FROM THE DESK AT T BAR C

On behalf of myself and the entire team at T Bar C Cattle Co., it is a pleasure to welcome you to this outstanding offering brought to you by three respected programs with deep roots in the Hereford industry. The Lees family of Blair Athol, the Lees family of Glenlees, and the Wilson family of Haroldsons Polled Herefords have each built programs centered around some of the most proven cow families in the breed.

Programs like these are built from the ground up with cow power. For generations, these families have focused on developing strong maternal lines that consistently transmit quality, productivity, and longevity. The cattle represented in this catalogue stem from cow families that have stood the test of time and continue to influence both purebred and commercial herds across the country.

Within these pedigrees you will find genetics tied to numerous national champions and influential breeding cattle that have helped shape the modern Hereford breed. While banners and accolades are exciting, the true value of these genetics are seen in the consistency they bring to working cow herds—producing cattle that are functional, productive, and profitable.

Whether you are building a purebred program or strengthening the maternal foundation of a commercial herd, the offering in this catalogue represents generations of thoughtful breeding decisions and dedication to the Hereford breed.

We would like to thank the Lees and Wilson families for their commitment to the industry and for assembling such a strong group of cattle. We encourage you to study the catalogue and join us on sale day with confidence in the quality and longevity behind these programs.

Sale Offering

54 Yearling Hereford Bulls
03 Two Year Old Hereford Bulls
07 Angus Bulls

**All bulls are semen tested & vet inspected.
Free delivery up to 300 miles, anything
further will be at cost.**

Delivery

Wilson Lees bulls will be delivered free up to 300 miles at our convenience, considering load co-ordination. Further delivery will be at a cost. Every assistance will be made to get your bull or bulls in your yard. If you can't handle your bull until later in the season, arrangements can be made with the owners. A daily feeding charge of \$4/day after May 1st will apply. US delivery to the nearest port of Entry

Volume Buyer Discount

Buy 2 Bulls for a 3% Discount
Buy 3 or More Bulls for a 5% Discount

Payment Plan

Pay half the purchase price on sale day with the balance on a post-dated cheque for May 15, 2026.

Site Unseen Purchase Program

We understand in today's high tech world of social media, Twitter, Facebook and so on, it seems to become harder and harder to physically accomplish all that needs to be done in a day or a week. As we know that many of you have other jobs besides the cow business, not to mention young families involved in hockey, curling, dance, gymnastics and the list goes on, sale day isn't always an option. The three outfits from Wilson/Lees have been raising Purebred Polled Herefords for three, four and five generations. We know what works! Tell us what you need; growth, hair performance, calving ease or whatever and we will do our utmost to fix your outfit with the bull you need. Feel free to call any of the owners; the guys who bred them, fed them and stand behind them. If you feel more comfortable placing your bid with any of our sales staff, we have confidence in their integrity and overall appraisal.

View the catalogue online at **WWW.BUYAGRO.COM**

Please bring this catalogue with you to the sale.

**Bulls will be available for viewing the day
prior to the sale at the sale facility.**

Here is the first son of Memphis to sell and a bull that I think many will appreciate. This bull is stout made, big bodied and very easy doing. He's a modest birth weight bull with some added color coming from both sides of his pedigree. This is proving to be a very productive cow family. His grandmother has a tremendous set of ET calves on the ground this year and had our high selling female last fall who was also sired by Memphis.

Paternal Grandam Haroldson's Robyn 24E 44H

Sire Haroldson's Memphis 4J 6L

Here's a Memphis son that I really like in terms of how well balanced and complete he is made. He's a big topped bull with a nice square hip on him and is very sound structured. His mother has been very productive, and I think there's a lot of breeding value in this individual.

LOTS 4-8 ET BROTHERS

Here is an impressive set of ET brothers by the popular Proud bull and our no miss donor 12B. This would be one of our more successful flushes to date.

These bulls are big back, stout made individuals with that added hip and stifle. They are long bodied sound structured bulls that will add some hair and some pounds to a calf crop. A full sister was a high seller and sale feature going to Medonte Highlands.

Be sure to check out these individuals.

Dam Blair's Bella 343F

This Alpine son out of Bella is definitely an interesting individual. He is hairy, big bodied, stout made and has that "look at me" presence to him. I love how his neck comes out of his shoulder and how he presents himself when he's in motion. He's good footed with a great hind leg. Full brother to 80N.

Alpine is a real complete made bull with some added substance to his rib and body. This bull has some added length of body and an excellent coat of hair. His mother has been a bull producing machine and is a good functional female with a great udder. **Heifer approved.**

21

Here is a direct son of Erica 74A and by the outcross Palermo bull. If you want to add some maternal value here is an opportunity to add a son of the highest valued beef cow in Canadian history. He is a full brother to Canelo and Alpine who are past Agribition high sellers. He's a very complete made individual that will add some style and hair to a set of calves. He was raised on a first calver. Give him a good look! **Heifer approved.**

Gold Rush out of a nice Bottom Line daughter that topped our sale a few years ago. Bill and Gloria Potts bought a maternal brother last year. Smooth shouldered, good headed bull with lots of color and pigment. **Heifer Approved.** Owned With: Percyview Land and Cattle

148N has been one of our favorites since birth. He's an April with an impressive growth curve. Sired by our high seller last year, the Hogan bull, that sold to Jaenen Farms.

His mom, 87J, is quickly and quietly establishing herself as one of our favorite cows, but coming out of the Connie cow family, that isn't surprising.

Study this one closely, he's made right, marked right and super sound!

Heifer Approved

Blair-Athol 115J Suzette 147L

The other Hogan son, what a set of calves that bull sired!

Nash 98N is a little behind some of the bulls, as he came off a 2 year old with no creep feed at all. Dam 147L was Jackson's show heifer in 2024.

This guy has a great future, he's big hiped, long spined and moves like a cat.

Heifer Approved

Judge 138N is an outstanding herd sire prospect. Just a March 30th birthdate. Plenty of growth, long sided and massive. A wonderful dam we bred and purchased from Travis Landels. He's out of the same cow family as our current herdsires, Tarzan and Kong. Big red eyes and a heifer friendly birthweight make him worth a second look. **Heifer Approved**

42

One of the thickest, easiest doing bulls in our group, with a really nice birthweight. 105N comes out of the great Heidi family originating at Bar RZ in Alberta.
Heifer Approved

This March born Ice Box son has a lot of gas for his age. Fully pigmented and red to the ground. This cow family keeps pumping out the bull power. 318C is the grandmother to our high selling bull last year to Brooks Farm.

Dark red and fully pigmented Ice Box son. Backed by a tremendous cow family, the Pearls. The overall body mass and muscle expression in this guy is certainly appreciated!

Sire of lot 61-62
SHF Icebox F158 J030

A top Ice Box son that has a little more growth to him. Fully pigmented, freckles and red to the ground. His mother is a big volumed cow and grandmother is a beautiful Rimrock cow.

62

63

A powerful , loose made Guardian son. His mother looks awesome in production with a near perfect Rimrock udder. A bull that will sire calves with extra performance and you will want to keep every daughter. Horned.

Sire Churchill Vanguard 360L ET

Big powerful, robust son of Vanguard. A bull who has a lot to offer with his powerful muscle design, bone and body mass. Mother is a very productive Endure daughter. Fully pigmented. Horned.

the fine print

TERMS & CONDITIONS

Terms: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Certificate of Registration: Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health: All animals in the sale have met all necessary health requirements.

Liabilities: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Rights and Obligations: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Phone, Mail, Wire Bids: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Delivery: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Insurance: Will be available sale day. We strongly recommend that insurance is purchased for full value.

Errors: All announcements at sale time, written or oral, supercede any written material in the catalogue.

thank you
