WINTERING PROGRAM

Bulls can be returned back to seller's yard free of charge until May 1, 2026. After May 1, 2026 yardage of \$4.50/day will be charged and pick up is the responsibility of the buyer. Bulls being wintered by the seller must be insured by the new owner for loss of life or disability.

SIGHT UNSEEN

BULL PURCHASE PLAN

If you are unable to attend the sale but are interested in bulls, give the consigners a call and they will personally go over the bulls and your program to recommend the bulls or females that would meet your needs in a professional and confidential manner.

TERMS

Bulls & Females will be sold under the terms set forth by the CSA. Terms of the sale are cash or cheque. Every animal sells to the highest bidder and in the case of disputes, the Auctioneer's decision will be final. Announcements from the auction block will take precedence over any printed matter. Current exchange rates will be announced sale day. Breeder reserves the right to draw semen from any of the bulls on offer for in herd use only.

HEALTH

All animals in the sale have met all necessary health requirements. Cattle have been vaccinated for IBR, P1, BRSV, Blackleg and treated with Ivomec for parasites.

TRANSPORTATION

Free delivery up to 100 miles. Arrangements between buyer and seller beyond this. \$50 rebate on all bulls picked up sale day.

SEMEN

Breeders reserve the right to draw semen from any of the bulls on offer for in herd use only.

LIABILITY

All persons who attend this sale do so at their own risk. The Auctioneer, and owners assume no liability, legal or otherwise, for any accidents that might occur.

INSURANCE

Keystone Livestock Services will be on site sale day selling insurance. After the sale all bulls are housed at new owner's risk, we encourage you to insure your valuable purchases.

FOREIGN BUYERS

Out of country buyers will make settlement with Prairie Partners in Canadian funds at the March 17, 2026 exchange rate. Bulls/Females sold for export will be paid for in full prior to delivery. All expenses incurred for export, including transportation and health testing, will be the responsibility of the purchaser. We will assist and make arrangements for transportation, if necessary. Insurance must be purchased sale day.

GUARANTEE

All cattle are 100%, fully guaranteed by seller. 75% of Prairie Partners customers are REPEAT customers! At Killarney Auction Mart's largest feeder sale, over 70% sired by Prairie Partners bulls.

Welcome to this years edition of the Prairie Partners Bull Sale! Each and every year it is both impressive and commendable the amount of repeat customers that pack the Killarney Auction Mart to source their next Silver Lake and Handford herd bulls. This is evident that A) the bulls are good and they work and B) the people that stand behind them are top notch. Both are 100% accurate in this case as the Marchant and Handford families are some of the real good folks we get to work alongside and we encourage you to be with us either in person or online for this exciting set of Red, Black and Fullblood Simmental Bulls!

The Silver Lake Farms program is one driven by performance. They understand that pounds pay and that your investment into a bull is as critical now as ever before. They offer up some exceptional red, black and Fullblood bulls that are a blend of extra-age and calendar year with loads of shape, power and look that can guarantee you a sought after set of calves that order buyers love and neighbours can be jealous of. The powerful, productive cowherd is one that is also highly maternal as each fall, Silver Lake offers up some very exciting females that are always very well received. Here is your chance to purchase brothers to these exciting females that will no doubt leave you with an exceptional set of females to build around also.

Handford Simmentals, Robert, Jason and families, have built a very well respected program around some of the best cow families within the breed. They have an extensive ai program which they invest into heavily leaving them a very uniform and evenly matched set of bulls for your appraisal. These bulls are the perfect blend of power and calving ease with a great deal of maternal merit behind them. If you like heavy calves each fall and fancy replacement heifers, look no further than this great set of bulls.

We can't endorse the Silver Lake or Handford programs enough. The cattle, people and way they do business are as good as any. We encourage you to be with us in Killarney March 17, St. Patrick's Day, for this stout set of Simmental Bulls!! Be sure to give Clint, Andrea, Robert or Jason a call to discuss the bulls and do not hesitate to give any of us at BMS a call if we can assist you in your bull buying needs. We offer sight unseen purchasing and appraisal for those of you who can't make it sale day. We look forward to visiting with you!

Handford Simmentals

Welcome to the 2026 Prairie partners bull sale. We look forward to meeting with you in Killarney on sale day. It's a great time to be in the cattle business. Let's hope these prices continue for years to come.

Bulls are sire verified, homo polled, and colour test tested.

We would like to reserve the right to draw in herd semen on any of our bulls.

*Thanks,
Robert*

We are more than impressed with this Slider son out of a No Limits/73A daughter. He's a thick big top bull with hip and hair to die for. The No Limit/73A bulls have been a big hit and the daughters are looking to be just as popular. Heifer pen potential with a 78 pound birth weight and an impressive EPD profile with more than adequate performance. Grab onto these Slider sons while you still can.

DILUTOR FREE
One of my favourites in the pen. Hard not to like this dark red power house. He's a hairy, heavy muscled bull you instantly notice in the pen. His steers will command a premium and you keep all his daughters. He's out of a beautiful uddered solid red cow that has a bright future here.

HOMO POLLED
HETERO BLACK

If you're looking for a black, blazed face, herdsire you have found him. One of the first bulls you notice when you enter the pen. Moves around effortlessly for a bull with the mass he carries. Check a lot of boxes. Buy with confidence. Mom is a favourite in the herd.

We would like to take this opportunity to welcome you to the 2026 Prairie Partners Bull Sale. We would also like to thank each one of you that have taken the time to go through our catalog and reach out to us about the bull offering and those who have purchased bulls or females from us in the past!

THANK YOU!

We are very proud and excited for this years group of bulls! There is a deep selection from reds, flecks and blacks; polled or horned, we have something for everyone.

The bulls are developed on native grass and mommas milk until August when we start them on whole oat creep feed. They transition to oat/corn

creep feed through weaning until the corn silage is ready. In mid November they are transitioned to a TMR ration of corn silage, alfalfa hay, corn grain and fully chelated mineral package from Bullseye Feeds, which they will remain on until they are delivered. We do our best to ensure bulls are delivered right to your doorstep!

We reserve the right to draw semen for in herd use only, on any of the bulls in the offering.

Polled & Coat Color DNA results will be available prior to sale day!

We strongly encourage you to come tour the bulls at home, but understand how hard that can be to get away! Please do not hesitate to give us a call or reach out to any of the Bohrsen Marketing staff.

Thanks again and best of luck in you hunt for your next herdsire.

These 3 brothers represent an elite genetic package. Sired by Jackson, the bull that took the breed by storm as a yearling and has continued to exceed expectations. Their dam IPU Precious Thing is also no stranger to the lime light as a proven donor for Labatte and Canadian Donors. These boys are deep bodied, stout made bulls with tons of natural thickness. Bold rib shape, a strong top and a smooth, attractive profile make them the kind that's built to last and work in a wide range of breeding programs.

A pedigree that needs no introduction... This was one of the most exciting matings we've ever made! Stacking our 2 top fleck donor cows, Farrah 10F and Adley 175C, the guesswork is done! These boys are powerful and functional with plenty of eye appeal. They are deep bodied and thick made while maintaining a strong level topline and exceptional muscle expression. The massive hip and power over the top is second to none with this mating! A perfect combination of maternal and performance traits.

Merrick is a powerful, deep-bodied bull that combines mass, muscle, and balance in one impressive package. He's stout made from the ground up, carrying extra width through his chest floor, bold rib shape, and a big square hip. This bull stands on good bone with a solid foot and leg structure, built to hold up and work. His dark red color and masculine presence make him one that catches your eye immediately. A true beef bull that offers performance, capacity, and herd-sire presence.

A powerful Jedi son that checks all the boxes for commercial and purebred programs alike. This deep-bodied, heavy-muscled individual stands on a strong, correct foot and leg structure and carries his mass with ease. Big topped, wide based, and loaded with natural thickness from end to end, he offers the kind of performance look that translates into pounds and profitability. His dark red color, blaze face, bold presence, and sound design make him a standout that will add muscle, capacity, and consistency to the next generation.

The youngest bull in the offering, yet he stands with impressive scale and presence. This larger-framed bull offers extra length of body, a big square hip, and a strong top that hints at the performance to come. He's deep ribbed, sound on his feet and legs, and carries a masculine, herd-bull look from end to end. Being the youngest in the group only adds to his upside—plenty of runway ahead for added mass, maturity, and performance. A growth-oriented option for breeders wanting frame, stretch, and future power without sacrificing structural correctness.

A flashy white-faced bull that stops you in your tracks with his presence and quality. This soggy, deep-bodied powerhouse is loaded with natural muscle, extra rib, and a bold, masculine look from the ground up. He stands on a solid set of feet and legs, travels with ease, and carries himself with the confidence of a herd sire prospect. Dark red in color with that eye-catching blaze face, he's the kind that adds style without sacrificing substance. Built to sire growthy, eye-appealing calves that perform in the pasture and demand attention in the pen—this bull brings muscle, look, and longevity to the table.

30 COMMERCIAL OPEN HEIFERS

These heifers have been developed along side the bulls and our replacement heifers. We are confident these heifers will go out and work. We will package the heifers into consistent groups of 3-5 for your selection. Videos will be available on the groups prior to the sale. The heifers have been vaccinated with their pre-breeding shots of Express, Tasvax, MultMin and Backline.

TERMS & CONDITIONS

TERMS The terms of the sale are cash, cheque, e-transfer, or wire transfers and are due at the time of sale, unless other arrangements have been made between buyer and seller prior to the sale. Bohrsen Marketing Services reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should the purchaser fail to settle for his purchase, Bohrsen Marketing Services reserves full power to resell the animal to the best advantage, either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. Bohrsen Marketing Services have the right to refuse bids from anyone who has a previous record of default in payment or who has not made prior credit arrangements prior to the sale with the owners and/or sale management.

BIDDING All animals to sell through the sale must be sold by auction with each animal selling to the highest bidder. Private sales will not be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted.

DISPUTES In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid and the auctioneer's decision will be final.

PURCHASER'S RISK Each animal becomes the risk of the purchaser as soon as sold.

ANNOUNCEMENTS Any announcement from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

INSURANCE Each animal becomes the risk of the purchaser at the time of sale and should be insured. Animals returning to the seller's farm must be insured.

CERTIFICATE OF REGISTRY A registration certificate issued by the applicable breed association and a certificate of registry duly transferred will be furnished to the buyer of each animal after settlement has been made.

SHIPPING Assistance will be given in making shipment after the sale, but sale management or seller assumes no risk. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to determine delivery arrangements when making settlement.

GUARANTEE -- All animals carry standard breeding guarantee as specified by the Canadian Simmental Association. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Bohrsen Marketing Services assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS Although every precaution will be taken to protect the safety and comfort of buyers, neither the consignors, sale management, auctioneer, or CSA assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

INFORMATION SUPPLIED The information contained in this catalogue is believed to be true and accurate. The seller has provided the information to Bohrsen Marketing Services and they assume no responsibility if the information supplied is not accurate.

RIGHTS AND OBLIGATIONS The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and terms and conditions of this sale do not cover obligations of the two parties connected thereto.

BOHRSEN MARKETING SERVICES IS AGENT ONLY It is clearly understood that Bohrsen Marketing Services acts only as agent between buyer and seller and is not in any way responsible for any failure by either party to live up to his or her obligations. Bohrsen Marketing Services does not assume any financial obligations to collect or enforce collection of monies by either parties, and in exceptional case, any legal action will be between buyer and seller.
