Atlasta Angus

Welcome from Atlasta!

On behalf of Judy & myself it is a sincere pleasure to welcome you to our 20th Annual Bull Sale & Seriously Black Select Female Sale.

My goal as always, is to provide a service to you, our customers an opportunity to acquire cattle that have strong maternal genetics, very top end performance and are easy fleshing! They must be structurally sound, combined with the best dispositions we can find. Also, it is imperative our Herd Bulla & A.I. Sires have top end carcass traits in the cattle industry.

This year's sale offering includes 62 outstanding Jan – Feb born bulls along with 8 coming Two-Year-Old bulls. All our herdsires have also given us 40 of our very best bred heifers in the offering. The pick of the 2026 born heifer calves will be available for auction once again.

It is my pleasure to have our friends, Spencer & Cheyenne Klassen at Stormy River Cattle Co. join us with a solid group of yearlings and Two-Year-Olds. Nikki Ross once again did an amazing job of picturing our offering and her videos can be viewed on NikkiRossCattleServices.com and Cattlevide.ca. Mark Shologan and his crew will be available on sale day. A very special thank you to Megan Bond and her mother for an outstanding job of prepping the cattle.

Prior to sale day, please feel free to call or stop by the farm for viewing. Call Mark, Roger or myself anytime on the cattle. Thank you from the bottom of my heart for your interest. See you sale day.

Brian

Seriously Black Female Sale at 1 PM
immediately followed by the
*20th Annual **Atlasta Angus Bull Sale***

Welcome from OBI Livestock Ltd.

It is our pleasure to be working with the great family at Atlasta Angus this year. I welcome you to the 20th Annual Atlasta Bull Sale & Seriously Black Select Female Sale. Yes 20 years, what an accomplishment for the Sutter family. Congratulations are in order here!!!!

What a set of bulls this year from the front-end right to the back end, very uniform. By using top end A.I. sires and purchasing herdbulls that continue to raise very powerful bull calves are the basis of what you will see this year. The bulls were sorted into 3 pens by sire groups primarily with good bulls in each of the pens. We also have some two-year-old bulls as well to service more cows for you. Also new this year, we have a guest consignor, Stormy River Cattle Co. with 11 bulls in the offering.

Brian, Roger and I have selected this great set of 40 bred females, and you get to choose which one or sweep the ring. If only one gets selected Brian will gladly keep the other in the herd. Great opportunity here from the foundation cow families at Atlasta Angus. It is amazing the longevity of Brian's cow herd, take note of how many dams are 10 years or older.

We have been through the offering many times and sure can assist you if you need, so please do not hesitate to call any member of OBI Livestock Ltd. or Brian directly and we will take care of your needs. See you all December 13 at the farm. I will be there the entire day before the sale to answer your calls or questions.

Mark Holowaychuk

The second year we used Hometown 1L on our bred heifers. His dam is flat outstanding is why we had to own him. She is a picture-perfect cow that has been a favorite at their farm. GAR Home Town is a huge Carcass sire with great EPDs. 1L himself carries on those numbers as well as a 73 lb BW with an 819 WW and 1376 YW. Calving ease with explosive growth.

High Selling bull from the Remitall Bull Sale 2024 tracing back to an Elite Dam, Beauty 179F and on the sire side, Coleman Triumph. We buy these new herdbulls from top end foundation cows to make our herd even more maternal than it is. Reason why our cows last so long.
