Welcome to the 9th Annual Pro-Char Bull Sale at the farm. On behalf of our entire family, I would like to offer thanks and appreciation to everyone who has supported us in our previous sales. I have been Breeding Charolais seed stock for over 30 years and I am so appreciative of the support we get from such a high percentage of repeat buyers that keep coming back each year to support our program. You will notice this year that only Pro-Char bulls are selling. Over the past 8 years it's been great working with our friends and sale guest consignors The Johnson's & Klepper's but with everyone's cow herd's expanding and bull numbers increasing things changed a little.

This years Bull pen will consist of many of the same type Bulls, moderate, easy doing, with lots of hair and consistent birth weights. If you have any questions on the Bulls, or our program feel free to call anytime.

The bulls will be videoed and the videos are available for viewing a couple of weeks before the sale at www.prochar.ca. They will be penned outside and awaiting your scrutiny pre-sale, but sold inside our heated shop for your comfort. Make sure to come early to have a good look at them because they will not enter a ring on sale day. Internet bidding will be available for your convenience through DLMS, please give Mark a call with any questions or to register before the sale. Make sure to be early to be our guests for a pre-sale luncheon and some refreshments at 12:00 noon. See you sale day,

David Prokuda

Customer Testimonial

“ Three years ago I bought 2 Heifer Bulls from Pro-Char to breed my Sim/Angus commercial replacement heifers. We calved 47 and assisted 3. Calves turned out real nice and fit in great with the rest of my Char cross calves in the Fall. The neighbours got excited one day when they stopped in to tell me my Charolais Bulls had broken out with my heifers! They haven't seen anyone in our area breed heifers to Charolais Bulls. They worked very well for me!”

TERMS & CONDITIONS

TERMS - The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable time.

ANNOUNCEMENTS from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - The proper Registration or Recordation paper, as the case may be, will be duly transferred and furnished to the buyer for each animal after settlement has been made.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is

assumed by Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

GUARANTEE - All animals will carry standard breeding guarantee as specified by the Canadian Charolais Association & Canadian Simmental Association. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Owners, auctioneer, or Sale Staff assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both.

Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.
