33	<i>Exhibited by: Wadella Ranch, Wade & Justin Joorisity - Kipling, SK</i> Breed of Sire: simmental Breed of Dam: simmental cross Exhibitor Biography: This is our fourth year taking part in the open heifer show and sale here at CWA. We have been fortunate enough to have been very successful each outing not only in the show ring but the sales ring as well. Since becoming a part of the CWA commercial heifer show and sale we have been able to market a large percentage of our heifer calves as replacements to top commercial herds. this years offerings are females that we have selected right from the top of our program. sired by bulls we have selected for soundness, performance as well as maternal traits. These are the type of females we like to keep in our replacement pen and are the type that continue to work for us. Palpated open and safe for breeding on November 3rd.	Pen Weight: 3472	Avg Weight: 694
36	<i>Exhibited by: Siroski Simmentals, Brett Siroski - Davidson, SK</i> Breed of Sire: Simmental Breed of Dam: Simmental cross Exhibitor Biography: Siroski Simmentals is located in Davidson, SK. Brett Siroski is a third generation farmer that has a passion for grain farming and Simmental cattle with his young family.	Pen Weight: 3706	Avg Weight: 741
