# Welcome

## - 14TH ANNUAL - BULL SALE

I would like to take this opportunity to welcome everyone to the 2026 Wiwa Creek Bull Sale. It is such an exciting time in the cattle business, unprecedented prices in all aspects of the market. Hardwork, determination and stubbornness are core values that have driven the cattle business to reach the point where we are now.

We are proud to offer this group of bulls for your appraisal. Our main goals are to provide quality and consistency throughout the bull pen to our customers. The sire groups offer genetic differences but are similar in the type we strive to produce. The bulls are developed on pellets and grass hay, this allows our customers to truly analyze the structure, soundness and differences in each bull.

The Switzer family has been part of the sale since its inception. Hard to believe it's been 14 years already. There are so many people that help out through the year and at the sale. I am truly thankful to each of you.

The bulls are available for viewing anytime before the sale. If you have any questions please reach out to myself, Blaine or any of the sale staff.

*Jonathan Thomason*
