

8th Annual

Chittick Family Bull Sale

Friday, March 1, 2019
Video Sale Time 1:00 PM
At the Diamond Center,
Mayerthorpe, AB

Bulls On Display at the
Mayerthorpe Ag Barn

Welcome to the 8th Annual Chittick Family Bull Sale

Another year has come and gone and it's Sale time again! Keeping with our same sale format as in previous years, we are pleased to present our Annual Multi Breed Bull Sale. On offer are our 3 breeds Red, Black and Fullblood Simmentals, Red & Black Angus and Herefords.

The Bulls will be on display starting Thursday evening at the Mayerthorpe Ag. Barns and Sale Day Dinner and Video Sale will be held at the Mayerthorpe Diamond Centre, a short walk from the Barns.

We strive to raise an assortment of Bulls that will work for you on Cows and Heifers and fit into your cattle program. Bulls with great growth and performance, as well as carrying easy calving and desired maternal traits. We are constantly adding different Genetics, by using the best A.I. bulls we can, as well as buying good quality herd bulls. Bulls to help you put pounds on and increase your bottom line as well as put replacement qualities into your heifers.

Thank You to everyone who has attended our Sales and that have purchased a Chittick Bull. We strive to have satisfied customers and quality, working Bulls that are making you, the Farmer money. If you have any concerns at all, just contact us and we will take care of you.

We are very grateful for our Sponsors and extend a special thank you to them for their continued support.

Thank You to our extended Family and everyone else who helps out in any way during sale time and throughout the year. Your extra set of hands is truly appreciated when needed!

We hope to see you all Sale Day! Farm visits are always welcome! We wish you all the best in 2019.

- Please Note Video Sale in Diamond Center -

This year the sale will sell as a video sale in a Heated Diamond Center. No live animals will enter the ring; the bulls will be penned a short walk away in the Ag Barns with pre-recorded videos played on large TV Screens during the sale.

Therefore, we encourage you to come early on Sale Day or stop by prior to the sale day to inspect the sale offering. View Video Clips on Each Lot Online at www.cattlevids.ca

Black Blaze Face, Polled, Zoro is a Goldmine, Target prodigy, a combination we have found to produce outstanding results. Zoro is a bull that is really hard to fault and is named after his neat "mask" marking on his face. He is a thick, meaty, big time performance bull with a splash of chrome and an easy going nature. His maternal genetics have well put together udders, feet & legs. His mother is a black white face cow that always brings in one of our top performing calf each year. His sire Goldmine is a thick, soggy, easy keeping black bull that has put thickness and performance in all his offspring's. Zoro is "King" of the pen and he knows it!

Goldmine's Mother was purchased while he was in Dam from the Blacksand Dispersal. His pedigree brings a different outcross to our herd. He adds a ton of riband thickness to our bigger framed cows which has proven to be a desirable combination. Goldmine is structurally correct with good feet and legs. He is moderate framed, easy keeping, and good natured. We are calving his first crop of daughters and they are all very motherly, good milkers with tidy udders and nice dispositions. His bull calves are the highest performing group in our program.

We have raised Eagle Eye from a good Poker Face daughter and the A.I. bull Vision. Vision cattle have been in high demand across the Simmental industry and it is not hard to see why. Style, thickness and added chrome makes him very desirable. Eagle Eye is very easy calving, we have used him on our heifer the past 2 years with very good success. Eagle Eye is in the top 1% for calving ease, top 20% for birth weight, top 15% for weaning weight and top 15% for yearling weight. His calf crops have chrome and lots of style. Eagle Eye had a 80lb. birth weight, 927lb. 205 day weight and 1554lb. 365 day weight.

21C is sired by the A.I. bull Combustible. He is a real meat machine, thick long and a big butt. His mother, 469P has consistently raised one of the top calves every year. She is 12 years old and looks like she is 5. With his pedigree, Combustible and Mumbo, you know he is going to be great. 21C is a big power bull, weaning off at 1120lbs.

R Plus 6175D is a deep ribbed, thick, hairy bull with a easy going temperament. His off-spring's are our most consistent group of red Simmentals. He passes on his thickness and performance to these hairy calves. His pedigree brings us a total outcross to our herd. His Dam is super uddered, big volumed, and is a great producing female. His birth weight is 88 lbs., 205 day weight 894 lbs., yearling weight 1638 lbs. He is bringing in performance with a moderate birth weight.

	6.1	1.3	29.1	54.8	7.3	16.4	1.8		84	826	1255

This is the bull we used on all our Heifers last year and couldn't be happier. His calves average birth weight was 79lbs. They are coming out super easy and up and sucking as soon as they hit the ground. His bull calves are stamped all the same, thick and meaty with great performance. We expect 19Y's Sons to leave the same stamp.

Blackberry was purchased from Starwest in the Spring of 2015. We were very happy to get the total package we were looking for. His performance is outstanding with an adjusted 205 day weight of 1010lbs. He is Homo Polled - Polled pedigrees are very important to us, saving our Customers the added work load of dehorning calves. Passes on Pigmentation keeping red eyes and nuts on his calves. Super Disposition! Blackberry is very quiet and easy to handle and passes it on to his calves.

Record breaking individual performance, breed leading EPDs, two great cow families and tremendous eye appeal all wrapped up in one package. BW 83 lbs; WW 905 lbs; YW 1538lbs; Kickstart is in the top 5% of the breed for CE, WW YW, UDDR, TEAT and REA! His dam, 33N, and grand-dam, 002X, are two of the top proven cows in the breed with extremely high quality udders. Kickstart is thick from end to end, square rumped and thick quartered with a deep rib that carries all the way back to his flank. He has a straight top, clean sheath, clean front and is full of muscle. He has beautiful pigmented hooded eyes and a large dark scrotum, as well as being homozygous polled. One half interest topped the 2016 Churchill bull sale at \$125,000.

Long LOVE The LAND

Just arrived and already famous — that's Alberta Beef in a nutshell. It's the result of generations of Albertans like you who pour time, money and most importantly, heart and soul into raising cattle that are the envy of the world. It's a business, that's for sure. But it's more than that too. Much more.

You don't just follow the herd — you raise it. Stop by the Meyerthorpe branch or any one of our branches or agencies — we're in 242 Alberta communities.

Long Love This Land.
