The National Junior Charolais Show & Conference
JULY 27TH - 30TH

Welcome

On behalf of the National Board and the Canadian Charolais Youth Association, we would like to welcome everyone to the 2022 Conference and Show in Renfrew, ON. The planning committee has been working hard to make sure that this year's conference is one you won't forget! We're very excited to be hosting the conference in Renfrew this year and are looking forward to spending the week in such beautiful facilities.

Welcome to all new CCYA members! I hope you enjoy your first conference! Remember that the National Board members, as well as all conference attendees would be happy to help answer any questions you have. This will be a great week so get ready to enjoy it!

We would also like to thank our sponsors for the show this year. Without your support, this conference would not be possible. Also, thanks to the Ontario Charolais Youth planning committee, who has put a lot of hard work into the 2022 conference.

We hope everyone has a fantastic week in Renfrew making memories with friends, new and old! Goodluck to all the youth members this week!

Haley Rosso
National Board President
Canadian Charolais Youth Association

On behalf of the Board of Directors and staff of the Canadian Charolais Association, we would like to welcome all participants and parents to the 2022 Canadian Charolais Youth Association Conference in Renfrew.

The CCYA Conference was created many years ago to promote education and to develop leadership to supply the tools to help our future breeders succeed. This annual summer event has also proven to develop friendships that will last a lifetime. Today, within the CCA membership, there are many successful breeders that are graduates from CCYA and are doing business with other breeders who they developed a relationship with and became friends through the CCYA program. As time passes, the memory of who won will fade but the memories of the fun and friendships will continue to grow.

The Board and staff of the CCA would like to congratulate the volunteer organizing committee, the CCYA board and all the sponsors for their generous support. Thank you to all who put in countless hours to make this the great event it is.

Craig Scott
General Manager
Canadian Charolais Association

Our planning committee has been hard at work to get everything organized and ready for the conference. We are excited to welcome you and hope everyone has a fun and successful week here in Renfrew. We would also like to thank our sponsors who have made this week possible. If there are any questions throughout the week don't hesitate to ask any member of the planning committee!

Wanda Snobelen is an established Charolais breeder who grew up in Dobbinton, ON on a family beef farm. Wanda now lives in Ripley, ON with her husband Sam. Wanda has been a lifelong proud advocate of the Charolais breed throughout Ontario and Canada. She is a long-time supporter of Charolais youth and is an experienced and trusted advisor to many within the Ontario Cattle scene not only the Charolais breed. As a versatile, core element of the everyday tasks on the farm Wanda can be found in the barn or on the combine and everything in between.

BY Livestock Helge and Candice By have been a staple around the Canadian and International Charolais associations for a very long time. They pride themselves in growing this breed from the junior level up and have shown that with making it to every single CCYA conference possible donating their time to picture the event. In recent years they have been founding members of the Charolais Charbray International Youth Program, a program that brings youth from across the globe to meet and create partnerships that will be beneficial in the future of the youth and to growing the breed as a whole.

Black Family Keith, Karen & The Black Family. The Black family has been breeding Charolais cattle for over 50 years. Keith and Karen have had many roles within the industry from being a long-time member of the Ontario Charolais Association in which Keith was president for two years, all the way to Karen being the adult advisor on the Charolais Youth Association and organizing the conference to be held in Ontario in July 2022. Keith and Karen have two wonderful children, Courtney, and Tyson both of which have continued to be involved in the Charolais industry by attending 14 conferences to date. The Blacks are strong supporters of youth events outside of just the Charolais events, they have been 4H leaders, members, and mentors for many youths and have embraced many youth into their program allowing them the opportunity to show their cattle. The Charolais industry is very lucky to have a hard-working family that is willing to go above what is required and to have all four of them continuously volunteer their time for many events.
