# Welcome

*Welcome to the 2nd Annual Last Mountain Bull Sale. We are happy to once again offer a carefully selected group of registered Gelbvieh & Hereford bulls that reflect our commitment to quality, functionality, and real-world performance.*

*Our program is built around cattle that work — sound feet and legs, calving ease, depth and muscle for longevity, and quiet dispositions that fit today's operations. These bulls have been raised with attention to structure, fertility, and efficiency, ensuring they are ready to go to work and add value from day one.*

*We are grateful for the support and interest shown in our first sale and truly appreciate the relationships built along the way. Whether you are a returning buyer or joining us for the first time, we welcome you to look at this year's offering.*

*Thank you for your continued confidence in our program. Please feel free to come visit and view the bulls at your convenience ahead of sale day. Looking forward to a successful sale!*

**Ref A**

This outstanding bull is a standout in every sense, offering excellent calving ease and producing top-quality calves with ease. We first noticed him at the Best of the Breed Sale in 2023, where he captured our attention for his impressive traits and solid pedigree. Known for his great conformation and overall balance, he's a heifer-friendly bull that consistently delivers strong, healthy offspring.

**Ref B**

This impressive herd sire is the total package, combining explosive growth with strong maternal traits. From a young age, he showed rapid growth, developing into a powerhouse with incredible performance. Not only does he bring excellent size and muscle, but his great hair coat and overall structure are top-notch. With a strong genetic base, he's perfect for improving both growth rates and maternal characteristics in your herd. If you're looking to elevate your program with a bull that brings both performance and quality, this sire is a clear choice.

*Ref C*

Headline is a standout bull that commands attention with every step. He's a true sire of distinction, producing exceptional offspring that consistently move your program forward. With his flawless confirmation and strong EPDs, he brings balance, power, and consistency to every calf crop. His progeny inherit his impressive traits, offering both physical quality and performance, making his son's an ideal choice for any operation looking to improve and elevate their herd. When you use Headline genetics, you can count on progeny that will take your program to the next level.

*Ref D*

This exceptional bull has been the cornerstone of our program, consistently providing top-tier genetics year after year. Purchased from Twin View, he made an immediate impact, and his legacy speaks for itself. As the 2018 National Grand Champion Bull at Agribition, he's proven his worth on the biggest stage. Not only has he sired multiple Agribition champions, but he's also been behind many high-selling progeny. He's a bull that never disappoints, always passing on his incredible traits and adding value to every calf crop. If you're looking for a sire that has consistently delivered exceptional genetics, this is the sire bull that can take your program to the next level.

# COMMERCIAL HEIFERS

Offering a select group of top-end replacement heifers straight from our 400 head commercial cow herd. These females are heavily Gelbvieh influenced, known for strong maternal traits, performance, and longevity. Quiet-tempered, easy to handle, and developed with longevity in mind, they are the kind that grow into dependable, hardworking cows and make exceptional mothers.

# Welcome

from  
**DOUBLE G  
HEREFORDS**

Garret, Lindsay, Gavin & Ethan Hill

Greg, Brooke & Blake Ferguson

Ref E

DaVinci is a true foundation bull for our herd, and without a doubt, one of the best Hereford bulls we've ever owned. He's never missed breeding a cow, showing his reliability and consistent performance year after year. DaVinci is a moderate-framed bull with a broad top and a thick, powerful back end, yet he remains smooth in his overall structure. His quiet temperament makes him easy to handle, adding to his value as a working sire. DaVinci brings solid genetics and proven results to any breeding program.

Glacier will be our main herd bull for as long as we can continue using him, and for good reason. He has excellent conformation with a long, big-framed build that adds size and muscle to his calves. Glacier consistently produces outstanding offspring, with the right balance of growth, structure, and performance. His genetic power and reliable production make him a key sire in our program, and we're excited to keep him as the cornerstone of our breeding for years to come.
