 1943 by Kelly's grandparents Bruno and Irma Feige. In the spring of 2007, we purchased Ivan and Joyce Eggen's (Eggen Land & Cattle) tremendous Black Angus cow herd. Since then we have worked hard making the herd our own and presently have about 150 purebred Black Angus cows as well as 100 commercial cows. Double 'F' Cattle Co. show extensively and although we are relatively new to the Angus breed we are proud of our accomplishments so far. Some highlights include the 2009 World Angus Forum Reserve Champion Bull, top ten finalists in RBC Beef Supreme Challenge, 2016 Supreme Champion Pen of Bulls at CWA and 10 successful bull sales. Double 'F' Cattle Co. hold their Annual Bull Sale in March at Northern Livestock Sales in Prince Albert, SK. Double 'F' raise bulls with the commercial cattleman in mind..... bulls built to last and produce calves with moderate bw and high performance to top the market. The Feige family is proud to be celebrating over 75 years in the purebred industry.

Exhibitor Biography: Wright Livestock is a family ran operation owned by Jim and Kathy Wright and family. Our seed stock operation consists of a Purebred Red Angus cow herd that is managed alongside a commercial cow herd with cattle being located west of Melfort, and Meadow Lake, SK. Our genetics are available year-round as the bulls are sold privately, as well as, semen, embryo's, and females are marketed in various select sales throughout the fall. Wright Livestock believes in a fertile productive cow herd that can thrive in multiple scenarios without sacrificing performance. Find representation of our cattle in the purebred barn, as well as, the yards display that is housing our bull pen alley entries.

Exhibitor Biography: The Olynys are a 5 generation farming family. Crescent Creek Angus has been in the purebred industry since 1954. Every year since then we have had one goal in mind, quality. Mike along with Irene bought their first Black Angus cows and built what it is today. Now Wes and Kim run the operation along with their kids. Irene is still very much involved with the operation as well as Wade in day to day operations. We will have our 22nd annual bull and female sale April 4th, 2020 at the farm at Goodeve, SK. Along with 220

purebred Black Angus cattle we also grain farm. New for use this year is our commercial heifer sale sponsored by us. It is a unique opportunity to give back to our customers who bought bulls from us, animals must be crescent creek genetics. Sale is December 7th. We try to be at the forefront for genetics and quality of cattle. Stop in anytime for coffee and judge for your self. Crescent Creek Angus, influencing the past, present, and future

Exhibitor Biography: Goodview Gelbvieh is operated by Blair and Lorie and their daughters Courtney and Kelsey. They operate a mixed farm consisting of 5000 acres of grain land and 50 registered cows both red and black. They have been showing their cattle at Agribition in the tie barn as well as Bull Pen Alley for a number of years. They sell females in the Function and Finesse Female Sale at Parkbeg, SK., at Agribition and private treaty off farm. Their bulls are consigned to the Best of the Breeds Bull Sale at Heartland in Yorkton, Sk on the last Sunday in March. The Bentz's would like to invite you to stop by the stall or come out to the farm and they would be happy to show what Gelbvieh have to offer in a cross breeding program.

Exhibitor Biography: Cedarlea Farms is located in the southwest short-grass country near Hodgeville SK. Owned and operated by Garner and Lori Deobald along with their daughter Kylie and son in law Brian Hawkins, they run 250 purebred Charolais females along with versatile ranch and reining bred quarter horses. Their breeding program is based on calving ability, growth traits and temperament. Selection tools such as EPDs, ultrasound data and DNA testing are used to enhance the consistency of economically important traits. The Git 'R Done bull sale is held annually on the first Tuesday of April at Windy Willows Farms north of Hodgeville. This years sale will be held on April 7th, where approximately 60 yearling Charolais bulls will be on offer. Cedarlea Farms have also consigned a select group of bred heifers to two prestigious Charolais sales; the Sterling Collection Sale happening Dec 6th in Saskatoon and The No Borders Select Sale in Virden, MB on Dec 10th.
