SALE OF THE
ANNUAL ANGUS SALE

26th *year*

► *Monday*, OCTOBER 20, 2025 • 1:00PM *Justamere Headquarters* LLOYDMINSTER, SK ◀

Welcome to the 26th SALE OF THE YEAR

It's been a tremendous year in the beef business. From record high prices through all sectors of our business, to excitement around retaining and buying high quality replacement females, has never been better.

We are very excited about our lot 1 herdsire prospect, True Balance. His sire, RSA True Balance is fast becoming the #1 sire in the breed. His genetic profile and amazing offspring are definite herd builders and program leaders. He will have a bright future here.

We also are offering 11 outstanding show quality heifer calves including a beautiful Rock Star simmi half blood and a super high quality NJW Endorsement Polled Hereford. As you all know we love to show and compete anytime, anywhere and this group of females is ready to perform and in the end they will be the next generation of donors and top end cows for us and many others.

The bred heifer section is larger than usual because of the ongoing drought situation here by my count we are in year number 4, but we are thankful we do have enough feed to carry on our business. This is a real opportunity to step into some very good bred females with strong real-world data and genetics that have built our herd. They carry AI services to some very exciting young herdsires such as Basin Jameson, DL Rainmaker, AH Ignite, as well as being exposed to the exciting Greenwood Capitalist 182L, EZAR Step Up and Justamere Cover The Bases; three very top end walking bulls that we are excited about.

Then we round off with two very exciting donor cow prospects, Justamere Jackie 750G and her smoke show heifer calf. As well as Gilco 10K, a daughter of Musgrave Cracker Jack, that is remarkable. Her calf as well is a standout anywhere.

Finally, Shelly and I and our family want to thank each and everyone of our customers, many that have been a part of our success for decades. I lately have often thought about the legacy that my grandpa, Jonathan, and father, Lyal, built from the ground up with many very good people. I am very thankful to be doing my part in carrying on the Justamere tradition.

Thanks also to the crews that help, Jonny, Jorja, Jim and Tyra through out the year. From harvest to sorting, weighing and hauling all classes of cattle to the never ending bookwork that Shelly somehow keeps all in line.

That special group of people are Cody Mannis, Drayce Robertson, Austin and Shane Conrad, Josey McEvoy and Shay Hunt and Cassidy Thick, without all your help we wouldn't get this all done the way it should be. Around here no matter what it has to be done right or we can't sleep at night.

In addition, we have to thank our good friends Mark Shologan and family. Lee has moved closer to us so we hopefully will get to see him even more in the future. Bohrsen Marketing is part of our sale as well and we are glad to be working with our neighbors Jaxon Payne and Taylor Richards on this important sale.

Videos will be up on DLMS the week before the sale and special announcements and new sale info will be on Facebook or social media. Thank you all and see you at our 26th Annual Sale of the Year!

Jon Fox V

Welcome TO THE SALE FROM BOHRSON MARKETING

On behalf of the Fox Family of Justamere Ranches and all of us at Bohrsen Marketing, we are excited to welcome one and all to the 26th annual Sale Of The Year, held on the farm near Lloydminster! The SOTY has been one of the countries longest running and most recognizable production sales known for its quality Angus seedstock from one of this industries finest operations. The history and calibre of this program is as good as any in North America and it is always an exciting function to attend. We highly encourage you to make plans to join us, October 20th, 2025 for what is sure to be a memorable auction.

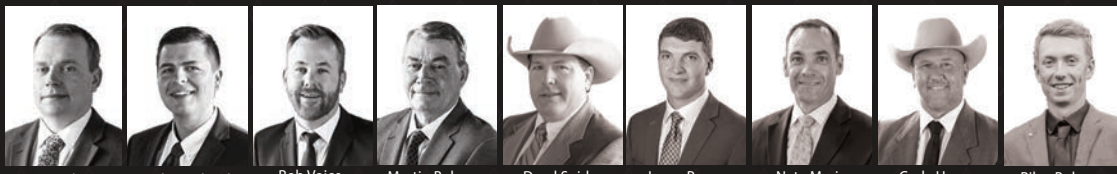

There truly is no better time to be a stock person. The Cow Folks are finally in a position where we feel like we have a little bit of leverage. A long time coming, no doubt, but what is certain is you truly can't afford NOT to surround yourself with some of the best cattle you can source, and if you're reading this, you've come to the right place. The commitment to raising good, honest cattle that thrive in any environment has been a goal of the Fox family for multiple decades. The Angus cow has been the sole focus at Justamere for quite some time and as you study this impressive offering, you will notice many recognizable and productive cow families they have built around. The bred heifers through the SOTY always prove to be some of the real good investing we see done each year. They carry some of the best services money can buy and are bred with maternal characteristics at the forefront. The fancy, select offering of heifer calves year in and year out go on to have decorated show careers and most importantly, stride right into production with ease becoming cornerstone females for their new homes. As always, the Fox family identifies a few special bull calves to offer in this sale and we feel the 2 standouts available are as good as ever before. Also this year will again be some of the very good cow/calf pairs on offer with great heifer calves at side. These are some exciting young cows that don't just become available everyday so be sure to pay close attention.

We do encourage you to make the trip to Lloydminster to attend the 26th annual SOTY. The cattle are impressive and are always best seen and viewed in person. The deep history to the Justamere Sale barn, the quality cattle and first class people make this a sale you will want to be apart of. Be sure to give Jon or Jonny a call to discuss the cattle and pick their brains on their favourites. If any of us listed from BMS can help you out on sale day, please don't hesitate to give us a call. We would be happy to assist!

Best Regards,
The Bohrsen Marketing Team

A very exciting herd sire prospect to lead off our 26th Annual Sale of the Year at Justamere. His amazing sire is siring sons and daughters that are dominating sales across the continent.

This calf was purchased in dam at the Express Big Event in 2024. His mother is a beautiful young daughter of EXAR Fundamental. She has put her all into this stout, deep and moderate chunk of a bull. His epds stats are remarkable, he will be a great outcross pedigree for our program and those that utilize these brand new genetics in Canada. We are excited to get this stud out in front of our fellow breeders this fall as he is the Real Deal and we are excited about him.

We always like to end up the Sale of the Year with something very special. Jackie 750G is definitely that special one. Her sire, On Cue 6022, was lost early in his career however did he ever leave us some spectacular females. This female needs no explanation she is extremely good, deep, stout, beautiful fronted, nice uddered, definitely donor cow power. What an opportunity for a big score here at the Sale of the Year.
