5. Seller agrees to pay all government deductions (i.e.: Brand Inspection, A.B.P, Livestock Security, and Insurance), plus a clearing charge of \$3 per head manifested on delivery day.
6. +/- is defined as no more or less than 10% over or under the stated head count.
7. Cattle that are considerably heavier or lighter than the base weight, may need to be renegotiated by a sales Rep at the time of delivery to assure cattle pricing is fair based on video sale day pricing.

9. On the day of delivery of the cattle, the seller and a S.A.L.E. representative will be on hand to witness the weighing of the cattle.
10. Contact a S.A.L.E. representative for further information regarding any cattle requiring export testing and documentation.
11. All lots consigned through Auction Markets other than S.A.L.E. will be lifted and processed by those Auction Market's Representatives.
