BOX 1491 STETTLER AB T0C 2L0

Welcome! Welcome! Welcome!

I am thrilled to be hosting this first BOB Charolais "Bring On The Bulls" Charolais Bull Sale. After 24 years raising Charolais and this being my 18th Bull Sale, I have never been as proud or more pumped to bring a group of bulls into the sales ring. This year's group is the most even, most muscled, most well balanced and, overall, the most correct set of bulls I have ever raised.

The focus of my operation is to offer my customers a set of bulls that are uniform. You don't need to search through the pen to find the best bull, they are truly a solid group. The uniformity of these bulls can be seen not just in their size but in many other ways as well. One example is calving ease which is very important to me and is evident in the average BW (96.7 lbs) and average length of gestation (282 days) of my bulls. Hair coat is also significant in my selection of traits and is a factor now reflected in nearly my entire herd of cattle. Good disposition is a must and you won't find a quieter group to work with.

However, it is performance above all else that the Charolais breed is known for and that is still its biggest draw. In attempting to improve the various qualities I value in my breeding program I have not compromised this essential Charolais trait as the average weaning weight of 802 lbs that my bulls logged on August 30th clearly indicates. I invite and encourage everyone to come and check out the bulls for yourselves prior to the sale. They will be on site and ready for viewing beginning on Friday morning (Feb. 21st) at the Stettler Ag Complex and can be seen right up until the start of the sale at 2:00pm on Monday, Feb. 24th. The Ag Complex is an indoor facility so come down and enjoy a break from the cold while you look at the bulls and I will be available to assist and answer any questions you may have. To make decision making a little easier I am offering a volume discount of 5% when you buy 3 or more lots.

You are invited to arrive early and join us for lunch on sale day! Although I hope that everyone can attend the sale and buy bulls in person, there are alternatives if you are unable to be there. The sale will be hosted online by DLMS and I will also have representatives on hand who can bid on your behalf or while they have you on the phone; my goal is to make this bull buying experience an easy one!

Bring on the bulls!

Bob Burla

ANNUAL BRING ON THE BULLS CHAROLAIS BULL SALE

MONDAY, FEBRUARY 24 . 2020
STETTLER AGRICULTURAL SOCIETY

DIRECTIONS TO SALE

STETTLER AG COMPLEX
4516 52 ST STETTLER, AB

Internet Bidding Available

DLMS
www.dlms.ca

HOSPITALITY

I consider sale day as a customer appreciation day, past buyers not needing a bull this year be my guest to join us for lunch. Lunch will begin at 11:30 a.m.

VIEWING THE BULLS

The bulls will be at the Stettler Agricultural Society AG Complex from Friday February 21 for your viewing convenience right up until they enter the ring at 2:00pm.

BULL EVALUATION

All bulls sell with a passed semen test by a licensed veterinarian. Any decision deferred bulls selling comes with my and the vets guarantee to pass before they are delivered. Current weights and scrotal measurements will be made available sale day.

TERMS AND CONDITIONS

The sale will be conducted under the terms and conditions of the Canadian Charolais Association.

PAYMENT

The terms of the sale are cash or cheque payable at par at sale location on sale day. Any purchases made through DLMS, buyers will be invoiced and payment is due upon receiving invoice.

DELIVERY & BOARD

I offer free delivery on arranged loads to central points in Western Canada and will arrange for trucking to BC and elsewhere at minimal cost. I also offer a \$250 rebate off the total purchase price if you bring a trailer and take your bull home from the sale. Any bulls returning to my farm from the sale should be insured as any loss or injury is on the buyer from the time of sale. Uninsured bulls will be delivered as soon as possible following the sale at the seller's convenience and the rest will be delivered by April 1.

VOLUME DISCOUNT

I am offering a volume discount on the purchase of 3 bulls or more will receive a 5% Discount on The Purchase Price.

INSURANCE

My feeling on this is the best insurance you can buy is an extra bull. I will have information available on livestock insurance firms, cost and coverage and will forward documentation to the company of your choice. Bulls returning to the farm should have insurance, any loss or injury is on the buyer of the bull from the time of sale.

RIGHT TO DRAW SEMEN

BOB Charolais reserves the right to draw semen on any of the bulls in the offering for in herd use only; this will be done at the sellers' expense and the buyers' convenience.

SIGHT UNSEEN PURCHASE PROGRAM

I hope you are able to attend the sale, but if it doesn't work out that way give me a call. I will go over the bulls and recommend the bulls that suit your program's needs. I can then get you in touch with or have a member of my sale staff represent you in a professional manner. You can have the option of leaving an order or bidding over the phone. The sale is being broadcast on DLMS and you have the option to bid directly through them. Bulls are guaranteed to meet your approval when delivered.

CATALOGUE AND VIDEOS

All the bulls will be entering the ring to be sold, you can view catalogue and video online of each lot prior to the sale at www.cattlevids.ca or www.bobsbulls.com

- "I love, love this bull" sound familiar well it's the truth; you couldn't make a more balanced bull out of a powerful momma cow
- Buy this bull and you will feel like you won the Jackpot, BOB'S Chase The Ace 31G has herd sire written all over him
- An exceptional Bull and he has been right from birth.
- Tremendous length deep sided with loads of muscle and meat.
- Ranked number one in his group at weaning with a weight of 970 lbs. and an index ratio of 111
- All the Milestones have large well shaped testicles and 31G is a perfect example of this. His Navigator sister is the dam of BOB 3G who shows the same stylish appeal as 31G

REFERENCE SIRE

HTA Crown Prince 152L

- What to say about Crown Prince 152L, that picture though, look at that picture, talk about "Hot Tub Time Machine" WOW!!!
- Money well spent, purchased in 2002 from the Hi-weigh Breeders Sale from HTA Charolais, he sired a lot of really good bulls that sold through the 7 bull sales in Manitoba, he also sired SOS Princess Hanna 188R the maternal grand dam of Home Grown 15C along with 215 registered progeny throughout the Charolais Industry.
- HTA Crown Prince is a performance bull with some stretch, passes on great hair, super testicles in his sons and solid fertile daughters.

The folks at BOB Charolais always bring a quality and functional set of sale bulls. Bullseye feeds is excited to be working with their operation.

The bulls feeding program is built to maximize forage utilization and gut health. The bulls are developed on grass with their moms and then moved onto a balanced

diet that promotes lean muscle growth. Organic minerals are used to ensure proper immune function and over all health of bulls. The overall nutritional health and development of the bulls and the entire cow herd is of utmost importance and is constantly being tweaked to meet environmental and seasonal conditions.
