Email: prochar@xplornet.com • www.prochar.ca

Welcome to our first annual bull sale. It is bittersweet to strike out on our own after 15 years with the NCACB, but with too many numbers to consign we are excited to offer the complete selection right here at home, all together, on one day. The great times with the NCACB group won't be forgotten, and as always we wish the best for our friends the Meakins and the Lakustas.

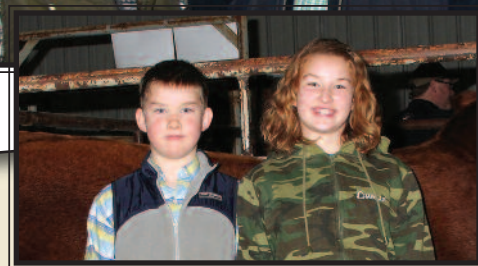

We have always bred our cattle to bulls that we believe in and have never followed trends, fads or ribbons. You will notice that most of the offering are sired by bulls that we have raised, sold, then used by AI. We raise yearlings that have enough frame and size to go out and breed your cows and add pounds to your calves at weaning, which has proven to be very rewarding in these calf markets. Remember – your calves sell by the pound!

The yearlings are easy doing, long, soggy type bulls with lots of natural muscle, halter broke and can mostly be led around by Kendall and Marshall. The Two Year olds were held back for this sale and are not left overs by any means. There is a great selection in this group, from bulls that you can turn into a heifer pen with confidence, to cow bulls with piles of performance. The Bulls were all pictured in the third week of December and will have grown alot by sale day, if you would like us to get you an updated picture let us know!

We are so pleased to welcome our friends the Kleppers as guest consignors. They bring a wealth of knowledge and experience in the Simmental business and the cattle industry and we think that you will be as impressed as we are. Welcome Vance, Michelle, Cheyenne and Colbey!

In an effort to reduce the stress on the cattle and create a more comfortable environment for our customers we will be selling by PowerPoint presentation. The bulls will be penned outside and sold inside our heated shop on a large screen. Make sure you come early to scrutinize the bulls outside because they will not enter a ring. If you have any questions don't hesitate to call us or the Kleppers. We hope to see you sale day, come early and join us for a pre-sale luncheon and refreshments at 12 noon.

*David*

# PRO-CHAR CHAROLAIS

## 1st Annual Bull Sale

### OFFERING- 44 Bulls

26 Charolais Yearlings

11 Charolais Two year olds

1 Charolais 3 Year old Herd Sire

6 Simmental Yearlings

#### Delivery of Bulls:

Roadster is one of the best Red Bulls we have raised. He is very long bodied, deep, and thick with good muscle expression. He was the heaviest at weaning and the heaviest at last weigh in. He has a low birth weight and a short gestation of 273 days. His dam has perfect feet and a very nice udder. Roadster is an outcross to most Red Factor genetics and would be an asset to any herd.

Dementor was a stand out from day one! He is a tank. He is very wide topped, thick, and has a big square hip, deep in the flank, and has a clean front end. He had a moderate birth weight and exceptional growth and has an easy doing, good footed, heavy milking cow. If you're looking for a Herd Bull with some French influence and a different pedigree look at Dementor.

RETAINING 100 STRAWS FOR INHERD USE.

I purchased Royal Prime from Char-Maine Ranching as a yearling. He is smooth polled and 1/2 French and off a very good Prime Cut mother. He is very long, has a big hip and weaned off his mother at 990lbs at 210 days. As a yearling we used him as a clean up bull and were very impressed with his calves. The calves are very consistant at birth with an average birth weight of 95lbs. Last year we used him heavy and are expecting around 30 calves, and already have a good set on the ground. Have a look at his six sons in the sale and some of the replacement females in the heifer pen, you won't be disappointed. With our extensive AI program, we never keep a mature Herd Bull around. If you want to cover a lot of cows and add the polled French influence have a look at Royal Prime.

Email vklepp@xplornet.com

We would like to thank David and Kristina and family for allowing us to contribute to their 1st Annual bull sale. We have been in the Simmental business for a lengthy time and have now gone out on our own becoming Triangle Stock Farms.

It is an exciting time for us and we think the opportunity to combine 2 great breeds of cattle will allow the bull buyer the network of top proven genetics to select from. Our bulls have been grown out on a custom made 14% Pelleted Bull Ration since Dec 15 and free choice green feed. They are in condition to go to work for you.

We look forward to any questions you may have about the bulls we have on offer and if we can be of assistance in any way please feel free to call us.

## TERMS & CONDITIONS

**TERMS** - The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made.

**BID** - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

**DISPUTES** - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

**PURCHASER'S RISK** - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable time.

**ANNOUNCEMENTS** from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

**CERTIFICATE OF REGISTRY** - The proper Registration or Recordation paper, as the case may be, will be duly transferred and furnished to the buyer for each animal after settlement has been made.

**SHIPPING** - Assistance will be given in making shipment after the sale but no risk is assumed by Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

**GUARANTEE** - All animals will carry standard breeding guarantee as specified by the Canadian Charloise Association & Canadian Simmental Association. At no time shall the seller's liability exceed the purchased price of the animal.

**EXCEPTION TO GUARANTEE** - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

**ACCIDENTS** - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Owners, auctioneer, or Sale Staff assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

**RIGHTS AND OBLIGATIONS** - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.
