

# CAMDEN

14TH ANNUAL BULL AND FEMALE SALE

# CATTLE CO.

*With Guest...Niwa Ranching Co.*

SATURDAY  
MARCH 28<sup>TH</sup>  
2026

2 PM MST | AT THE RANCH  
NEW BRIGDEN, ALBERTA

## *Welcome to the Sale...*

Welcome to the 14th edition of the Camden Cattle Bull and Heifer Sale! We are pumped to showcase this years set of bulls and heifers! We are confident that this is our deepest and most consistent group of bulls to date. There is a good selection of real sound, stout, quiet, hairy, and good footed bulls. From power bulls to calving easy bulls and many in between.

They've been fed a balanced TMR ration consisting of silage, hay, and bull pellets from Trouw Nutrition. All the animals have been double vaccinated with Bovishield Gold and 7way. By sale time the bulls will have had two shots of Fusoguard to help with foot rot prevention.

The cowherd continues to evolve and be culled hard for feet, disposition, udder soundness and confirmation. Four more walking herd sires were added to this years lineup along with our four new AI sires. In total, sixteen different sires were used which has helped us to offer a very diverse group of bulls.

The females on offer are a fancy set of moderate framed red and black, easy doing heifers that will go on to be good producing cows in either a commercial or purebred herd. Five individual purebreds will sell. The rest will sell in uniform packages of 3-5.

Thank you to all the great people, family, and friends that have had a hand in helping to make our sale a success. From clipping day, to picture day, to video day ..to semen checking day and catalogue production. We owe a lot of gratitude and thank you's!! And most importantly many, many THANKS go to our past buyers and bidders, and onlookers who have supported us through the years!! The trust and belief in our program makes all of this worthwhile and means the world to us!

Feel free to call one of us or better yet stop by anytime prior to the sale to view the bulls and visit. Darren has been through the animals and would be knowledgeable to answer questions you may have on our herd.

One more Thank you to The TRANSCON Team for getting our name out there and doing their part in promoting our livestock and our sale! If you can't make the sale they'd be happy to assist you with picking out your next herd sire. The sale will be broadcasted live on DLMS.

We look forward to hosting you sale day for a wonderful lunch supplied by Kelly Skappak catering prior to the sale, and after for socializing, refreshments and snacks.

CHEERS from all of us at Camden!!

Lloyd and Sandra  
Kresten, Ashley and Sydney

The Jorgenson Family

## *Please Join Us for Lunch On Sale Day!*

# The Transcon Team Welcomes You ...

The Camden program, which by the way, is owned by absolute "salt of the earth" people, by the Jorgenson Families, raise cattle designed in the arid region of Eastern Alberta ranch country. You always find plenty of selection within many different sire groups that have been specifically chosen to work for their management. The bulls on offer, interestingly enough, are created from a cowherd larger than most people realize exists here. The point being, the final candidates are the best of a very large group born to that respective calf crop.

Niwa Ranching is an incredible partner for the Jorgensens. I always appreciate Louise's honest appraisal of her cattle, meaning, she is her own worst critic, and is very subjective to improving the product, not ever making excuses, but rather, noting what may be flaws, then doing what she can genetically to advance.

Both programs offer outstanding heifers in this sale, some registered, but many sell as commercial replacements who not only have won pen shows but often go on to be high sellers in reputable bred heifer sales.

If you prefer to buy your bulls from great people, make sure you have this one on your list! If you can't attend, but would like to participate, simply call any of our cell phones listed and we'll be happy to appraise, bid and buy on your behalf. It's confidential and conflict free, as we don't own these cattle nor are we ever paid any bonus buying commissions. This has been a successful service that has proven to have buyer satisfaction and convenience.

Hope to see you at the sale,

Jay Good

## INSURANCE

Melissa Stenger.....403-664-1148

## MULTIPLE BULL BUYING DISCOUNT

Buy 3 bulls: 3% discount | Buy 4 bulls: 4% discount | Buy 5+bulls: 5% discount

## TO REWARD OUR LOYAL BUYERS AND FRIENDS A CUSTOMER REFERRAL PROGRAM

We will give a 5% discount to repeat buyers when they refer a new customer who purchases a bull from our 2025 sale!

## SIRE VERIFIED

All the bulls have been 100K Sire Verified, Homo polled, Homo black and diluter tested through DNA. HD 100K testing helps with EPD accuracy and the other info can be used to help in your bull selection as well.

## RESERVE THE RIGHT

Camden Cattle and Niwa Ranching reserve the right to draw semen on any bull in the sale at our expense and the new owners convenience.

## DELIVERY

Bulls will be delivered free of charge within 500 km of New Brigiden as soon as possible after the sale at the seller's convenience. Over 500km will be arranged at a cost. Bulls will be kept at the seller's farm only if prior arrangements have been made. All bulls returning to the seller's farm must be fully insured. \$100 cash in your pocket if you take your bull home by March 31. A night out on us!

## TRANSCON'S ABSENTEE BUYER REPRESENTATION

The Transcon Team is available to anyone that cannot personally attend to confidentially appraise, bid and buy on your behalf. This service is conflict-free as we are not paid any buying incentive fees by the sellers and we are not active Simmental breeders. This service is also provided free of charge to all prospective buyers. Please call our cell phones for any assistance you may require.

### HOMO POLLED, NON DILUTER

- "The Great One" 99N has been a standout since birth
- Our only red bull calf off our new walking herd bull KT3309L
- He's deep bodied, wide topped with plenty of middle and walks out on a good foot
- 110J dam has raised three top bulls in our sale in consecutive years to start her career
- She's moderate framed, dark red hair and is a very complete all around cow

KT WALK THE LINE 3309 - SIRE OF LOT 1

MADER WALK THE LINE 92J - GRANDSIRE OF LOT 1

**Lot 2 - 62N**

**HOMO POLLED, NON DILUTER**

- Dark cherry red, long bodied, wide topped, and comes with a ton of performance
- Travels free and easy on big solid feet
- RWF dam has raised a good RWF heifer going to Grassy Flats Ranch and
- A red blaze bull going to Whyte Ranch and now 62N

### HETERO POLLED, NON DILUTER

- Well muscled big hipped and like all the Hitch cattle come with a great disposition and walk on good sound feet
- Very much like his \$32000 paternal brother who sold to KD Ranch in '25
- This guy ranked very high at weaning with an adjusted weaning weight of 894
- Dam is a good Gambler daughter and comes from another really long running cow family- one that can be traced to many top bulls including NUG Landmark

Lot 12 - 151N

Lot 13 - 73N

**Lot 33 - 61N**

**HOMO POLLED, HOMO BLACK**

- A bull that's looked cool since he was born!
- Straight lines, big hiped, with a nice profile that he loves to show off
- 19J dam is a moderate framed all around good cow
- 61N is a complete package, this guy is one of Krestens favourites

Lot 34 - 24N

### HOMO POLLED, HOMO BLACK

- Definitely the performance bull of the Dimension sired calves
- He's a a very attractive looking dude with nice hair
- I wouldn't let the higher BW be a worry, he's long and smooth shouldered
- 92D dam raised a top selling black a couple years ago, she goes way back to our good red 14M cow family

### HETERO POLLED, HOMO BLACK

- We used the Dimension AI sire to add some chrome and substance to our black program
- 31N comes wrapped in a nice solid black hair coat but does pass on the substance and dimension we were looking for
- Well balanced, wide topped and deep big ribbed
- Power house 54J dam one of our best blacks with extra length of spine and frame
- These Dimension sons are gonna sire calves that really pound the scale down

Lot 35 - 31N

# 36

## Niwa Ranching Co. Welcomes You

Welcome to Camden Cattle's 14th Annual Bull Sale, where I am honored and privileged to be invited back for the 4th year as a guest consignor.

2026 will be Niwa Ranching's largest sale selection to date! On offer will be 22 bulls and 45 commercial open replacement heifers. My commercial and purebred herds are not babied! My stock must walk, perform, and survive in harsh environmental conditions. This includes continuous drought, massive pastures (consisting of several sections), no trees, and long distances between water sources. My purebreds are treated as equals with my commercial herd and are expected to survive and perform in the Rugged Ranch Environment I have chosen to call home. My goal is to produce ranch-type cattle selecting genetic traits essential for thriving in our adverse environmental conditions (feet and haircoat) and excel in key components essential to the profitability of the everyday ranching operation (maternal and performance).

One of the things I hear the most when folks walk through my pens is "these cows/bulls/heifers are quiet". I spend a lot of time with my cattle and have "zero-tolerance" for a bad attitude. With most falling into the 5 star temperament rating, you will not find an animal with less than a 4-star temperament on the Niwa Ranch.

The bulls on offer have been moderately fed for slow and consistent growth. They have received a mixed ration consisting of 11 lbs Bulls Eye Bull Ration, grass hay and silage. The heifers have received 8 lb Bulls Eye Bull ration, grass hay and silage. Bulls and heifers are on a full herd health program overseen by Oyen Vet Services. They have been vaccinated with Merik Vison 8 Somnus with Spur, Vista Once. All bulls on offer have been Parent Verified, 100K, and polled tested.

New this year from the Niwa Ranch. Wherever possible, at the conclusion of each sale video, a close-up photo will be included, showcasing both front and back feet of the featured bull. This transparency offers prospective buyers-especially those unable to attend in person- with an additional resource for evaluating the bulls on offer.

The Simmental/Angus influence commercial open heifers are first-cut, reputation females. Included in the commercial offering are my Reserve Champion Pen from the Medicine Hat Pen Show. You won't find a female for sale that I wouldn't keep in my own herd. All heifers have been palpated and run with NO BRAND.

I would like to extend my gratitude to Lloyd and Sandra and their family for giving me the opportunity to sell alongside them once again and giving me the foundation on which to build my humble dream of raising purebred Simmental cattle. To my past buyers and bidders. Building a reputation from scratch in this industry is not an easy task. Thank you for your past purchases and believing in my cattle and my program. Lastly, a huge thank you to Darren the team at Transcon livestock. Your honest and professional sales management is so very much appreciated.

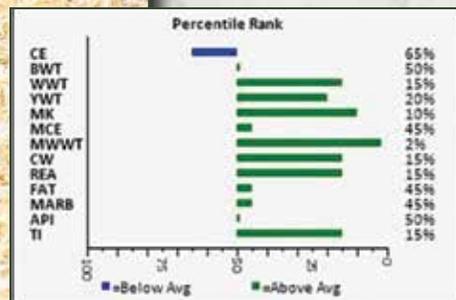

Stop by the ranch anytime to view my entire herd including mother cows, walking bulls and of course the Niwa Ranch line-up on offer at Camden Cattle's 14th annual Bull Sale. Coffee is always on, and the beer is always cold!

Love the Girls of the Niwa Ranch  
Louise, Tell, Joye and Wynn

## HOMO POLLED

NIWA Ninety Nine 501N swung open the gate on my 2025 calving season with something spectacular. His Dam, AIA 256K is the top cow I managed to acquire from infamous Rendezvous dispersal and is ranked in the top 5% of all cows at the Niwa Ranch. 256K is a no-fault, medium frame cow with notably excellent feet and udder set.

Ninety Nine's sire, Oakview Hershey 722H was a staple at Rendezvous when he was purchased in 2021 for \$37,000-then turned around and demanded \$43,000 as a mature herd sire on dispersal day!

If parentage and phenotype isn't enough, the EPD's on this guy should keep you awake at night! He glows green in 12 of the 13 measurable traits!

I contemplated until catalog deadline whether I would walk this guy in my own herd, but when Bridget said, "Time's Up", decided he would lead off in my 2026 line-up. This black-footed, mahogany-hided powerhouse will have you seeing stars come sale day. Semen has been drawn and retained for in-herd use.

### LOT 53 and 54 ARE HOMO POLLED

These boys are out of my all-time favorite Meadow Acres cow MAF 55F. Phenotypically, her reference photo says it all. What you can't see however is a set of big, black, chunky heels under her which puts the icing on the cake and is also what rified her into "flush cow" status. The sire of these embryos American Red 99E offers calving ease, growth and above average EPD's. You won't get a quieter, better footed and more uniform set of bulls. Being mirror images of each other, they were chosen as my feature pen at the Oyen Beef Congress. If heifer retention is on your agenda, seriously consider these flush mates. Take one or take them both if you want consistency across your herd.

MAF MIRAGE 55F  
DAM OF LOTS 53 AND 54

**Lot 54 -527N**

**HETERO POLLED**

Theres just something captivating about this cracked blaze that puts him on my favorite list. Maybe his appeal lies in his combination of desirable traits that I look for in my own herd sires. He is moderate in frame, stands low to the ground, has a chunky black foot, and an exceptional mahogany hair coat. His thickness and cool demeanor mimics his sire EGC Hitch 112H. His mother, MAF 164F is a beautifully uttered Meadow Acres cow.

**HOMO POLLED**

If you are looking for a performance powerhouse, then 518N screams your name! This large-framed stud sits in the top 10th percentile in both weaning and yearling weights. Being the heaviest bull in the pen, he tipped the scale at over 1400 lb before his first Birthday! He is sired by the Camden/Niwa co-owned blaze faced bull EGC Hitch 112H who can crank out these high performers time and time again. A 5-star disposition makes him even that much more attractive. His feminine Rancher Dam has a 5-star foot rating and 5-star udder set. 518N is the whole maternal/performance package. Retain every heifer and tip the scales with your steers! It doesn't get much sweeter than that!!

**HOMO POLLED**

This stealth black bull has some stretch to him. Being out of Katmandu 30K, his numbers scream calving ease, and he sits in the green in most of the performance EPD's. His mother NRC 313L is a quiet, moderate framed, cherry-red female that did well on her first attempt at motherhood.

# Flush Brothers - Lots 59-61

If your next herd sire's checklist includes exceptional bone, large foot, and personality plus, then check out these Tycoon 841F/614D flush brothers. Their mother TYS 614D is a large-framed, square-made female who has always been a standout since joining my herd from the Tymarc dispersal. She has passed her thickness, hair, and bone structure onto her sons-but not without the help of their sire SVS Tycoon 841F, who guarantees sure-fire performance EPD's. These brothers sit in the green for most of the measurable traits but are a "rancher's dream" with their top 15th percentile ranking for both weaning and yearling weights. If you're shopping for consistency and performance in a group package, take home this trio with your 5% volume discount and call it a day of great buying!

CHAMPS MAMBA 43K - SIRE OF LOTS 67 AND 68

Chrome shoppers, check out these Mamba half brothers! Both are brought to you by tanky Meadow Acres cows that consistently bring home the keepers. Their sire, Champs Mamba 43K came to me in search of something a little different when it comes to pedigree. He has a shot of full flock that genetically takes him off the beaten path. He is an attractively marked, excellent-footed powerhouse and has not disappointed in his ability to pass on his deep body, merlot color and deluxe chrome (but not too much chrome) package we are looking for. Bling up your calf crop with either of these flashy fellows!

## HOMO POLLED

This stylish powerhouse screams performance and is just cool in every way! He is wide topped, huge middled and has a set of nuts to be proud of! His mother MAF 98F is a dark red cow that consistently brings the good one's home in the fall. In my opinion, he "Walks the Next Line" in the sense of being a carbon copy of his \$280,000 AI sire Walk the Line 92J.

MADER WALK THE LINE 92J - SIRE OF LOT 69

MAF GYPSY 98F - DAM OF LOT 69

## HOMO POLLED

This purebred/fullblood combination really clicked with MAF 47F and SBV Reputation 707F. As you can see from her reference photo, MAF 47F is difficult to fault. Since owning her, she has only given me bull calves, and every year they make the top cut of the bull pen. This larger framed, dark hided, blaze adds a unique pedigree to the mix, and when you can get a shot of fullblood in a homo polled package, this guy can be described as something kind of special.

### HETERO POLLED

This larger framed performance bull came to me in utero in a well-balanced Alaska cow from the renowned Rendezvous dispersal. His EPD's are in the high green in both performance and maternal traits. His extra horizontal length will come in handy when adding pounds to those steers in the fall.

RWR COPPER TOP 21K- SIRE OF LOT 72

**Lot 72 - 563N**

### HOMO POLLED

Copper Nail 653N came to me in utero in a deep bodied Rendezvous cow and is the youngest bull on offer from the Niwa Ranch. If the mahogany shade is high on your priority list, then 563N should be circled in your catalog. He is smooth fronted, dark footed and has an attractively sculpted head. For some reason I just can't put my finger on exactly what it is I love about this bull, but he sits high on my favorite list.

MRL PLAYMAKER 36G - SIRE OF LOT 73

**Lot 73 - 533N**

### HOMO POLLED

This easy-going Playmaker son sits in the top 15th percentile in both his weaning and yearling weights. His mother is one of a handful of great cows I managed to bring home from the Westroh dispersal. She is medium-framed, structurally correct and has a beautiful udder.

### Terms & Conditions

**TERMS** - The terms of the sale are cash, cheque, e-transfer, or wire and are due at the time of sale, unless other arrangements have been made between buyer and seller prior to the sale. Transcon reserves the right to charge interest at a rate of 2% per month on overdue accounts. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for their purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. Transcon Livestock Corp and/or the Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.

**BID** - No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted.

**SALES TAXES** – Applicable sales taxes will be charged on semen, embryos, and trucking fees (if listed), respective to the home province of the buyer, not the seller.

**DISPUTES** - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

**PURCHASER'S RISK** - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

**INSURANCE** – Each animal becomes the risk of the purchaser at the time of sale and should be insured. Animals returning to the seller's farm must be insured.

**US BUYERS** – There is an additional charge (approximately \$300.00 US dollars) that will be applied to each animal purchased. This covers documentation, vet inspections/testing required to export. This cost does not include transportation or brokerage which is the responsibility of the buyer.

**CATTLE PICTURES AND INFORMATION PROVIDED** - The images in this catalogue are believed to be accurate representations of the individual animals and the information contained in this catalogue is provided by the seller and believed to be true and accurate. Transcon Livestock Corp. and catalogue designers/producers assume no responsibility if the images and/or information as received have been altered or is inaccurate.

**ANNOUNCEMENTS** – All announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

**CERTIFICATE OF REGISTRY** - A registration/recordation certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

**SHIPPING** - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

**BREEDERS GUARANTEE** - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price. **EXCEPTION TO GUARANTEE** - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

**HEALTH** - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

**EMBRYO & SEMEN** – Full settlement must be made before release is done and shipping arrangements should be done within 30 days of the sale unless arrangements made between buyer and seller prior to the sale. Shipping arrangements and costs are the expense of the purchaser once release has been given.

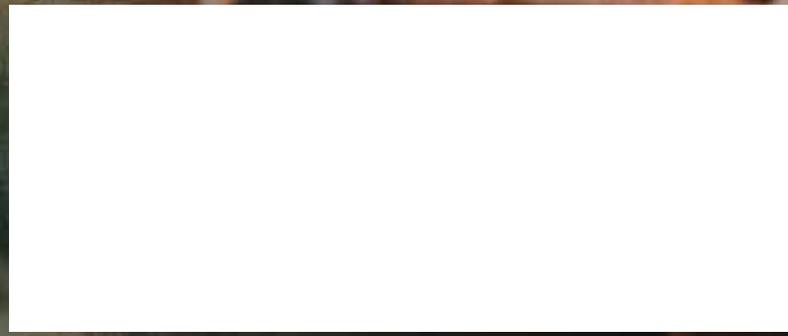

**ACCIDENTS** - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

**RIGHTS AND OBLIGATIONS** - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

**TRANSCON LIVESTOCK CORP. IS AGENT ONLY** - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations. Neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties. Any legal action that may be taken, in exceptional cases, must be between buyer and seller.
