Timed Auction Closes Following Live Sale

Message from the FCSF President

Welcome to the 2026 Friends of Canadian Simmental Foundation Annual Auction. On behalf of the Board of Directors, it is my pleasure to welcome you to beautiful Nova Scotia for this year's event. We are proud to gather with Simmental breeders, members, and enthusiasts from across Canada in support of a Foundation that continues to invest in the future of our youth, our breed and our industry.

The success of this auction is only possible because of the generosity of our donors and supporters. We extend our sincere appreciation to everyone who has contributed to this year's sale. A special thank you goes to the Fisher family for their generous donation of the lot 1 heifer. Their commitment, along with that of all our consignors and sponsors, ensures that the Foundation can continue to make a meaningful impact for years to come.

The Friends of Canadian Simmental Foundation is committed to advancing education, youth development, and breed improvement. Through scholarships and bursaries, we help support the next generation of agricultural leaders, while our continued financial support of the Young Canadian Simmental Association at national events encourages youth involvement and fosters lifelong connections within our industry. The Foundation also remains dedicated to supporting research initiatives that strengthen and promote the Canadian Simmental breed.

I would like to express my sincere gratitude to the Canadian Simmental Association staff, my fellow Foundation Board members, and the many volunteers whose dedication and hard work make this event possible. Your efforts behind the scenes are instrumental in the continued success of both the Foundation and this annual auction.

As we gather in Nova Scotia, we look forward to another outstanding sale and the opportunity to celebrate the people, friendships, and shared passion that make the Canadian Simmental community so special. Thank you for your continued confidence in the Friends of Canadian Simmental Foundation and for your support of the programs that help shape the future of our breed.

On behalf of the Board of Directors, I wish everyone a successful auction, an enjoyable Canadian Simmental Association Convention and Young Canadian Simmental Association National Classic, and a memorable time in Nova Scotia.

Sincerely,

Garth Rancier FCSF President

On Behalf of the Canadian Simmental Association we want to welcome you to the annual Friends of Canadian Simmental Foundation (FCSF) fundraiser auction as we head east to beautiful Nova Scotia. Over the years, this event has grown into one of Canada's largest cattle fundraising auctions. The future of Simmental youth, research, and breed development will be directly impacted by the funds raised tonight.

This year's sale promises an exciting lineup of diverse offerings, thanks to the dedicated efforts of the organizing committee and generous donors. Your involvement, whether in person or online, is greatly valued. If you're unable to join us in person for the event, but still wish to support FCSF, please reach out to any sales consultant, FCSF director, or participate online via DLMS.

The energy and commitment of our Simmental family is what makes our breed and this event so special. Join the CSA and FCSF to make this year's auction a success, ensuring a bright future for the Simmental breed with all the great work the Foundation is doing supporting Education & the Youth of our Breed.

We look forward to seeing you in the Maritimes for this exciting event!

Or any of the FCSF Board of Directors to bid on your behalf if you can not be in attendance or be online for the 2026 auction.

How to bid online with DLMS FarmGate for the Timed Auction with Extended Bidding

1. Visit dlms.ca and follow the link to the DLMS FarmGate timed auction site www.farmgatetimeductions.ca, click the LOGIN/REGISTRATION button.

First time users will select the REGISTER button from this page. Fill out the registration form to signup for a free user account and it allows you to select a user name and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your user name and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.

2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.

3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.

4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by the time listed on each sale. In Most cases the time gets shorter the longer in to extended bidding the sale is. When no bidding occurs for the extended time the computer will declare the sale finished.

5. Following the sale the Owner or Sale Manager will invoice all buyers in the sale, please contact the seller with questions or to arrange delivery, pick up or shipping of your purchases.

WHAT IS RACEHORSE STYLE SALE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORK? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

Who is the Friends of Canadian Simmental Foundation

The Friends of Canadian Simmental Foundation (FCSF) is a not-for-profit registered foundation dedicated to scholarship and educational support of youth in the business of agriculture and Simmental cattle.

The Foundation is governed by a board of directors who are heavily involved in the Simmental industry and who have a vested interest in educating youth, developing leadership, and encouraging young people to be a part of the agriculture industry.

The Friends of Canadian Simmental Foundation belongs to all of those that had the vision to believe in bringing the Simmental breed to Canada, those that supported and have developed it over the past 59 years, and those that see the value it brings to the generations of the future.

Focus of the Friends of Canadian Simmental Foundation

Scholarships - The FCSF administers scholarships for youth who are involved in Canadian agriculture. Assisting in the development of youth with a focus on advancing their understanding of agriculture is a very important component of the FCSF.

Youth Development - The FCSF supports youth programs such as the Young Canadian Simmental Association (YCSA). The YCSA is one of the most progressive and dynamic agricultural youth organizations in Canada. It is open to anyone 25 years and under who then have the opportunity to participate in various activities across Canada. YCSA members learn important skills including public speaking, marketing and communications which develop strong and dynamic leaders for not only our industry, but society as a whole.

Research and Development - The FCSF is actively engaged in supporting research to benefit the agriculture industry in Canada. This work is focused on improving the Canadian beef industry by enhancing production efficiency, product quality and profitability.

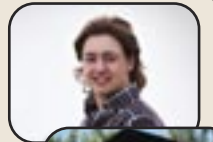

What the Friends of Canadian Simmental Foundation is doing

FCSF Scholarships

The Friends of Canadian Simmental Foundation is honored to administer 5 exciting post-secondary scholarships. The Friends of Canadian Simmental Foundation recognizes the importance of supporting youth in agriculture and their goals of advanced education. The scholarship program is one of the ways that the Foundation intends to support youth and the future of the livestock industry. In 2026 the FCSF will award \$18,000 in scholarships.

The current 2025 winners are listed on page 5 of the catalogue or go online to www.simmentalfoundation.com to find past winners and the current application form that can be used for all of the scholarships for the 2026-2027 academic year.

Youth Development

The FCSF supports youth programs such as the Young Canadian Simmental Association (YCSA). The YCSA is one of the most progressive and dynamic agricultural youth organizations in Canada. It is open to anyone 25 years and under who then have the opportunity to participate in various activities across Canada.

For 2026 the FCSF will directly support the YCS with a portion of the Auction process going directly to their program to assist in the operation of their 2026-2027 activities.

How to Contribute to the Friends of Canadian Simmental Foundation

The Friends of Canadian Simmental Foundation value all of those that support the philosophy and work the Foundation is committed to. With the FCSF having Charitable Tax Status we are able to provide those who donate to the Foundation with a charitable tax receipt. FCSF supports the programs and activities that not only benefit the Agriculture Industry today but also helps establish the future of the agriculture industry for tomorrow's youth.

In addition to donating or purchasing at the Foundation Fundraising Auctions each year, you can also use some of the other traditional methods of giving include such as: cash donations, sponsorships and memorials.

Contact any of the FCSF Directors about making a donation or send your gift to the Friends of Canadian Simmental Foundation today.

3 Great Ways you can Support the Foundation this year!!

1. Make a plan to purchase tickets on the Donation Heifer. Remember for each \$20 Ticket you have a chance in the draw for the Bred Heifer ~ In person at Wolfville, NS for the Sale, Bid on DLMS.ca, or talk to any of the FCSF Board or sale staff to purchase tickets for you.
2. View the catalog and chose from all of the outstanding items available in this year's sale. If you are not coming to the Wolfville, call any of the sale staff, the FCSF Board or bid online with www.dlms.ca. Remember this year we will be having both a LIVE auction at 7:00 PM AST and a TIMED Racehorse style auction that will start closing 5 min after the draw for the Donation Heifer Ticket is picked. Purchasing lots out of the sale support the Foundation so we can continue to provide Scholarships and support the Youth Initiatives in the Simmental Breed.
3. The Friends of Canadian Simmental Foundation is an opportunity to leave your legacy in the Simmental Industry. Through a memorial donation, a living gift or a bequest through a planned estate gift you can support the foundation in perpetuity. For assistance with the sale or more info about the Friends of Canadian Simmental Foundation contact any of the FCSF Directors listed on page 2.

LFE Sangudo 3017M was the \$185,000 high-selling black bull from the 2026 Lewis Farms Bull Sale, selected by Canadian Sires + Donors, Deeg Simmental from Lewis Farms as their lead off bull in this years event. A truly impressive young herd sire, Sangudo combines exceptional phenotype, structural correctness, muscle shape, strong feet and herd bull presence with a proven yet outcross pedigree. Exclusivity is important to us and only a few breeders were able to access his genetics this spring so get ahead of the curve and invest with this tremendous opportunity. We are excited about his future impact on the Simmental breed and are proud to support the Friends of the Canadian Simmental Foundation by donating 3 doses of semen from this exciting young sire. Good luck to all bidders!

MRL PIPESTONE 98N was the \$150,000 high-selling bull who brings it all together and from the moment we laid eyes on him, Pipestone impressed with his striking phenotype, exceptional balance, bold body shape, extra hair, flawless feet, and rich blood-red color, making him one of the most admired bulls of the entire sale season. As impressive as he is visually, his numbers are equally elite. Pipestone ranks in the Top 10% of the breed for BW, CE, WW, YW, MCE, and MWW, Top 20% for Milk and DOC, and an incredible Top 1% for both API and TI, making him a true curve-bending sire capable of adding calving ease, performance, maternal strength, and end-product value. Perhaps his greatest asset is the outstanding cow behind him. His powerful, proven, good looking dam with an exceptional udder has all the qualities we strive to build around, and when combined with his exciting outcross pedigree, Pipestone offers a rare opportunity for progressive breeders looking to move their programs forward. RF Flirt 034H is the kind of donor female that continues to generate returns year after year. Purchased through Friday Night Lights, Flirt 034H has become a cornerstone female at Windy Knoll Farm, consistently producing cattle that combine performance, phenotype, structural integrity and the maternal strength the Flirt cow family is known for.

SVS Rancher has established himself as one of the breed's most respected sires, admired for his consistency, functionality, foot quality and herd bull presence. We are honored to support the Friends of Canadian Simmental Foundation with a mating that combines one of our most proven donors with a sire that continues to leave a lasting impact in progressive programs across the country.

Here is the first opportunity to acquire frozen genetics from our Firefly donor. Sired by the National Champion Bull CDM Broker Boondock 18B, she is a powerful cow in terms of her phenotype and has blown us away in the last few years with her offspring. Firefly is impressive from every angle, she is great fronted, excellent uddered, massive ribbed and extremely sound. She's a cow that has gained a lot of popularity in the Maritimes in the past few years, and a female we are working to build our herd around.

We purchased Memory from Boisvert Simmental at the 2025 Eastern Harvest Sale, and she has exceeded our expectations from the very beginning. As a daughter of Darwin, she offers an exceptionally sound structural design, nearly flawless feet and legs, and a beautiful, well-attached udder. After her first calf this winter, she quickly earned a place in our donor program. Her outstanding maternal qualities, structural correctness, and overall production potential made that decision an easy one. The Spartacus x Raptor cross has been extremely successful for us. A prime example is BILJ Pol Jamie 31J, the standout of our 2023 Rod & Stars Simmental Bull Sale. Purchased

by Semex, Jamie has gone on to become one of the highest-selling Fleckvieh sires in the world over the past few years. With that proven success in mind, breeding Raptor to this moderate-framed, dark red, powerfully muscled granddaughter of Spartacus was a mating we believed offered tremendous genetic complementarity. We are excited about the consistency, maternal strength, and herd bull potential this flush has to offer. **Stored at DMV GenetiQ Services (Evolygen) Québec**

25L Jordan Eberle Oilers Jersey

Saskatchewan born Jordan Eberle was drafted by the Oilers 25th overall in 2010 and emerged as one of their go to guys. In his first NHL game, Eberle scored a highlight reel shorthanded goal that would later be voted Goal of Year by NHL fans. As a sophomore in the NHL, Eberle racked up 76 points in 78 games. He was nominated for the Lady Byng Memorial Trophy and the NHL's most gentlemanly player. Eberle is perhaps best known for his performances at the World Junior Hockey Championship. At the 2009 Tournament, with Canada down a goal and facing elimination in the semi-finals to Russia, Eberle 5.4 seconds left to tie the game and eventually force a shootout, in which he scored and Canada defeated Sweden to win the Gold Medal.
