Raised for SucceSS

Welcome to our Annual Raised for SucceSS Female Sale

We are honored to welcome you to our Annual Female Sale. We strive every year to be a reputable program with top quality cattle and exceptional commitment to our customers. We know firsthand that the cattle industry has no lack of work and believe that your cowherd should do as much of the work themselves as possible. We strive for females that are functional and low maintenance. We have built our operation on the ground level basics of a hardy cow that can raise a calf to perform and wean off heavy, while being low input herself, sustaining off grazing through the summer and fall and low forage rations in the winter and spring. You can be certain that behind this stout set of females is a very impressive, hardworking, and productive set of momma cows. Whether the markets are up or down, the backbone of any cattle operation is its cowherd. We're excited to be bringing back another great group of commercial bred heifers this year. We have selected these commercials from bull customers who have exceptional commercial operations. They will either be sired by Richmond Ranch Bulls, or bred to a Richmond Bull, or both.

An exciting addition to our 2026 Fall Female sale is the addition of the Gusse Family. Greg and Family have been long-time customers of ours from the very beginning of our Bull Sale Days. They have purchased in accumulation of over 50 bulls over the years. Always the top end and always bulls they feel will excel their program forward. Buy with confidence knowing we stand behind this operation and know the top notch people they are to work with.

As always, we want to assist you in any way we can. Feel free to give us a call or stop in for a tour and a visit anytime! We hope to see you Sale Day!

Sincerely,
The Richmond Family

Welcome Gusse Family

We are the Gusse Family (Greg and Sherry, Jake and Alex) from just outside of Wetaskiwin. Here at Gusse Farms, we have a firm emphasis on fertility as well as performance. We have been running a commercial cow herd since 1989 keeping our own heifers as well as selecting Simmental influenced heifers to breed into our herd. We have used Limousine bulls on our heifers for many years now.

These heifers we have brought to the sale are selected right out of our own breeding pen. Exposed for 22 days to Richmond Bulls. (Bulls in June 1st- 21st) due to start calving early March. These heifers are bred to Richmond red Limousin bulls. They are heavily influenced Simmental heifers selected to be a uniform set of cows.

Full herd health including Pyramid 5 + presponse, Fermicon 7 somnogen, ivermectin, safeguard, as well as 1 shot of Scour Guard.

Find these heifers on pages 14 & 15.

Commercial Bred Heifers

We have sourced these commercial heifers from customers with great commercial Cattle opperations. These heifers have either been sired by Richmond Genetics, bred by our calving ease bulls, or both. Feel confident in this set of commercial heifers to fit into and work for your program.

This Momma here is one of the black heifers from last years' sale doing a job on this beautiful heifer calf.

A great example of what you can expect with these Commercial Bred Heifers.

These Bred Heifers were all pasture exposed. ~ June 4th to July 21st.
The Calving dates will be March 10th - March 31st, Or April 1st - April 29th.

Vaccination Programs: All livestock are on the Express Verified Program. All breeding females are given an annual shot of Express FP5 VL5 prior to breeding, and a Scour Boss shot prior to Calving. The sale bred heifers have had their initial shot of Scour Boss 9 and are due for their booster on Feb 1st.
Parasite Control: Solmectin.
All females have been preg checked and dated by a certified veterinarian. Those dates are a best estimate and not a 100% guarantee. Heifers are sold as pasture exposed.

All females have been preg checked and dated by a certified veterinarian. Those dates are a best estimate and not a 100% guarantee. Heifers are sold as pasture exposed.

Cattle Nutrition: At Richmond Ranch our goal is to develop the cattle for Longevity and success in any program. The females are grown out and maintained on a high-quality forage diet, a mixture of barley, soft white wheat and corn silage in the winter. They spend as much time as possible out grazing in the hills, spring, summer and fall. We have always sought strongly for – Do it themselves Ranch cows that can not only maintain condition while grazing the hills but raise a calf and bring in the pounds in the fall. The cow herd utilizes a custom Bullseye mineral program that is balanced throughout the year, under the guidance of Doug Roxburgh. Organic minerals are used to ensure proper immune function and overall health, whether they are calves, bred heifers, or mature cows.

NOTES

Thank you for attending the
Raised for SuccesS Female Sale!

TERMS & CONDITIONS

Guarantee: Every lot is sold fully guaranteed. Every female will be preg checked by a certified vet. We do not guarantee those dates, they are simply a prediction by said vet. We produce a quality product; therefore, we stand behind that product 100%. All females will sell under the normal breeder guarantee recommended by the Canadian Limousin Association and the Canadian Angus Association – printed on the back of your receipt. Richmond Ranch is never responsible for more than the value of the sale price of the female(s).

Terms of the Sale: Cash or cheque at par, payable to Richmond Ranch LTD at the clerks' desk Sale Day. U.S. funds will be accepted at current rate of exchange. No release will be given until settlement has been made. Please talk to us prior to the sale to make further arrangements. Should any purchaser fail to settle for their purchase; Richmond Ranch reserves the right to resell the animal to their best advantage either publicly or privately, without further notice.

Disputes: In the case of any disputes, the Auctioneer will open the bid between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

Announcements: Any announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

Accidents: Those who attend the Sale do so at their own risk. Neither Richmond Ranch, sales staff, or the auctioneer assumes any responsibility in the matter, and disclaims any legal or otherwise in the event of an injury, accident, or loss of or damage to property or person.

Delivery/Transfer: We encourage you to discuss arrangements prior to the sale. All females are to be picked up in a timely manner after the sale unless other arrangements have been made.

Transfer of Paper: Upon request; the registration papers will be transferred to the new owner upon receiving payment in full.

Registration: Anything that is non-papered and "can be" upgraded will be done so at the buyers expense if they wish to upgrade the animal.

Sight Unseen Purchase Plan: If you are unable to attend sale day, we would be more than happy to assist you in your sale selection. Please feel free to contact any member of the Richmond Family or any of the sales staff. Every effort will be made to get you the right female(s) at the right price to make you a repeat customer.

Homozygous Polled Testing was completed at NeoGen. Richmond Ranch does not guarantee the results.

EPD's are available upon request. They can be found on each respective breed association website.

Photos: By attending the Richmond Ranch Bull & Female Sale, you are granting permission for your picture to be used for promotional and advertising purposes related solely to the Richmond Ranch Female Sale.
