GRASSLANDS SHEEP EXHIBITION

FLEECE COMPETITION

July 22-23, 2023 at Humboldt Uniplex in Humboldt, SK

A photograph showing a large number of wool fleeces packed in clear plastic bags, arranged on tables in what appears to be an auction or exhibition hall. In the foreground, there is a table with a grid pattern and some papers.

**ONLINE FLEECE AUCTION
TO FOLLOW AT A LATER
DATE**

Information and entry forms available at
www.sksheep.com or www.prairiefibreshed.ca

WELCOME TO #GRASSLANDS2023

The Saskatchewan Sheep Breeders' Association was established in 1909 by a group of sheep producers who wanted to improve the sheep industry in Saskatchewan. As a group, they knew they could promote the sheep industry, deal with significant issues, and support each other in raising high-quality breeding sheep by working together.

SSBA members come from across the province and other provinces, producing both purebred and commercial sheep. There are breeders of 17 different purebred breeds as well as several crosses.

2023 is the 46th year of holding the Grasslands Sheep Exhibition. We are all very proud to have been able to continue what those in 1977 started. From Vanscoy, Assiniboia, Drake & now Humboldt, all the venues have ended with the same result of promoting the production & sale of high-quality purebred & commercial sheep in Saskatchewan.

Our goal is to make the Grasslands Sheep Exhibition a lasting tradition for many years to come, so we appreciate your attendance. Partnering with the Saskatchewan Sheep Development Board for the Grasslands event is a great pleasure. The Grasslands Sheep Exhibition team would like to thank everyone who contributed to its success in 2023.

Saskatchewan Sheep Breeders Association

Executive

President - Courtney MacDougall

Vice President - Royce Lodoen

Past President - Nathan Trowell

Secretary - Gord Schroeder

Treasurer - Pamela Bartlett

Other Board Members

Tyler Fettes, Matt Govan, Jo Walker,

Kim MacDougall, Blaine Walter, Chad Haaland

WELCOME TO #GRASSLANDS2023

The Saskatchewan Sheep Development Board (SSDB) with its office in Saskatoon, has been given responsibilities and authorities under a specific mandate enacted by legislation, “The Agri-Food Act 2004” and the “Sheep Development Plan Regulations 2013” to promote and develop the sheep industry. The Board of directors and staff of the SSDB work hard on behalf of Saskatchewan sheep producers for the benefit of all producers in the province.

*Mission Statement

To enable the growth of the Saskatchewan sheep industry through supportive programs and services.

*Vision Statement

Leaders of a prosperous sheep industry.

*Mandate

Our Vision and Mission is achieved by:

- Representing and responding to the needs of all sheep and lamb producers of Saskatchewan.
- Providing an effective communication channel.
- Providing marketing options and market information for lamb producers.
- Providing resource stability to the Saskatchewan Sheep Development Board.
- Providing education, extension, and information transfer to assist producers in maximizing returns for lamb, sheep, and sheep products.
- Ensuring access to sheep supplies.
- Promoting the lamb industry, the consumption of lamb and the use of sheep products.
- Implementing the strategic plan developed by the sheep industry for the sheep industry.
- Working in cooperation with other industry groups, marketing associations, commissions, and committees which have objectives consistent with those of the Saskatchewan Sheep Development Board.
- Working in partnership with the Saskatchewan Ministry of Agriculture

The Saskatchewan Sheep Development Board is pleased to be partnering with the Saskatchewan Sheep Breeders to bring you the 2023 Grasslands Sheep Exhibition.

LAMB BANQUET

Tickets for the Provincially sourced lamb banquet are available for \$30.00 per Adult and \$14.00 for children ten and younger! There will also be a fun auction held at the banquet. Tickets are available through the SSDB office prior to the event or can be purchased at Grasslands. To ensure there is enough lamb, advanced tickets are preferred. Please join us for a great evening!

AUCTIONS

A silent auction will occur throughout the event, a fun auction will happen at the Banquet, and a few high-valued items will be auctioned live between the Commercial and Purebred portion of the sale. All proceeds are shared between the SSDB and SSBA. We greatly appreciate all donations! To donate items, don't hesitate to get in touch with the SSDB office or bring your donations to the event.

Sale Terms and Conditions

Sale Start Time - 1:00 p.m. Sunday, July 23rd, 2023

Auctioneer: Scott Johnstone

Online Bidding: DLMS

Buyers: All buyers must register before being eligible to bid at auction. Full settlement must be made with the Treasurer of the Saskatchewan Sheep Breeders' Association on July 23rd, 2023 prior to animals leaving the barn... No exceptions. Payment can be made by cash, cheque, debit or e-transfer. No credit card payments will be accepted.

Guarantee: Ewes & rams entered in Grasslands Sheep Exhibition Sale are guaranteed by the consignor as breeders. The consignor will stand behind their animals, & if any problem arises, they are to be handled directly between the seller and the purchaser.

Risk & Removal: All animals are at the purchaser's risk as soon as they are sold. No animals are to be removed from the barn until full settlement is made & receipt is issued. Present receipt to Barn Boss for inspection. All animals must be removed from the facility by 6:00 p.m. on Sunday, July 23rd, 2023

Errors: If any errors are noted, corrections will be made from the auction stand. All announcements at sale time, written or verbal, will supersede any written information in this catalogue.

Liability: The Saskatchewan Sheep Breeders' Association & the Saskatchewan Sheep Development Board & their respective directors &/or employees accept no liability that may occur. Accidents at sheep show & sales are very rare, but all attending do so at their own risk.

Show & Sale Managers:

Matt Govan - 306-320-1875

Royce Lodoen - 306-662-9093

Treasurer: Pamela Bartlett - 306-482-8381

We have had great success with the perennial pasture mixtures, the various legumes and grasses helped increase our production while lowering fertilizers costs. Cover crops after silage or green feed is beginning to be an integral part of our operation to help extend our fall/early winter grazing season with a high-quality feed.

Braden Douglass,
Douglass Agro Ltd., Gem, AB

UNION FORAGE

Canada's Forage Innovators

Silage Programs To Maximize Revenue/Acre with a Second Silage Crop or Extended Grazing

Impressive turnip and grazing forage rape regrowth, even in a year where rainfall was poor to say the least. Our silage averaged a ton more with Union Forage blend and stayed green for a longer harvest window.

Perry Rasmuson, Moosomin, SK

I've made my pastures work for me summer and winter, thanks to the Union Forage guys. You can trust what they tell you. The Union Forage swath-grazing mixture was seeded in June, it grew well and created a lot of forage for the cows as well as putting energy and nitrogen into the soil. The Goliath forage rape is frost resistant to -10 C, so it keeps growing late into the year.

LOT 53

SANDY HILL JORGIE 12J

Mature Ewe * Twin * December 24, 2021

Scrapie Genotype: AARR

Sire: Oakchurch Ruben (UK Ram)

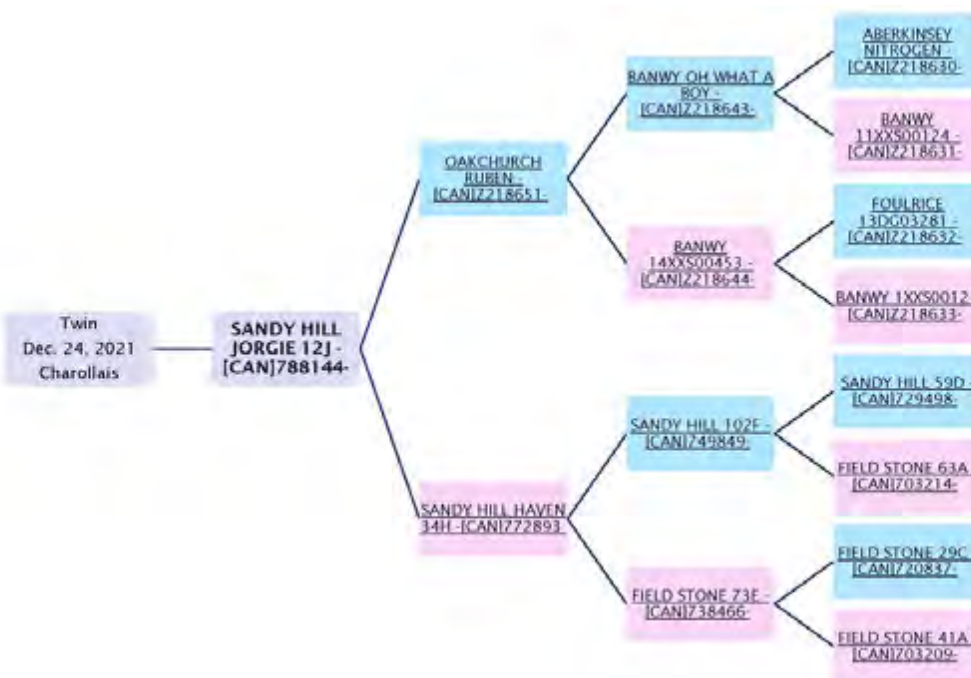

Genovis:

Gain 97%, Mat 96%, Mat-HP 92%

Jorgie is a very powerful ewe with excellent conformation, length and tremendous width and muscling, yet very feminine. She is one of our top yearling ewes but we have decided to bring her to Grasslands, albeit reluctantly. Her Genovis stats are pretty impressive too. Her sire, Oakchurch Ruben, is one of the top UK Signet recorded rams.

Ewe Lamb * Single * January 10, 2023

Scrapie Genotype: AARR

Sire: Sandy Hill JamesBond 33J

Genovis:

Gain 99%, Mat 98%, Mat-HP 96%

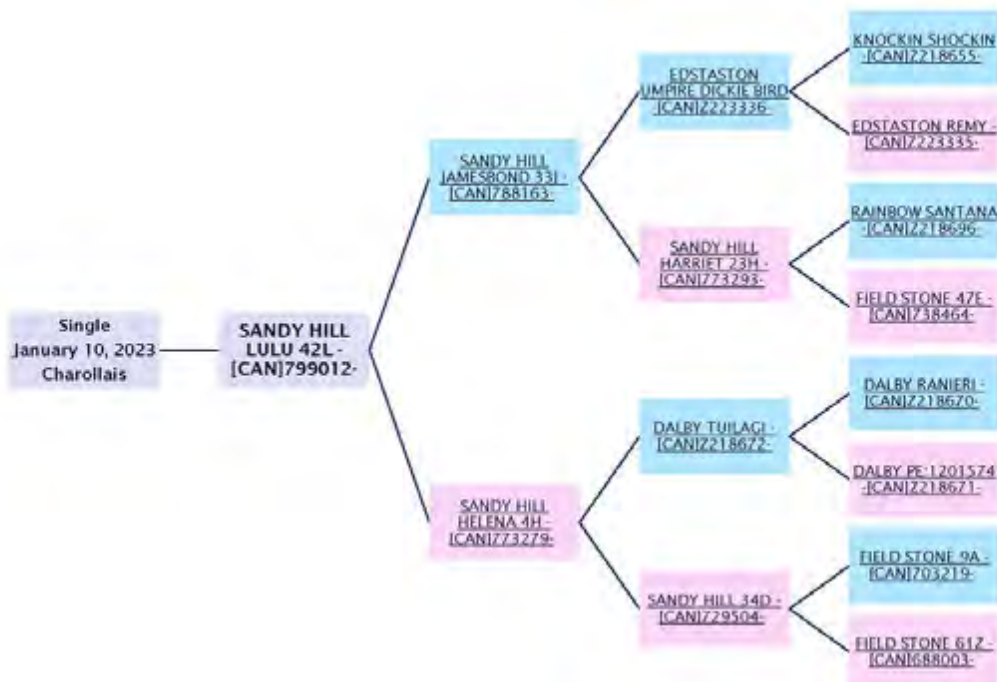

Lulu is a very correct ewe lamb with lots of power, excellent length, width and muscling. Her sire, Sandy Hill JamesBond33J, is currently the #4 Charollais Ram in Canada on Genovis for Gain.

Her Genovis stats are pretty impressive as well, being top 1% of her breed for Gain, and top 2% for Mat.

LEG LADYBUG 20L

Ewe Lamb * Twin * February 2, 2023

This ewe is my top ewe this year. She weaned at 75 lbs at 78 days. I love the balance and growth of her. Her dam has proven in all three of her lambings that she's setting the bar. Every single one of her lambs has gone onto my keeper pen, but I pulled LadyBug out so she can do well in someone else's flock. LadyBug's sister won third at Agribition in a class of 7.

Her sire has proven himself to pass on thickness, depth, fast growth, length and great bone. She has it all! Don't miss the opportunity to bring her home.

Breed: Katahdin

Katahdins**

LOT 63

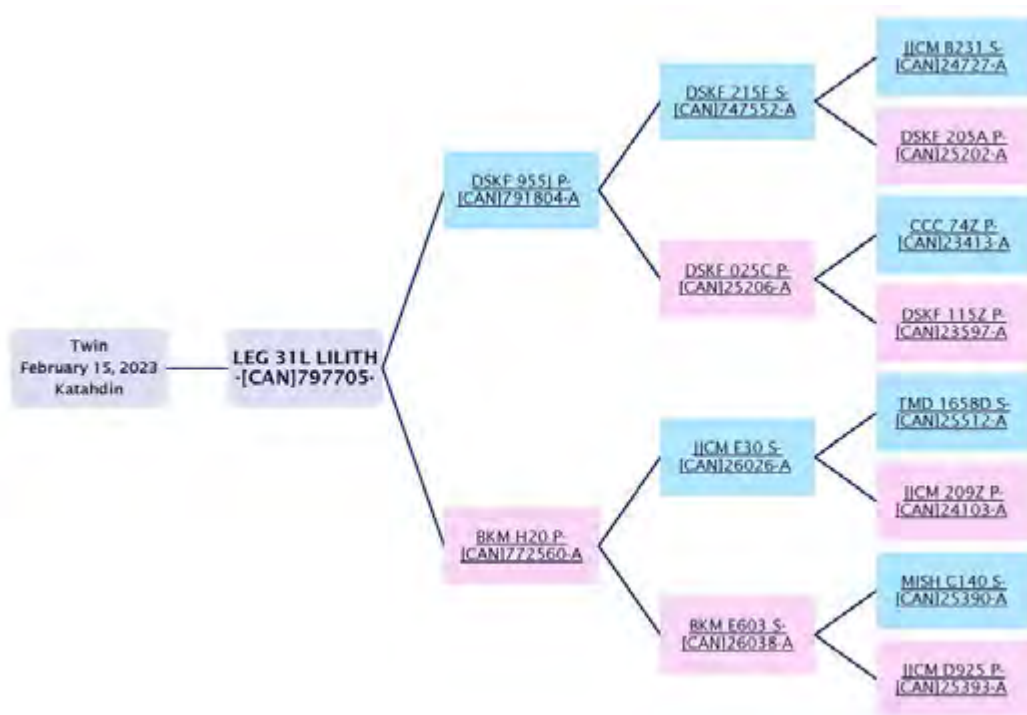

LEG 31L LILITH

Ewe Lamb * Twin * February 15, 2023

This ewe will be a fantastic addition to any flock. Her dam raised a ram that won 3rd at Agribition in 2022 for her first lamb, then raised triplets on pasture with only grain supplementation for the first month, and she didn't lose condition. Her dam has an amazing udder and is part of my foundation flock. Her sire has proven to throw thick-set, big-boned and long-loined lambs. Lilith is muscular but feminine and should add chunk to her babies. She was right out of my keeper's pen.

Breed: Katahdin

LOT 64

PRK 2L

Ewe Lamb * Twin * January 20, 2023

PRK 2L is a twin born on January 20, 2023.

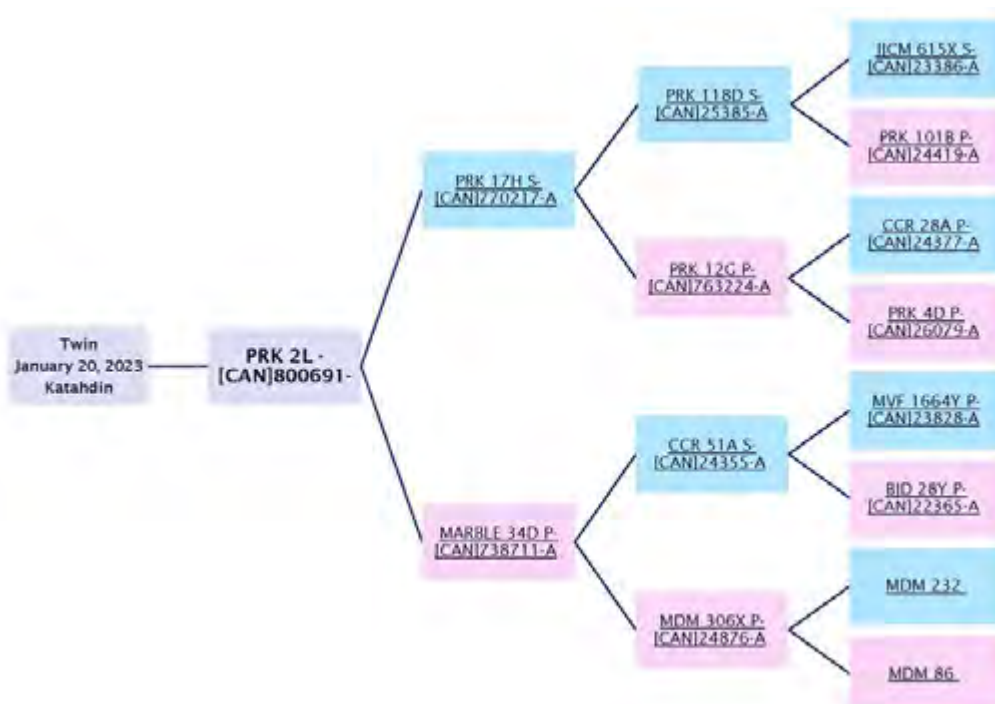

Sired by PRK 17H, a very colourful, eye-appealing ram. Dam is Marble 34D which is a small framed, good milking ewe that easily raised triplets.

This beautiful brown ewe lamb has the genetics for great maternal traits and growth.

This thick-boned, easy-keeping ewe lamb has Canadian and US genetics as well.

Breed: Katahdin

**Consigned
By:

SANDY HILL LONE WOLF 39L

Ram Lamb * Twin * January 6, 2023

Scrapie Genotype: AARR

Sire: Sandy Hill Hotshot 9H

Genovis:

Gain 99%, Mat 99%, Mat-HP 97%

Powerful ram lamb with excellent length and muscling, very correct with lots of width. His Genovis stats are pretty impressive also, being top 1% of his breed for Gain and Mat. Like his sire, he will add length and meat to his offspring.

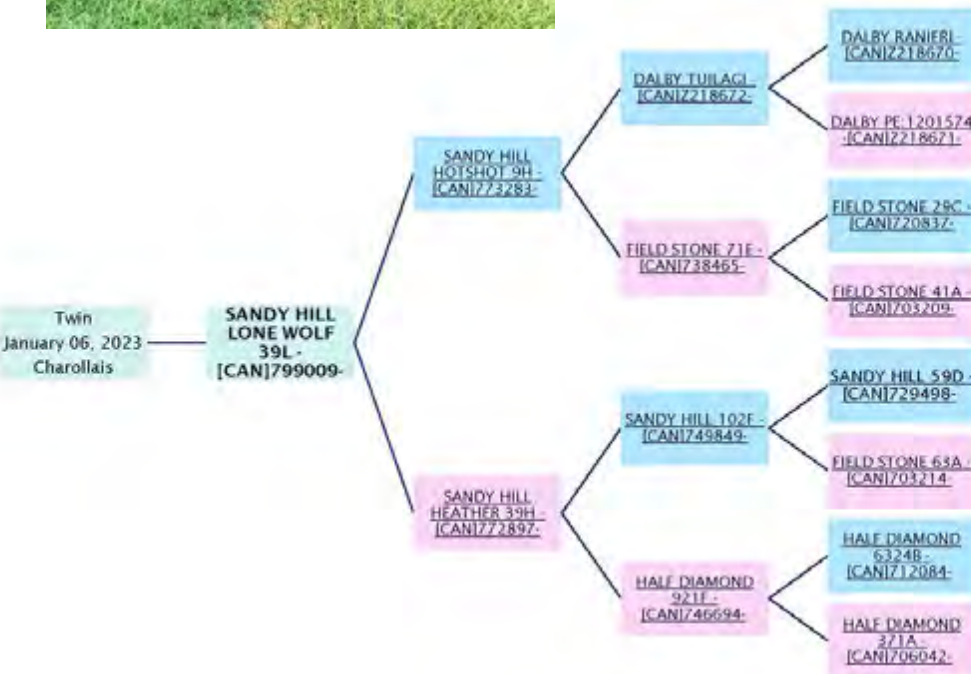

His sire, Sandy Hill Hotshot 9H, is currently Canada's #1 Charollais ram on Genovis for Gain.

His Genovis data and Registration are in the comments.

He was tattooed 36L by mistake, but CLRC is aware, and it has been corrected on his registration.

ROCKING S RANCH

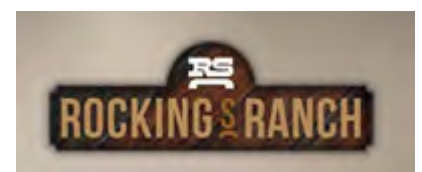

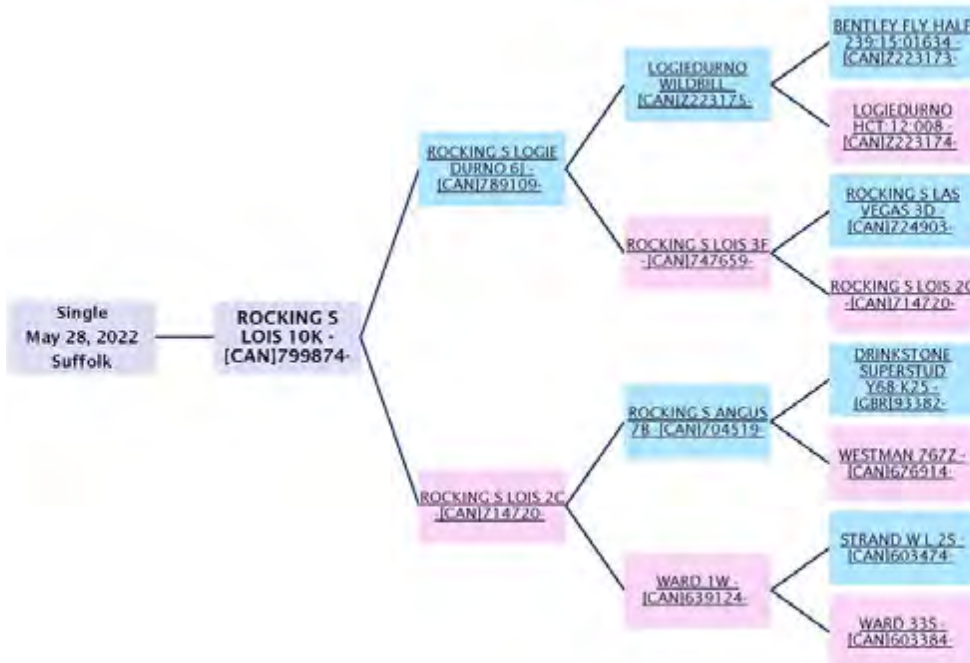

LOIS 10K

Yearling Ewe * Single * May 28, 2022

Lois 10K is a beautiful yearling ewe that combines femininity with performance all in one package. She is sired by Rocking S Logie Durno 6J, an AI son of Logie Durno Wild Bill. RS 6J was the high-selling ram in my 2022 Genetics of the UK sale to Jordan Livestock. The dam side goes all the way back to the foundation WARD 1W ewe that started my flock and was in production until 11 years of age, so there is a lot of longevity in the dam side as well. This ewe combines the best of maternal genetics from the UK with the Drinkstone Superstud lineage. 10K's pedigree is stacked with Agribition champions - Angus 7B was a Champion Suffolk ram at Agribition, and the Ward 1W ewe was Champion Suffolk ewe at Agribition twice and once won the Supreme Ewe Championship. This ewe is Maedi Visna negative and Scrapie RR. She comes sire parentage verified, and her DNA is on file with the CSBA. Our health program consists of Glanvac in utero and annual Glanvac and Anthrax vaccinations at shearing time. Parasite control is done twice per year with either Safeguard or Valbazen. This is a yearling ewe I am very excited about, and it was a very difficult decision to offer her for sale. Take advantage of the opportunity to own a genetic gem with Lois 10K.

ROCKING S RANCH

FARGO 12K

Yearling Ram * Twin * May 29, 2022

Fargo 12K is a powerful ram by Rocking S Logie Durno 6J, which was the high-selling ram in our 2022 Genetics of the UK Sale to Jordan Livestock.

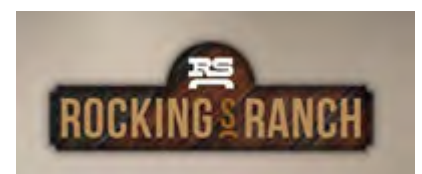

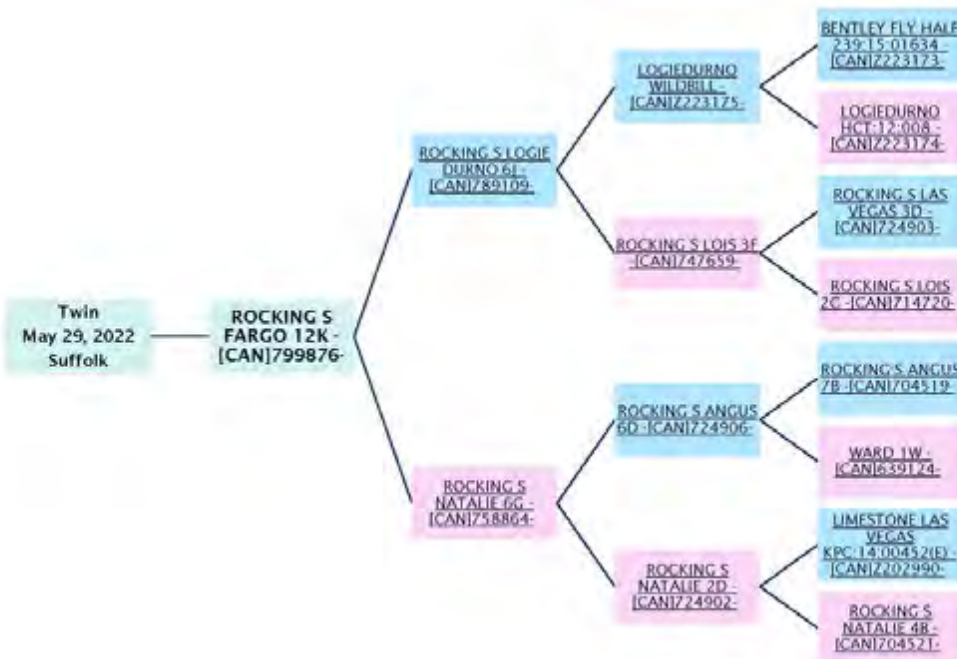

12K combines both length and depth of body with moderate bone.

Looking at his pedigree, you will see UK genetics right through his sire and dam sides. On the dam side is a cross that never missed in our breeding program, the combination of Limestone Las Vegas with Angus 7B, which was by Drinkstone Superstud. RS 12K will sire offspring that excel in growth from birth to weaning, and because there is so much maternal strength in his pedigree, you will want to retain as many females as you can in your own flock. 12K's grand-dam, Natalie 2D, was one member of the best pair of ewes of all breeds at Agribition in 2018.

RS 12K is Maedi Visna negative, Scrapie RR is sire parentage verified, and his DNA is on file with the CSBA. Our health program consists of Glanvac in utero and annual Glanvac and Anthrax vaccinations at shearing time. Parasite control is done twice per year with either Safeguard or Valbazen. Take this opportunity to add a powerful ram into your program with RS 12K.
