

ALLANDALE ANGUS *Dispersal Sale*

Friday December 5, 2025
At 12 PM at Vermilion Livestock Exchange

Welcome

The original Allandale Angus began with my grandfather in the 1930's on a farm Northeast of Vermilion. He ran a herd of approximately 50-60 cows at that time. I spent a lot of time throughout my childhood at my grandparents' farm which helped build on the interest I've always had in livestock. I bought my first purebreds in 1999, and it seemed fitting that I carried on under the herd name Allandale Angus. In the beginning I ran both commercial and purebred, until making the decision to concentrate strictly on purebred cows in 2010.

Initially the herd began with numerous bred heifers purchased from my good friend Ernest Gibson of Everblack Angus. The first group coming from cow families such as The Annie's, The Rosebuds and The Black Nance's. Over the years, some other prominent cow families added such as The Forever Ladies, Prides, Ruby's, Georgina's just to name a few. I always believed to buy the top end bulls out of the best mothers to make my cow herd as maternal as you can. I am very proud of the herd and also very sad to see it go, but all good things must come to an end.

Over the years we've successfully taken bred heifers to consignment sales such The Northern Select, The Ladies of the West, and Form & Function. We first started marketing our bulls with Everblack at their Annual Bull Sale up until 2015 when Allandale Angus held its first annual bull sale. We celebrated our 9th annual sale this past March.

About 10 years ago I told myself I was going to stay in cattle the business until I was 70 and here, we are. Four years ago, we were calving 135 purebred cows but in preparation for this sale, started to cull hard and kept only our very best cows and bred heifers.

With the help of my good friend and right hand man Peter Wilkinson, my good neighbor Mitch Barr, my son Ryan who's become a big part of my cattle crew, my oldest grandson Brogan doing anything Bumpa asks, my other grandchildren Harper, Brady and Hendrix helping when they can, and my daughters Keily and Shannon also lending a hand with the behind the scenes jobs, Allandale Angus has been a success over these great years. Thanks goes out to the picturing crew of Jeff, Kailey and Kendra. (For Designing a Great Catalog) I also owe a big thank you to Mark Holowaychuk of OBI for all his help, advice and guidance over the years.

And what's you next for me? I'm going to carry on with my family, grandkids and my hobby, racehorses! We've had some successes so far and are looking forward to more to come.

Please do call me or Mark from OBI for any questions regarding the very strong offering.

OBI Livestock Ltd. Welcome

Welcome all to the Allandale Angus Dispersal Sale. Wayne and I have become very good friends over the past 8 years, and I am honored to be managing this special event for him and his family. It is time for Wayne to disperse, and this sale was planned for 2 years now.

Allandale Angus always have bought the top end bulls when they needed them and using top AI bull as well. You will see the great pedigrees throughout the catalog. Herdbulls like HF Showtime 78H (\$80,000), HF Outlier 49G (\$20,000), HF Tony 102K (\$24,000), Pedersen Kian 70K (\$20,000), Bar-E-L Global 26E (\$16,000) and LLB Perfection 309M (\$20,000) have taken this program to the next level. All out of top end dams that made this year so very maternal and productive as you will see throughout the catalog.

Cow families are sure a top priority here and we have made the book that way. The Forever Lady, Donna, Ruby, Floressa, Pride, Georgina, Annie and Lucy are the larger ones but do take a look at the smaller ones as well as they have been very productive for Allandale Angus as well. Udder and foot quality has been a working project and Wayne did succeed! All lots have their production records in the footnotes to show you what they can do for you.

The bred heifers and heifer calves are the example of what the young females will become for the new owners. Sound, functional cattle that are bred for the long haul. We have hand selected 15 bull calves to sell in the sale showcasing them with their dams. Calves as always at the farm, do not get creep feed as well.

The cattle can be viewed at the farm 2 KM west of Vermilion until December 2, then will be at the Vermilion Livestock Exchange 2 days prior the sale. Please call Mark from OBI or Pete or Ryan for a herd tour. All animals were preg tested with estimated due dates given by the vet.

I would like to thank these folks for all their help in preparation for this Dispersal Sale. Pete, Ryan, Keily, Mitch, John & Heather, Kendra, Kailey, Darcy, Roger, Chelsea and Jeff. These are the folks who helped us Preg testing, picturing, tattooing, vaccinating, and weaning. Your help is greatly appreciated.

If any of the sales staff, member of OBI Livestock Ltd can help you, please feel free to call us. We are very familiar with the offering. No videos were taken of the cattle, come see them, you will not be disappointed.

Mark Holowaychuk

Sale Information

VIEWING OF CATTLE

The viewing of cattle at the farm can happen any day leading to the sale; call ahead please. Cattle will be displayed at Vermilion Livestock Exchange from December 3 to Sale Day. All cattle will have Ear Tags with Lot Numbers and tattoos corresponding to the Catalog.

TERMS OF SALE

The terms of the sale are cash or cheque, payable at the sale location. The right of property shall not pass until after settlement, no invoicing to buyers in attendance, unless previous arrangements have been made. All cattle will sell under the standard terms and conditions set forth by the Canadian Angus Association.

BIDDING

Every animal entering the sale ring will be sold to the highest bidder.

DISPUTES

In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision of all disputes is final.

ANNOUNCEMENTS

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to any such announcements.

BREEDER'S GUARANTEE & PREGNANCY INFORMATION

As this is dispersal, all females will sell with no further guarantee. All serviceable age females will have been pregnancy examined by an accredited vet.

DNA TESTING FOR 2026 CALVES

Allandale Angus will pay for any issues with the 2026 calves. Call Mark from OBI or Wayne at Allandale Angus.

MATURE BULLS SELLING

The Mature Bull (Lot A) selling will have passed a semen test prior to the sale, and the semen papers will be at the sale for insuring this bull. This bull will not be wintered by Allandale Angus, and they need to go to their new home's sale day.

BULL PURCHASES AND WINTERING

Terms on 2025 Yearling Bulls is 100% due sale day. A wintering program is available on all bull purchases. A wintering fee of \$750 per bull calf is payable at the time of sale to the salesclerk. Bulls returned to us for winter must be insured. Bull calves taken at the time of the sale will sell with no further guarantee. All bulls must be picked up by April 30, 2026, after they have been semen tested and ready to go. These bulls are 100% Guaranteed and will all be Semen Tested. If They don't pass a semen test, the value will be given back or replaced with another bull of equal quality.

CERTIFICATE OF REGISTRATION

Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry transfer will be furnished to the buyer after the full and final payment has been made.

EPD'S

EPD's are current at the time of Printing. Breed Averages are the following:
BLACK ANGUS - BW: +2.1 WW: +55 YW: +96 MILK: +23 CE: +3.2 MCE: +6.0

TRUCKING

Please do bring your trailers to the sale as all cattle will be leaving the Auction Mart Sale Day. Please do make Prior arrangements if unable to bring a trailer. Cattle can leave anytime from Auction Mart as Long as paid for with the clerks. We will also be coordinating trucks the next day if we need to do so. All costs are for the purchaser.

LIABILITIES

All people attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that OBI Livestock Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to its obligations.

Reference Sires

HF Showtime 78H was the \$80,000 Lead off bull from Hamilton Farms that we partnered with Double F Cattle Co. to obtain. Showman X Echo 86D, you know the progeny will be leading genetics. His has been a mainstay in the herd since, siring very marketable and consistent cattle with great BW and WW across the board. His bred heifers have topped a lot of sales the past few years. His bull calves are the first people acquire about at the farm every year and have had many high sellers. His daughters selling here will be sale features.

A bull we purchased from the good folks at Bar-E-L Angus and this guy sure has done it all for us. Sale features throughout the catalog from Global. The key when I bought this bull was his dam, MVF Tibbie 75X. She was a Donor cow from Mountain View Farms & Bar-E-L Angus. She carried her maternal strengths into our herd as you will see in the catalog. Again take note of his daughters, they are an impressive group.

Coleman Bravo 6313 was used a lot in the Allandale Angus herd for his calving ease, marketability and the ability to build great females. As we all know, the best operations have the cow herd base to back them up and Bravo sure helped this process a lot. Many daughters and granddaughters selling today.

HF Outlier 49G was another top end purchase from the Hamilton Farms operation. Note again the Echo cow family here, one of the best at their ranch. This bull was a breeding machine and yes, he is a power bull. Sound, functional cattle with extra size and jam. His females can be found in the 2021 to 2023 Models.

HF Tony 102K (Tony the Tiger) was purchased with Everblack Angus to re-introduce the Kodiak 5R influence into our herds again. What a great decision it was, his calves are sure standouts this fall. His bred heifers will be sought after as well. This bull as well was a breeding machine for us. He also is the service sire to a lot of the cows on offer, so you will see what those calves will do for you, extra rib, extra size and very powerful calves. He is not selling in the sale as Everblack Angus will continue to use him. Co-Owned with Everblack Angus.

LLB Perfection 309M was a top seller at the 2025 LLB Bull Sale this past spring. When Mark saw him, he called right away in February to discuss this bull. Then we gave the green light and bought him. This bull was so thick and easy doing that travelled so well. He is an Ellingson Profound son out the Evening Tinge Cow family tracing back to the Great HF Evening Tinge 57R, the donor dam for Johnson Livestock. He was a breeding machine in the bred heifer pen with 90 percent on the first cycle.

This Bull Sells!!! Wayne surprised us all including Kurt when he bid once on this bull and owned him at the 2023 Pedersen Bull Sale. Sometimes that Wayne knows what he is doing. Look at this guy's pedigree, the great Pedersen Mardi 5C and out of Merit Kingsman himself. Hard to find a better one out there. The Kingsman progeny at the MacNab Dispersal were a hot commodity. Pedersen Livestock also has had many top sellers and many daughters off limits in the herd. He has bred heifers and 2025 calves in the sale and serviced many cows as well. Bred well again this spring with 90 percent on the cycle. Easy doing, moderate framed with a great foot under him.

History lesson!! Rob Holowaychuk ran a sale at Agribition called The Prairie Lillies Female Sale and eventually Dryland Forever Lady 713 was purchased by Allandale Angus for \$5,000. Well, what a decision it was by Wayne. She is the cornerstone of the Forever Lady cow family until Lot 13 and what family it is. Dryland Forever Lady 713 was flushed at Allandale Angus. Note the great GDAR Forever Lady 9136 Cow in there owned by Dryland Farms then Eastondale Angus & Johnson Livestock. She was one of the best cows in the land. Just call any of those breeders and they will confirm this. Dad always told all, you need to own a Forever Lady in your herd so here is another chance to do so.

Allandale Forever Lady 51Y got the notch for being Lot 1 in the Dispersal. This female captures your eyes every day you see her. She is 14 years of age and holds it together very well. The foot quality in this cow family is just awesome. Her 2025 calf died on us this year. A very productive cow that never missed calving in her career and bred early again. 2022 Northern Select daughter to Linden Cattle Co. 4 direct daughters in the sale. She will become a Donor Cow for her new owner and bred early in the first cycle again.

Allendale Forvever Lady 18B is a direct daughter of 51Y and out of Lookout Pacesetter 258M. This is very rare opportunity here with this pedigree. Tremendous foot on her and very good uddered cow. Productive again going 10 for 10 on calving records. 3 bulls sold commercially. Top end female, 41E pictured here to Country Lane Angus in the 2018 Northern Select Sale. What a job she has done for them. 18B also bred nice and early again. 4 daughters selling.

31K is from our HF Outlier 49G bull tracing back to 18B (Lot 2). She is a moderate framed female with great feet. She weaned off a bull calf at 740 lbs. Bred nice and early to the Kingsman bull.

EXPOSED APRIL 11 TO
AUG 30 TO HF TONY
102K. DUE MID JAN.

Here is one to take note of, 46H is a tremendous made Forever Lady that sure does pose for the camera. Again, very good footed and uddered female. She is a direct daughter of Lot 1 (51Y) and Bar-E-L Global 26E. She had a Late March heifer calf. 4 for 4 in her career. She caught right up bred to Tony the Tiger for a Jan calf.

EXPOSED FROM APRIL 20 TO JUNE 20 TO MUSGRAVE MANHATTAN 303. DUE MID MARCH.

Coleman Donna 6205D has been a great cow for us. She is extremely long spined, has a top like a table, and is a pleasure to be around. Her production record speaks for itself. She has sold 9 progeny at auction averaging over \$17,000. Some notables would be a \$35,000 son to Belvin Angus, a \$14,000 son to Arda Farms, a \$21,000 daughter to MWC and a \$21,000 daughter to Linden Cattle Co. She is bred to Musgrave Manhattan 303 who was Everblack's pick of the Rob Roy sons at Musgrave's Sale in 2024. He goes back to the Musgrave Prim Lassie 329 cow who has made a name for herself in the Angus breed. Co-Owned with Allandale Angus & Everblack Angus.

Here is another entertaining story for you all on Merit Pride 7136. She was another Prairie Lillies Female Sale at Agribition form Merit Cattle Co. She was in the same truck at Dryland Forever Lady 713 and Rob Holowaychuk convinced Wayne he needed to own her as well. As you all know, Dad would sometimes buy cattle then place them somewhere after the sale. Smile to everyone he did this to. Well Wayne benefited huge again, as Merit Pride 7136 entered the donor pen eventually.

39C is a direct daughter of Merit Pride 7136 and she is another deep, broody cow that sure is noticed. She is out of a bull that Allandale bought, SAV 9969 Rito 2242, you will see a lot of him the pedigrees, raising larger framed power cows. 6 for 8 for her career. Selling with her Kingsman March 16 bull calf weaning off at 610 lbs. 1 daughter, Allandale Pride 44E to Elliott Bros. and 2 daughters selling.

DUE MID JAN.

Allandale Pride 24K is
a beautiful Coleman
Bravo 6313 daughter
that we really do like
a lot. The Coleman
Bravo 6313 progeny
have sure made the
cow herd at Allandale
Angus even stronger.
She traces back to a
female we got from
Crescent Creek Angus.
2 for 2 her short career.
Weaned a March bull
calf 610 lbs.

EXPOSED APRIL 1 TO AUG 30 TO PEDERSEN KIAN 70K. DUE MID JAN.

The Lucy Cow Family came from a purchase from Lewis Farms, LFE BA LUCY 132A and we really like this group of females on offer. This is yet another very productive cow family. 21F is a clean fronted cow with a great udder. She is an U2 Prime Cut 162D daughter that raised a tremendous HF Showtime 78H as Lot 64A. 21F was 5 for 6 for her career. Bred Mid Jan to Kingsman.

Here is a fan favorite! Take note of this female. Purchased from Carpathian Land & Livestock (Emily) at the 2022 Northern Select Sale. She comes from the Erica cow family at Riverside Angus. 152J is a tremendous SAV Renovation cow that is deep middled, big barreled and very docile. Daughter sold at the 2024 Northern Sale to AJS Ranch Ltd. And she has one of the best heifer calves on the ground there. This year's heifer calf by Allandale Bravo 46K is one of the best to sell. She is bred Mid Jan to Kingsman, another exciting coupon. What a Pair!!

WWS 17H (PUREBRED ANGUS)

EPDS	BW	WW	YW	MILK	CE	MCE	ACT	BW
-	-	-	-	-	-	-		82

EXPOSED APRIL 11 TO AUG 30 TO HF TONY 102K. DUE MID FEB.

Here is the mystery lot, we could not find out who the dam is. She is WWS 17H and her sire is HF Showtime 78H, but we will sell her an Unregistered unless we find out by sale time. She weaned off a March calf at 615 lbs. Due Mid Feb to Tony 102K.
