# 2024 Judges and Officials

**Jonathon Thomason** ~ Along with his wife Kyla and 4 children Emma, Nash, Tyler Jean and Bronwyn they own and operate Wiwa Creek Farms. They raise registered Black Angus cattle, and are one of the longest running Angus programs in Canada. Their annual bull sale is the fourth Saturday in April.

**Jay Sibbald** ~ Compass Ranch is a multi generation family in the Angus business and will be celebrating 52 years in the business in 2024. The Compass brand was registered in 1888 and is still to used today. The Sibbalds strive to produce cattle that excel for both the purebred and commercial cattlemen focusing on maternally bred females with excellent feet, utters, temperament and fleshing ability. Their bulls also must be easy doing, excellent footed, and have a quiet disposition and highlight their annual Bull Sale.

**Tyson Gardner** ~ Hails from Gardner Livestock, a quality Simmental operation just west of Olds. Tyson along with wife Lisa and daughter Emma are true entrepreneurs with four businesses including TyKem Electric while also being very active on the farm. Tyson is a 4-H & Calgary Stampede International Youth Livestock Scholarship Winner and has his name on every aggregate and judging trophy in Western Canada.

**McKenzie Paget** hails from Olds, AB where her family runs Golden Oak Livestock, a purebred Hereford and Angus operation. Growing up, she attended junior shows throughout the province and made many lifelong friends along the way. She completed her Bachelor of Agriculture majoring in Animal Science in 2023, where she then accepted a position in Southeast Saskatchewan working with the Saskatchewan Ministry of Agriculture. Her days now consist of seeing more black cows than Herefords, windy days and a continuing passion for agriculture. McKenzie is excited to be back at Summer Synergy, alongside Garrett.

**Garrett Liebreich** grew up on a multi-generation family ranch near Radville Saskatchewan, Merit Cattle Co. His family operation runs about 200 purebred angus cattle and market their stock primarily through a female sale in December and bull sale in March. Garrett competed heavily at junior shows and in the 4-H program. After high school he attended Hutchinson Community College in Kansas on a livestock judging scholarship where he was a competitive member of their national team. Throughout college and after he has had the opportunity to work for some of the most prestigious operations around the world. Working on national champions in Canada, the states, Mexico and Australia. He is currently at the family farm with his parents, Trent and Janelle, building the Merit brand.
