FULLY GUARANTEED...**

As we celebrate 30 years, we would like to welcome you to our annual bull sale on behalf of the Howe and Rosso families. Certainly this would not have been possible without the support of our customers who have become our friends over the last 30 years. We are extremely proud of the set of bulls we have on offer this year. These bulls are the result of over 80 years spent in the purebred business by the Howe and Rosso families.

We have followed a strict selection protocol to bring you the very best set of bulls that we have offered in the last 30 years. These bulls are the result of a hardworking set of cows where good feet, legs and udders are taken very seriously.

This will be the 14th year we have sold our bulls by video auction. Our customers are happy with the video auction concept and find it much easier to analyze the bulls when you are able to see them move freely in a natural environment. The sale will again be broadcast by DLMS for your convenience.

We are very proud of our offering and are willing to stand behind all of these bulls. If you have any questions about the sale offering please feel free to contact any of the consigners for further information. If you cannot make it sale day, we are more than happy to help you find your next bulls through our Sight-unseen program or bid through the DLMS online sale broadcast. You can buy with confidence from our programs.

Thank You and See You Sale Day!

Howe Family Farm

In putting together our catalogue it is hard to believe that we have been breeding Charolais cattle since 1968 and Angus cattle since 1985. We believe it is no accident that this set of bulls is this strong. These bulls represent what we have strived for over the last 52 years. They have very moderate birth weights and still have the growth and performance the breeds represent to the commercial industry.

You have to appreciate the hair coat these bulls carry along with strong feet and legs and cleanliness through the sheath. These bulls are all from strong cow families that speak for themselves in what the bulls have sired for sons/daughters.

With the increasing demand for 2 year old bulls, we decided to set aside a group of young and promising calves to sell to this market. We brought these bulls along with our yearling bulls on a moderate gain/developing ration until April. They were then switched on to a high forage/backgrounding ration until turned out on pasture in August. In November we brought these bulls in along with our own herd sire's to finish their development into the phenomenal set of bulls you see.

Take a look at the pictures and videos of these bulls. You can see that this is as strong of a set of 2 year old and yearling bulls as we have ever offered to producers. We feel you will find something to fit your needs.

We are proud of every one of these calves and that's why they wear our brand on their hip.

We currently calve 300 cows between the two breeds. In 2018 we bred our first group of cows in the fall to provide more extra aged bulls for our future sales. In 2019 we bred a second group of cows in the fall. Look for our aged bull offering in 2021.

Welcome to Rosso Charolais

The Rosso's at Dillon and Raelynn's Wedding 2019

For over 36 years, Rosso Charolais has been committed to a breeding program using very few sires to maintain a consistent product. We purchase herd bulls to walk in our pasture allowing us to analyze their breeding drive under ranch conditions and sire large numbers of sire groups to compare. Providing our customers with a better product!

We welcome you to our 30th sale! Please join us for lunch, a visit and a beverage. If you have any questions please feel free to give us a call.

JCAV 46E - New Rosso Charolais Herd Sire
Watch for his bulls in upcoming sales.

Take a look at the bulls actual weaning weights to compare the weights of your weaned calves.

From weaning, Rosso Charolais bulls are fed rations to grow and develop, not fatten. The bulls are fed a 62-65 TDN grain ration and alfalfa hay.

Numbers are subject to amount of feed fed. We believe in calving ease, and cattle that will work for you on the range.

TERMS AND CONDITIONS

Terms: The terms of this sale are cash or cheque at par at Moose Jaw unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

Disputes: In case of disputes, bidding will be re-opened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision is final.

Purchaser's Risk: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence.

Certificate of Registry: Each animal will carry papers issued by the Canadian Angus and Charolais Associations. A certificate of registry duly transferred will be furnished to the buyer for each animal after settlement has been made.

Breeder's Guarantee: Should any bull, 14 months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within 6 months following date of purchase or 6 months after the bull has reached 14 months of age. The seller will then have the right of privilege of 6 months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Right to Draw Semen: The consignors of the Howe Family Farm and Rosso Charolais sale reserve the right to draw semen on any bull at the buyer's convenience.

Exception Guarantee: In case where the animal is subject to any hormonal or surgical reproduction techniques after the sale, this guarantee is null and void.

Settlement: Transportation charges on animals returned to the seller are for account of purchaser. No incidental expenses such as feed, care, AI, signing fees, interest, veterinary charges etc. will be charged by either party when making settlement. If the seller is successful in proving the animal in question to be a breeder then said animal will be reclaimed by the purchaser at their expense. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement FOB ranch or locations of origin or a refund of actual price FOB selling point. In no event, shall the seller be responsible for more than the purchase price paid FOB selling point. Should a dispute arise over the quality of the replacement animal, Sales Management will appoint a mediator.

Accidents: Although every precaution will be taken to protect the safety and comfort of buyers, neither sales managers, auctioneer nor Association assume any responsibility in this matter and disclaims any liability legal or otherwise, in the event of accident or loss of property.

Rights and Obligations: The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding. Resale of animals following purchase in the sale shall constitute a separate transaction and the rights and obligations of the two parties concerned there to are not covered by the terms and conditions of this sale.

Health: Cattle will be guaranteed exportable.
