MEET OUR JUDGES

Vern & Eileen Davidson

Vernon & Eileen Davidson first began to raise commercial cattle in their early married lives, both having grown up on mixed commercial cattle operations in southwestern Saskatchewan. Together they reached out to diversify, owning and operating a feedlot alongside their commercial cattle operation. They fed their own, purchased more steers and marketed the finished beef product directly to beef plants. Following that product through to the rail was a great education to better hone their eyes to the criteria that would produce high yielding beef carcasses and the best returns!

As their family grew, they decided to further diversify and developed a small herd of purebred registered Gelbvieh cattle, under the name Davidson Gelbvieh. That was over 35 years ago!

The first Friday in March 2022 will mark their 33rd Annual Bull Sale hosted on their ranch, selling 100+ yearling bulls, at Ponteix, Saskatchewan along with their son Ross, his wife Tara, and family....Lonesome Dove Ranch. Always holding in high esteem their valued repeat clients, they sell to many commercial producers, both locally and internationally, and to seed-stock producers too.

Their operation has won many awards and their cow herd has consistently been recognized for producing many Dams of Merit and Dams of Distinction as credited by the Canadian Gelbvieh Association. Beginning in late January each year, Vernon and Eileen will calve over 200 head of purebred registered Gelbvieh cows, both black and red.

Family is very important and Vernon and Eileen are proud of their children and grandchildren. They have 1 daughter, Carla, an Executive Director at The Bridgepoint Center who is married to Mario Chabot, a member of the Royal Canadian Mounted Police. Vern and Eileen's eldest son, Glen, a Journeyman Carpenter, and his wife, Julie, own their own business. Julie is also an Associate Broker at Realty Executives. Their son, Ross, and his wife, Tara, own a large herd of both purebred Gelbvieh and commercial cattle. Tara is a Recovering Range Land Biologist. Tyler, their youngest son, is a Land Consultant and a large commercial cattle rancher. He is married to Melanie, a Regional Marketing Manager with Farm Credit Canada. Vernon & Eileen are blessed with 11 young grandchildren ranging in age from over 4 to nearly 16 years of age.

Vernon & Eileen have shown cattle for many years at various venues including Farm Fair International in Edmonton, Alberta, Canadian Western Agribition in Regina, Saskatchewan and the National Western Stock Show in Denver, Colorado. They have shown at the Lloydminster Stockade Round-Up in years past and always appreciated this great event!

They value the friendships they have made over many breeds of cattle and realize the credible difference it has made on their business. They acknowledge the commitment fellow breeders continually make to exhibit cattle; always learning, marketing, and bettering their individual herds and breeds.

The Davidsons have enjoyed judging many shows and events including large commercial events, national breed shows, 4-H events, The Toronto Royal, The Supreme at Farmfair International and The Supreme at Canadian Western Agribition. Vernon and Eileen would like to thank the organizing committees at the Lloydminster Stockade Round-Up for asking them to judge and wish all exhibitors the very best as they market their programs!

People Advancing Animal Nutrition.™

Masterfeeds

an Alltech company

SHORT ON FORAGE? WE CAN HELP.

Masterfeeds offers proven beef rations including cattle pellets and cubes to supplement or completely replace forage where needed. Feed recommendations from one of our Beef Account Managers will address your beef herd needs by boosting nutrition, improving feed efficiency and increasing profitability.
