Welcome

We have an exciting group of bulls on offer again this year! McTavish Farms Ltd is located just off the #1 highway in the southeast corner of Saskatchewan, 6 miles east and 2 ½ miles north of Moosomin.

We are offering yearling Charolais & 2 year old Red Angus bulls, built to calve and perform when the time comes. As far as the type, the bulls are structurally sound, moderately framed, stout, easy fleshing herd bulls with excellent temperament and thick hair coats backed by superior cow families.

Bulls are NOT CREEP FED; they are raised on momma's milk and grass prior to weaning. The Charolais bulls are weaned mid September and the Red Angus are weaned late October depending upon weather and grass. All bulls offered for sale are raised as breeding stock and are developed as such. Bulls are developed on a silage based TMR to gently target gains of 3-4 lbs/day. The rations are designed to build muscle, not fat! Red Angus bulls are developed on a slow grower ration the first year and then grown out on grass the following summer. All bulls are semen tested; vet inspected and scrotal measured prior to the sale. Vaccinations are up to date on all bulls in the sale. Bulls are vaccinated twice with Bovi-SheildGold/One Shot and Ultrabac 7, once in the spring prior to kick out to pasture with their booster shots done in the fall at weaning time. All are given Ivermectin at these times, as well as 45 days prior to sale day. Safeguard is given to weaned calves once they are eating well. Mothers are vaccinated yearly prior to breeding season with Bovi-

Sheild FP5 and Tasvax. The two year old Angus bulls will be Trichomonas foetus tested.

It is always a hectic time of year but we always look forward to bull sale time to reacquaint with old friends, customers and meet many new cattlemen in search of genetics to enhance their breeding program. The genetics we offer on MARCH 27, 2020 are geared to work in any breeding program. I have culled extremely hard again this year. There isn't a bull in the sale that I would not hesitate to use in my own commercial cow herd. We have concentrated on traits like calving ease, vigour at birth, sound udders, and temperament and maternal qualities. Here at the farm we believe that bulls need to be able to calve but you also need to have the pay weighs at weaning time. We believe that our genetics will work in any kind of environment and we are confident that they would work for you. We would be honoured to be considered as your genetic source for your next herd bull.

Jordan Moore of CHARLA MOORE FARMS joins us again as guest consignor. It's always a pleasure working with Jordan. Please join us for lunch before the Annual Bull Sale. If you need help in any way, don't hesitate to give us a call. Videos will be available at www.mctavishfarms.ca

Come to the farm any time prior to sale day to view the bulls and their mothers. Hope to see you here on the 27th of March.

SOS HOOEY PLD 127D

SOS 127D :: Feb 23, 2016 :: PMC709167

The Hooey calves that are being offered on the following pages speak for themselves. Hooey is adding pounds, disposition, & impeccable structure. He is surpassing all expectations, which is saying something because the expectations for this bull where pretty high! This bull checked off all of the things that I look for in a new herd sire; hair, disposition, structural soundness, and comes from one "wicked" cow family.

This is one impressive bull! Not many bulls are built as thick & deep and still softly made. One of my favorite things about this bull is that his mother is one tremendous cow. His calves are soft made with ample amounts of thickness and depth of body.

Stout & deep! Has that extra dimension of thickness as all Hooey calves do. Mother is a very easy doing Monument daughter. Elder's Charolais selected her daughter as the "pick of the herd" in 2018.

Terms & Conditions

TERMS The terms of this sale are cash or cheque payable at par at the sale location. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

ANNOUNCEMENTS All announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to such announcements.

BIDS Every animal consigned to this sale must be sold by auction. No private sales will be allowed except otherwise provided for in the terms and conditions. No buy-bidding will be permitted. Each animal will be sold to the highest bidder. Mail or wire bids may be furnished in the confidential form to the sale consultant, auctioneer or ringman. Bids must be received in sufficient time prior to the sale.

BREEDER'S GUARANTEE Bulls: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported to the seller within six (6) months after the bull has reached fourteen (14) months of age. The seller will then have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze. The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

EXCEPTION TO GUARANTEE In cases where the animal is subject to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

SETTLEMENT Transportation charges on animals returned to the seller are for account of the purchaser. No incidental expenses such as feed, signing fees, interest, veterinary charges, etc. will be charged by any party by making settlement. If the seller is successful in proving the animal in question to be a breeder, then said animal will be reclaimed by the purchaser at his expense. Should satisfactory replacement, FOB ranch or location of origin or a refund of the actual purchase price paid FOB, selling point. In no event shall the seller be responsible for more than the purchase price paid. Should a dispute arise of the quality of a replacement animal, the executive committee will act as mediators.

CERTIFICATE OF REGISTRY The proper registration papers, as the case may be, will be dually transferred and furnished to the buyer for each animal after settlement has been made.

PURCHASER'S RISK Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchasers risk for a reasonable amount of time.

DELIVERY Every effort shall be made to assist buyers in arranging transportation.

ACCIDENTS Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales consultant, auctioneer, or breeder assumes any responsibility in this matter and disclaims any responsibility, legal or otherwise, in the event of accident or loss of property.

RIGHTS & OBLIGATIONS The above mentioned terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of the animals following purchase of this sale shall constitute a separate transaction and the rights and obligations by the terms and conditions of this sale.

SALES GUARANTEE All cattle will be sold under the Canadian Charolais Association code of ethics.
