ALTA CUSTOM COLLECTION

For over 50 years, we have offered a custom collection, storage, and global distribution service based in Alberta, Canada, for your privately-owned beef bulls.

WE OFFER LOCAL SERVICES FOR A GLOBAL MARKET. Our passion for the industry, our care for the bulls and our operational excellence are second to none. We offer private storage and a complete line of AI supplies and tanks.

Supported by our applied advanced laboratory technology, we are qualified for owners, domestic, export, EU and China.

Now offering the option of custom collection sexed semen!

provide scholarships to
three CJA members each year.**

Triple L Miss Essence 59J

**We are selling Triple L Miss Essence 59J by a 'Dutch' Auction at the National Angus
Sale at Canadian Western Agribition, Regina on Friday, November 26.
Please join us there !**

What is the Canadian Angus Foundation?

One of the important pieces of history for the Canadian Angus Association was the development of the Canadian Angus Foundation. Incorporated in 1993, the Foundation is run by a group of dedicated volunteers. The main functions of the Foundation are to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research and historical preservation and restoration.

Mission

The Canadian Angus Foundation functions to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research, and historical preservation and restoration. The Canadian Angus Foundation was incorporated in 1993 and is the charitable arm of the Canadian Angus Association.

Vision

With inspiration and bold initiatives, we create opportunities to grow our Angus legacy.

The Canadian Angus Foundation is committed to fulfilling their mission statement and is currently supporting initiatives in Canadian Angus research, working on a living history project to bring our archives to life and developing educational programming. Support of scholarships and awards for young breeders and junior members is ongoing.

Help Support the Canadian Angus Foundation

There are various ways that you can support the Foundation. It is with your help and care that the Foundation is able to offer different programs to Canadian Angus Association members from coast to coast, both breeders and supporters of the Canadian Angus cause who donate and purchase in support of our Foundation and our national youth.

You can support the Canadian Angus Foundation throughout the year through donations to scholarships and awards such as the Outstanding Young Angus Breeder and the Robert C. McHaffie Junior Ambassador, as well as travel bursaries and junior shows. This support also includes providing junior and young breeders the opportunity to learn and grow in areas of leadership, marketing, technology, and Angus production as well as opportunities for non-livestock youth to learn about our industry. Funding is also provided to assist with speakers and events targeted at member education.

Contact the Foundation to find out more information about the area you are interested in supporting.
www.cdnangus.ca/foundation

The future of Canadian Angus is all about preserving and expanding the Angus breed for future generations through education, youth development, scientific and market research and historical preservation and restoration. Help support the future and brand it your own today!
