

DIAMOND **W** CHAROLAIS

24th Annual
CHAROLAIS, RED & BLACK ANGUS BULL SALE

MONDAY, MARCH 23, 2026

JTM LIVESTOCK, MINITONAS, MB

WELCOME FROM

DIAMOND W

Welcome to our 24th Annual Bull Sale. We would like to thank all of our valued customers, new & old, that have supported our program.

Great to see the cattle industry fully realizing some well needed returns. Another year of change and we wish Helge and Candace By of By Livestock happiness in their retirement. They have been involved with the sale since the start, and we thank them for their help over the years. We welcome the Bohrson team this year and look forward to working with them and the sale crew.

Pounds still matter, calving ease and structural soundness are so important when making an investment in your new herd bulls. No primping and pampering! These bulls are raised in the real world! With limited labour, age, and simply less time, these cattle have to work. From top to bottom the pen of bulls is one of the best to date. Deep in quality consistency, functionality. There are a number of standouts in each breed that deserve your attention. The bulls are bred to calve easy without sacrificing performance. They will go out and work and last! Bulls are an investment in your program, and we need to invest in cattle that create value and stand the test of time. There are many 1/2 to 3/4 brothers and a bull of everyone, no matter the colour of your cows.

If you can't attend the sale, no problem. We will look after you. Give me or the sale staff a call. If you are not satisfied with your bull at delivery, you don't own him. We all know things happen. We recommend insurance on your bulls for the first season. In the event of an incident, Diamond W is here for you as well! No fancy warranty program, just integrity and my phone number, you will get looked after. I look forward to visiting with you sale day.

I look forward to visiting with you sale day. Any questions just call!

Thanks,
Orland Walker

WELCOME FROM

BOHRSON MARKETING

It is my pleasure to welcome you to the 24th Diamond W Charolais and Angus Bull Sale. I am pretty proud that we are now working with Diamond W. I have been touring with Orland for several years now and trying to gain his trust and his business. With his old friend Helge By retiring, I got the call. We have become friends and I truly admire his work ethic and his herd of cattle. He prides himself on providing bulls that go out and work hard for their new owner. I've often heard him say, "cattle have to work", "no primping or pampering going on here".

It's true, every time I've been to his place the cows are out working, and not always in the most gentle of environments. He has sound functional bulls that bring hair, meat and muscle. I believe Orland's dad started the pure bred 40 years ago and the Walkers have been carefully buying the seed stock and selecting the top quality progeny from their own herd to improve yearly. Doesn't matter if you're

shopping for a Charolais or Angus bull he has bulls that can be used on heifers or cows. Some real power houses will be available. He also has 2yr olds that have been intentionally held back to give you more buying options. I enjoy touring with Orland as he knows his cows very well and doesn't need to see the ear tag to tell you about any one of them. I encourage you to call him with any questions that you have.

I know that the Walkers have many repeat buyers, and that speaks volumes about the quality of bulls and his customer service. I'm looking forward to meeting his longtime customers. My plan is to bring some of Bohrson's customers to the sale as well, I know they will see a huge benefit of his program. I will leave you with one final quote from Orland that I saw in a previous catalogue that probably speaks volumes to the number of repeat buyers that he has, it goes like this, "We don't need no fancy warranty programs, just integrity and my phone number...Your cows will get looked after!"

The sale will once again take place at JTM Livestock, in Minitonas Manitoba. All bulls will be videotaped and be available to view on DLMS. I hope you can make it sale day as all bulls will be able to be viewed live. If you can't make it, please call anyone of us at Bohrson Marketing to use our industry leading, free, discreet order buying service.

Best Regards,
The Bohrson Marketing Team
