*Bar Heart Ranch Horse &
Guest Consignors Horse Sale*

August 6, 2022

Preview at 11:00 am Sale at 2:00 pm

Irma, Alberta

Welcome to our 25th horse sale. It is now the longest running horse sale in Alberta and Canada. 988 horses have gone through our little sale so far. The twelfth gelding in our sale this year will be our number 1000. He will be special. From the very start we have told people exactly what they are, what we have done with them and still do to this day. It's simple, but it works. Due to the fact I'm not getting any younger, we have branched out and added some exceptional cowboys that have been training some of our horses. They are handy and know their way around a horse. We have top end consignors that are appreciated. A special nod to the Bennett Ranch, they have been with us since day one. We are proud of what we do and why we do it.

Salt is a big, beautiful, black gelding. Started as a two year old he has been on our ranch ever since. Salt has been my personal mount for the last four years. I enjoy him, he is soft to ride, locks on to cattle well, and can pull the big calves with ease. He knows how to lug on the rope, always saved for the end of a branding. Salt makes me look like I can rope. When I'm not riding him my granddaughter, Sawyer, is and they make a good team. He has been a good partner and a dandy gelding.

Starting in April calving cows, sorting pairs, sorting and loading bulls, checking pastures, then fall round-up in Oct/Nov, these have been his duties. Fox has been turned out for the winter months and then brought back in beginning of April and is the same horse in the spring as he was in the fall. Saddle him and he is ready to go to work when you are. Has been exposed to team roping but I have not used him for that. For more information or questions contact Kelly Kidd at 306-753-7490

Braden Bernier

5 Year old percheron cross gelding. Uncle Deadly has been used in the harness driving double every winter since he was a 2 year old to do chores with. He was the horse we drove on our wagon for our wedding. This good looking gelding has doctored cattle and branded calves. Very light in the bridle. Will stop hard and turn over his hocks with ease. He is super cowy and real fun to use for sorting. He is a friendly horse, always looking to be caught and loved on. Can be rode bareback with a halter. Cinch up, step on and go. Turn key easy to ride. Family favorite horse around our outfit. For more information or questions please contact Braden Bernier at 306-940-8938

Roped colts and has drug lots of calves. He travels flat and smooth. He is a once in a lifetime horse. For more information or questions please contact Braden Bernier at 306-940-8938

30. Sorrel Gelding Draft Cross 2019 Grade HH

Bar Heart Ranch

Ridden By: Adam Jamison

Ranger is draft cross 3 year old. We are not sure of the percentage, but he looks lika a quarter horse with extra bone and substance. Ranger is kind and gentle with a smooth gait. Adam Jamison is riding and enjoying him. He is climbing foothills, crossing rivers, and handling cattle daily. I have a weakness for draft cross horses, they like people and have an inner calm.

Styx 3FB73 has been a pleasure to drive since the day we got him. We have owned him for the past 6 years. Styx came off the track as a trotter at 5 years old and was sold as a saddle horse. We purchased him from a private farm north of Calgary. As a carriage horse, he has been fantastic. Not bothered by traffic, even large trucks. He pulls this beautiful JustinCarriage works, Victorian Wedding Carriage with ease (serial number 49073). A seven mile round trip to the post office to collect mail on Sunday afternoon or taking our friends and family to jaunts around the countryside was his primary use. Building a business for use at weddings would be a natural progression. Walking him through hotel valet drop spots in heavy traffic to drop our kids at their prom venue was a pleasure. He stands well to harness and is very easy to drive with a simple snaffle. Harness has biothane driving lines and leather harness and tugs. Loads, trailers, and is great with the ferrier or wash bay. Not comfortable to ride, but can really move out well under carriage at a trot. For more information or questions please contact Dave Jeffers at 250-827-3150
