Welcome to our 53<sup>rd</sup> Annual Bull Sale!  
Everyone and I mean Everybody involved in the cattle  
business right now is absolutely beaming with their calf cheque!!  
The last time we saw these kind of prices was in 2015  
and it lasted only one year.

I do believe this will stick around longer this time as our cow  
numbers are on the way down and demand for beef is at an  
all time high!

Congratulations to programs selling bred heifers this fall ...

I just watched a very nice group of true half-blood  
(Red Simmental/Angus heifers) from Cornerview  
top the market at \$4,650!

We have a terrific set of bulls this year again so here's your  
invitation to come and celebrate 53 consecutive years of  
supplying your Red Angus genetics.

The first five lots of our 53<sup>rd</sup> Annual Bull Sale  
all of which have been here at this venue of the  
Fort Macleod Auction Market  
are sons of our cherished Reba 49D cow.  
Check out DLMS.ca farmgate Auctions on  
November 19<sup>th</sup> for the Reba 'Fancy' Gathering Sale  
for more on this phenomenal cow!!  
Her first four sons to sell have averaged \$22,000  
(three right through this very ring).

*A real sale feature here! The only off-age bull we have  
and he's a stand alone - stand out kind of a Herd Sire prospect.  
He's a September born very low birth weight heifer bull candidate for sure.  
His sire was our \$27,000 high seller to WRAZ & Red Ember in 2020.  
He was featured on the WRAZ Dispersal catalogue last fall.  
His first daughters now in production are gorgeous. 4K's dam is a big  
strong Assassin daughter with tons of volume, great feet and beautiful  
udder. She was an \$11,500 feature at WRAZ Dispersal and is now owned by  
the International Fabulous Females group and leads their Donor division.*
