JUDGE PROFILE: JOSH ENGLEHART

I live in Iona Station, with my wife Emily, and two Daughters, Austin and Cooper. We have a small farm where we currently have a flock of commercial Suffolk sheep. I am an agricultural equipment salesman for a local John Deere dealer. Work closely with a well known purebred Angus and Limousin herd, preparing and showing their string throughout the fall. Grew up showing through the 4-H path, showing steers and eventually moving to the purebred side. Excited to be judging at the Fallsview Jackpot, to pass tips and tricks along to the juniors that I have learnt over the years. Thanks for giving me the opportunity.
