WELCOME

FROM C2 CHAROLAIS

Welcome to the 2026 C2 Charolais bull sale.

Congratulations to all the cattlemen and women across the country who are finally reaping the rewards of being in the beef business. You have earned this and we are proud to be standing along side you.

2026 is an exciting time! We are honoured to have Patterson Simmentals join us as guest consignors. The Patterson's raise some of the very best Simmental cattle around; the kind that'll make you stop and look twice. Top-tier cattle, and even better people.

The C2 bulls are what you've come to expect, predictable and consistent. We never chase extremes. Here at C2 the focus is on structure, fertility, and longevity. If you've toured the bull pen with me, you've heard me say "You'll find bigger bulls, that's just not our deal."

Whether your program calls for calving in the harsh Canadian winters, or calving on the summer grass, we do it all. We know what it takes and our bulls deliver!

Intensive rotational pasture management has become a passion of mine. Over time, this has drastically enhanced our ranch. Now we are running more cows on less acres and extending our entire grazing season. Terminal cattle that thrive in these conditions are absolute game changers. Ranch raised, yet perform in the feed yard.

You are invited to tour the bulls ahead of time, or join us for lunch on sale day. We look forward to discussing your herdsire needs.

Jeff Cavers

FROM THE DESK AT

T BAR C

— TO C2 CHAROLAIS' 2026 SALE —

CHRIS POLEY
306-220-5006

It is with great pleasure that we welcome you to the 8th Annual C2 Charolais Bull Sale, hosted by Jeff and Jackie Cavers and Family of C2 Charolais.

Each year this program continues to move forward, and this offering is a true reflection of the dedication and discipline behind the C2 prefix. The 2026 sale group is the strongest and most consistent to date. These are the kind of Charolais bulls today's industry demands — powerful performance, added hair and substance, all without sacrificing calving ease. It's a combination that commercial cattlemen and Purebred breeders alike can use with confidence, whether they're building replacement females and bulls or marketing calves in the fall.

SHANE MICHELSON
403-363-9973

Jeff and Jackie have focused on predictable cow families, sound structure, and herd bulls that work in the real world. The result is a uniform set of bulls that are rugged, athletic, and ready to cover cows and add pounds where it counts.

BEN WRIGHT
519-374-3335

We are also excited to welcome a new guest consignor to this year's event, Patterson Simmentals. They bring an outstanding pen of Simmental bulls that complement the offering perfectly, along with a special group of open commercial replacement heifers. This addition adds depth and extra opportunity for cattlemen looking to source quality seedstock and females in one stop.

LEVI RIMKE
204-851-4515

On behalf of T Bar, we invite you to study the catalogue, visit with the consignors, and join us for what promises to be another strong edition of this sale. We are confident the bulls on offer will go out and work hard for you. As always, if you require any assistance prior to or sale day feel free to reach out to any of the T Bar Team as we are always more than happy to help.

VALUE

After a cold winter, it is important to have your bulls semen tested and evaluated prior to breeding season. It's an easy way to set your program up for success, and we want nothing more than the very best for our valued customers.

So, why not let us pick up the tab?

C2 CHAROLAIS WILL PAY FOR YOU TO HAVE THIS DONE!

Take any previously purchased C2 bull and get him checked by a licensed veterinarian. Grab a copy of the test. The test must be dated, have completed results, the veterinarian's signature and bull tattoo. Show us the test on or before March 28, 2024, then give us the invoice! We want to ensure that all your breeding needs are taken care of. Finding you a suitable replacement if needed, when the selection is at its best.

We value your purchase, now and into the future.

PATTERSON SIMMENTALS
SCOTT & TINA AND RYAN PATTERSON
BOISSEVAIN, MB 204-534-0807

We would like to thank Jeff & Jackie and family for the invitation to join their sale and T Bar C management team for everything they do.

We are located south of Boissevain, where we proudly farm the same dirt that Scott's parents, Gord & Sharon and his Grandparents, Jim & Helen farmed and raised simmental cattle before us.

We are 3rd and 4th generation cattle producers with 200+ red and black simmental cows. We have been steadily growing our herd and breeding up to purebred for the last 10 years and we're very proud of the bulls and heifers we have on offer this year. We focus on longevity and prioritize temperament, udders & feet. The yearling bulls were weaned Oct 1 with some impressive weights without any creep and have been on a corn based TMR and pail fed oats daily. They are well socialized and easy to work with.

We'd like to say thank you to Cody & Levi for trimming and Laura Horner for the pics and videos and thank you to everyone who has shown interest in our program. Special thanks to our friends and family for the support and help getting ready for today. We welcome you to come for a farm tour anytime and look forward to visiting with everyone on sale day.

Scott & Tina, Ryan & Claire, Jenna, Cody & Rory

Sired by Top Tier, 214M is a 2 year old heifer bull we kept as a backup for our own use last year, but didn't end up using him, so we decided to include him in the sale. He has a 72 lb birthweight and a 12.2 CE he should easily be able to look after the heifer pen. He has a perfect white blaze that will make him extra popular on sale day!

209M is a macho 2 year old who is ready to go to work and be your next herd bull! He is blood red, long bodied and sound footed with a little extra frame, and he's as quiet as a church mouse! His dam came from Bonchuk's production sale - check out his pedigree, he's got the looks and the genetics to back him!

HEIFERS

LOT 50

It's never easy parting with the females! They are future of the herd - but as much as we'd like to, we can't keep them all so we are offering 6 red/white face commercial open yearling simmental heifers. They have been vet palpated and fully vaccinated. These girls will cross well however you choose - breed them your way!

“ THE CAVERS BOYS PICK OF THE PEN ”

LUKAS PICKS...

C2 NIKOLAI 80N

I noticed this guy in the pasture this summer and have watched him grow into his dad's footsteps.

FISCHER PICKS...

C2 NARNIA 93N

This is a bull I find to have a lot of stand out presence in the pen. He's incredibly long and soggy made. A real stout bull.

KEEGAN PICKS...

C2 NEUTRON 61N

Jeff should have named this guy the magician. Put him on some black cows and abracadabra watch his calves turn into sale toppers right in front of your eyes.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Charolais Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

PHONE, MAIL & WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:
