He has a beautiful head set, great bone and super flashy with his unique dark front leg with a cool white streak running through it. Sargent has a great work ethic and is a pleasure to be around in the barn. He's great with his feet and loves the wash rack baths. He has a wonderful laid back personality and handles new situations with ease, he never gets too excite, I've used him to break other horses to drive because of his great personality. He has the born broke personality. He would make a great hitch horse, carriage horse or whichever direction you would like to take him.
